It has cured Croup in a few minutes.

Consumption has been cured by it, where all other remedies had failed to do good.

Hoarseness has been cured by it in a single night.

Many Physicians recommend it, and others use it themselves, and testify that it is the best, while others oppose it because it takes away their business.

We recommend it to our friends, and for further particulars would refer you to the circular around the bottle where you will find numerous certificates given by persons who have used it.

It is so pleasant to the taste that children cry for it.

It is a stimulating expectorant, giving strength at the same time that it allays the cough.

The proprietor of this medicine has so much confidence in its curative powers from the testimony of thousands who have used it that the money will be refunded to any purchaser who is not satisfied with its results.

It is so cheap that all can buy it.

Price 25 Cents, Large Bottles $1.

It is prepared only by

A Physician's mission is to relieve pain and cure those that are sick. Being aware of the fact and knowing the curative properties that my medicines possess, I cannot do else but offer it to the general public that I may accomplish my mission and do the greatest good to the greatest majority.

Spectacles.

SPECTACLES! SPECTACLES!! EYE GLASSES, &c.

A large and complete assortment of all kinds of Spectacles, Eye Glasses, &c., at

CHAS. S. MASSEY'S,

NO. 23 EAST HAMILTON STREET,

ALLENTOWN, PA.

Having devoted a great deal of care and attention to the Spectacle business for these last few years, I find that my business in that line has increased so much that I have determined to make it a SPECIALITY. There is no article manufactured in which there is so much deception practiced as there is in Spectacle Glasses. Knowing that the public have been frequently humbugged by parties pretending to have a superior article of Glasses, and charging exorbitant prices for them, thereby trafficing upon the necessities and infirmities of age, I have taken pains to select a large and complete assortment of the finest and best Glasses ever manufactured, thus affording all persons needing Spectacles an opportunity of purchasing at reasonable prices. Persons having any difficulty in being suited elsewhere will do well to give me a call, as I feel confident that no one will fail to be suited.
