V.—The Necessity of such an Organization examined.
VI.—The Exigencies of the Times demand an American Party.
VII.—The True Position of the Party.
VIII.—The Rapid Progress and wide Extent of its Influence an argument for the Excellence of the American Party.
IX.—The Plan of Operation adopted by the American Party.
X.—The Probable Influence of the American Party on the next Presidential Election.
XI.—Review of Hon. H. A. Wise's Letter.

The above book is now in press, and will be issued in a few days. It is from the pen of one thoroughly acquainted with the undercurrent of American politics, and the causes which have led to the existing corruption in high places. He traces out clearly the operations of a foreign element in our governmental institutions, and shows that the

Sons of the Soil should Govern the Soil.

This is the author's strong position, which he maintains by irrefutable arguments.

The book is one that should be in the hands of every native born citizen, as well as foreigner. The politicians will have the book of course, for they have a personal interest in the question—"WHO WILL BE OUR NEXT PRESIDENT?" It will produce a rattling among the dry bones of old political partizans.

Published by LIPPINCOTT, GRAMBO & CO., Philadelphia, and for sale by all Booksellers.

Price 75 cents.—A liberal discount made to those who purchase in quantities.

The Book will be sent by mail to any part of the United States, free of postage, on receipt of $1.

The great secret of the popularity of this ointment lies in the fact that it accomplishes all it is recommended to do, and that I do not recommend it to cure any thing but what from the nature of the ingredients, it is an absolute specific for, while other preparations of the kind are recommended to cure every disease that human flesh is heir to, from Consumption down to the bite of a flea, when in fact, all the medical properties they contain are in the handbills, and the thousands of fictitious certificates published in their praise.

I invite those troubled with the above complaints, (particularly salt Rheum,) to take a box and try it,—if you are not fully satisfied, return it and take back your money.
