NEW RECORD FOR GENERAL MOTORS

Several Sugar Issues Make New Highs; Bethlehem Steel Hits 629

New York, Oct. 24. — Trading lacked the breadth of the preceding session, but was scarcely less active. Reactions of the first hour extended to over a point in the leaders, but was again partly offset by the greater strength of speculative stocks and high-priced specialties. Bethlehem Steel increased its gain to 629, with new records for General Motors at 837 and the several sugar issues. Petroleums were in further favor, with Alcohol and Fertilizers. Rock Island featured the nondividend rails and Union Pacific the high grade shares. Prices broke again before midday.

Bonds were irregular on heavy offerings of international issues.

VETERANS FIGHT DUEL IN SOLDIERS' BARRACKS

Danville, Ill., Oct. 24. — Following a political discussion in their barracks at the National Soldiers' Home, George W. Smith, 74 years old, and veteran of the Civil war, and Sidney Chappell, 48, a former member of the regular infantry in the war with Spain, attacked each other with knives and fought until they fell exhausted.

There were none but feeble old men who saw the battle and they were unable to separate the fighters. Guards who were summoned had the two men removed to the hospital, where both are reported to be in a dying condition.

Although there were many who saw the beginning of the fight the exact cause could not be learned further than politics.
