When the Liberty Bell Pealed Out

Its welcome news in 1775, classified advertising was an unknown quantity, so was the steamboat, the railroads, the automobile, the mail service and all the modern and up-to-date appliances. How much could we do without, to-day, the use of the steamboat, the mails, the railroads? They are a part of our everyday life, an acknowledged necessity; so are classified ads. Wise people use them to their advantage. You can do the same. No matter whether you advertise something For Sale, For Rent, Lost, Help Wanted, Rooms For Rent, or any of the numerous uses that come under classified advertising, the results more than warrant the small cost of such advertising.
