LEGAL NOTICES

ELECTION PROCLAMATION

WHEREAS, the Council of the City of Harrisburg, by ordinance No. 129, session of 1918-1919, duly passed and signed by the Mayor of said city on August 25, 1919, signified the desire of the corporate authorities of said city to use the sum of three hundred thousand dollars ($300,000), authorized by the electors at an election held November 2, 1915, to be borrowed for the construction of a bridge, with the necessary approaches thereto, on the line of Walnut street, from a point at or about the western line of the right of way of the Pennsylvania Railroad Company to a point at or about the intersection of Twelfth and Walnut streets, and the consequential damages resulting therefrom, for the purpose of making a payment to the Commonwealth of Pennsylvania toward the cost of the construction of the Soldiers' and Sailors' Memorial bridge at State street, and its approaches, authorized by act No. 420, of the General Assembly of Pennsylvania, approved July 18, 1919; authorized the submission of the question of such use to a vote of the qualified electors of the city; and fixed the time for the holding of an election for that purpose; therefore,

NOTICE is hereby given that an election will be held, at the time and places for holding the general municipal election in the City of Harrisburg, on Tuesday, the 4th day of November, 1919, between the hours of 7 o'clock a. m. and 7 o'clock p. m., for the purpose of obtaining the assent of the electors to such use of the money so authorized to be borrowed as aforesaid.

The amount of money theretofore borrowed or authorized to be borrowed is three hundred thousand dollars ($300,000).

The purpose for which such money was originally authorized was the construction of a bridge, with the necessary approaches thereto, on the line of Walnut street, from a point at or about the western line of the right of way of the Pennsylvania Railroad Company to a point at or about the intersection of Twelfth and Walnut streets, and the consequential damages resulting therefrom.

The reason why said money may not be used for the purpose for which it was borrowed or authorized to be borrowed is that the purpose has proven to be impracticable and impossible because the said sum of three hundred thousand dollars ($300,000) is now inadequate, by reason of large increases in the price of labor and materials, to pay the cost of the proposed structure, aside from the certain consequential damages incident thereto; and, further, because the Commonwealth of Pennsylvania, by act No. 420 of the General Assembly of Pennsylvania, approved July 18, 1919, has authorized the erection and construction, as a memorial to the citizens of this Commonwealth who served in the military and naval forces of the United States in the late world war a Soldiers' and Sailors' Memorial Bridge, with memorial pylons at the western end thereof, and with the necessary approaches, from a point on what is now State street, in the Capitol Park, in the City of Harrisburg, following the line of State street across the tracks of the Pennsylvania railroad to a point at or near Thirteenth street, in said city, which bridge, as designed, will be much more elaborate, spacious and convenient than the proposed Walnut street bridge, and will serve the convenience of a far greater part of the public than the proposed Walnut street bridge, including those who would have been most advantaged by the proposed Walnut street bridge, as the proposed Memorial Bridge will be about four hundred feet north of the proposed Walnut street bridge and practically parallel therewith, and will have approaches running to or near Walnut street; and the corporate authorities of the city desire to co-operate with the Commonwealth of Pennsylvania by the payment of said sum of three hundred thousand dollars toward the cost of the construction of this lasting tribute to the valor of its sons in the late world war, and incidentally secure the construction of a bridge in every respect excelling the proposed Walnut street bridge.

The new purpose for which the corporate authorities desire to use said money borrowed or authorized to be borrowed is for making a payment to the Commonwealth of Pennsylvania toward the cost of the construction of the Soldiers' and Sailors' Memorial Bridge at State street, and its approaches, authorized by act No. 420, of the General Assembly of Pennsylvania, approved July 18, 1919.

Steelton News

Boy Scout Council to Hold Big Meeting

A meeting of the Steelton Council Boy Scouts of America will be held this evening in the conference room of the Bethlehem Steel Company office. A large attendance is expected. The council includes in its membership more than fifty of the most prominent men of the town. Although the council has been formed for less than six months, it has already done so much active work as to have the council ranked as one of the most active ones in the State. The camp held at Stoverdale last year was counted a model one, and although councils of other cities found it necessary to ask boys from $5 to $10 each for the camping trip, the boys of Steelton were given a delightful ten days' outing at a cost to the boys of only two dollars.

At the meeting this evening council members and officers for the coming year will be elected. Arrangements are also to be made to secure a permanent hall or large room to be used as Scout headquarters for the troops of Steelton. It is the intention to allow troops so desiring to have their regular meetings in the place. It is also to give them a place for their indoor athletic activities.

Some arrangements will likely also be made at this evening's meeting for the better understanding of the Scout organization by the people at large. A mistaken idea seems to exist in the minds of some that it is either military or non-religious if not irreligious. The Scout program is designed to
