SITUATION REFLECTED IN NEW YORK MARKETS

Initial Prices Were Mostly Lower; Great Heaviness Shown Later

By Associated Press

New York, May 14. — Latest developments in the situation between this country and Germany were reflected in the nervous tone of the stock market at to-day's opening. Initial prices were mostly lower, but in few instances did declines go beyond fractions. Later, however, greater heaviness was shown, a number of important stocks falling a point or more. United States Steel was the only leader to open with a large offering, 7,000 shares changing hands in one block at 72, one point down. War shares, like Bethlehem Steel, Pressed Steel Car and General Electric lost as much. Trading was moderately active, but without any trace of the hysteria which characterized recent operations.

With the grandstands under way, the track proper has been finished and ready for practice, and from what Fogler says the sprint and motor-paced records will be smashed over the Sheepshead Bay course the first season.
