DR. HEATH'S many years' experience in curing the debilitated and diseased disclosed the startling fact that three-fourths of those suffering with *Dyspepsia, Nervous Debility, Exhausted Vitality, Consumption, Cutaneous Affections, Disease of the Liver, Epilepsy, Paralysis, and Diseases of the Kidneys and Bladder*, were caused by what could only be cured after curing them of *Seminal Weakness*. His immense practice has made his treatment as near perfection as possible. Many of his patients had paid from $100 to $5,000 for medicine and treatment before seeing him. No better proof that patients cannot be cured without a search, examination of all symptoms and complications, and scientific treatment by an experienced physician. Those at a distance can be cured at their homes without an interview. Advice free at 710 Broadway, New York. There are so many unsuccessful physicians, Dr. HEATH will merely say he is the author of two elaborate works on Medicine and Surgery and one on Chemicals.
