New Apothecary Store
IN ALLENTOWN.
Dr WILLIAM F. DANOWSKY,

Takes this method to inform his friends, and the public in general, that he now occupies his new building, a few doors east of Hagenbuch's Hotel, and has again opened a very large and splendid

Apothecary and Drug Store.

His building the public will remember is one door east of Mertz's Store, in Hamilton street in the Borough of Allentown.

As the whole of his stock of Drugs, Medicines and Fixtures, besides House and Furniture, have been destroyed by the devouring elements on the 1st of June last—made it necessary for him to lay in an entire new stock of

DRUGS AND MEDICINES;

all of which he can warrant to be genuine, and of the best quality.

All kinds of Medicinal preparations such as Balsam de Malta, Gold Tincture, Pills, Horse-powders &c. &c., put up in suitable forms for the convenience of his customers.

He also keeps an assortment of Surgical Instruments, Trusses, Paint Oil, &c., all of which he will sell lower than ever before offered in this place.

He also keeps an assortment of hanging and counter Lamps, Lamp glasses, all kinds of fashionable Perfumeries, such as Oil of Rose, Millfleuer, Burgamot, &c.; Hair oils, of different kinds; Fancy and Shaving Soap; Letter Soap; Hair and Tooth Brushes; Tooth Powder, and a large assortment of Fancy Articles, all of which will be sold at the very lowest cash prices.

He invites Physicians, Country merchants and others, to give him a call at his new establishment, and examine his stock of Drugs and Medicines, and he can assure them that they are not only all fresh and newly selected with the greatest care, but that he is also able to sell them at least 30 per cent cheaper than ever before offered in Allentown.

Thankful for the many favors he has received before the fire, he trusts that a generous public will not forget to continue their patronage freely, in order that he may be able to make up the heavy loss, that he has sustained by the fire on the 1st of June.

Dr. William F. Danowsky,

Returns his thanks to his friends for the confidence reposed in him, and at the same time offers his professional services by day or night. In chronic diseases, he relies upon his fame. In midwifery he prides himself to say, that he never attended a case with fatal results. He treats without mercury, and can say, that no case of salivation can be proven, in a practice of twelve years in Lehigh county.
