**The War Upon Liberty and Popular Institutions.**

The people of Virginia quite recently voted that their Convention should not have power to proclaim their State out of the Union without first submitting the question to that Convention's creators and masters, the qualified electors of that State. The question was distinctly submitted to them—"Shall the Convention be required to submit its action to the People, and shall their assent be required to give it validity?" and they voted YES by an overwhelming majority. In vain the secession oracles shrieked, "Vote it down!" "No Submission!"—the People would not vote it down, but voted it up in spite of their lifelong leaders. And now the Convention, elected by them to keep the State in the Union, and expressly commanded by the People not to pass an ordinance of secession without their distinct assent, have defied their masters, violated the conditions on which they were intrusted with power, and assumed to take the State out of the Union! And, while their treasonable act is covered with the veil of secrecy, they rush upon the Navy Yard at Norfolk, sink vessels in the mouth of the harbor, so as to stop the egress of the National Ships of War, and undertake to seize Harper's Ferry Arsenal and all the Federal property within the State limits.

In fact, the secessionists everywhere regard Submission to a Popular Vote as the basest tyranny. They are the Cavaliers, the Chivalry of the South, and the quiet, industrious masses who cling to the Union are, but the mire beneath their feet. They know the majority is against them; but what care the wolves that the sheep outnumber them? See North Carolina forced into rebellion in defance of the express vote of the People—see the stubborn refusal to submit the Confederate Constitution to a popular vote in any single State. This is a rebellion of the Few against the Many, and they mean to try conclusions with Bullets rather than Ballots. There is no use in trying to meet them with other weapons than their own.—[N. Y. Tribune.

**Writing the Truth from the South About the South.**

The New Orleans correspondent of the N. Y. Tribune says:

The impression of the New York Times that a correspondent who is known will be permitted to write the truth from the Seceding States, either to the Northern or the local press, is a woful mistake, so far as this vicinity is concerned. There are not a dozen counties in Louisiana, Mississippi and Alabama in which the life of any correspondent, who should merely narrate all that he sees and hears daily in connection with political matters, without one word of comment, would be safe, if he were known, and there is not one in which his person would be safe. New Orleans, for instance, is a comparatively civilized point. I read my Tribune at dinner daily when the mail does not fail (and it only fails about four times a week,) and there are two semi-public places in the city in which it is on file, and is pursued with the utmost avidity by hundreds who are deemed "sound" beyond all suspicion on the Secession question. And yet, Northerners considered pro-slavery men at home, and here on legitimate business, have barely escaped from the city with their lives for using, thoughtlessly, expressions which savored a little of disrespect for the usurpers. Your mild neighbor (who, by-the-by, I heard roundly cursed last evening for being "just as bad as Greeley himself, only not quite so honest and flat footed about it") is evidently utterly ignorant of the nature and extent of the odious and outrageous despotism which rules the South.

DR. GEO. H. KEYSER,

☞ ANOTHER CURE BY Dr. SCHENCK.—I called on Dr. Schenck some time ago in one of his visits to Pittsburgh at the office of Dr. Keyser, No. 140 Wood st. He was examining patients with lung disease. One of my lungs and the bronchial tubes were found to be badly diseased. Oftentimes when I coughed I expectorated blood and matter in large quantities. I had night sweats and a great cough, and was greatly debilitated. Dr. Schenck prescribed I use his "PULMONIC SYRUP," "SEAWEED TONIC" and "SCHENCK'S PILLS" and after taking them one month and "SCHENCK'S PILLS" alone for two months, I feel that I have so far recovered that I do not spit any more blood. I have so far recovered that I do not spit any more blood. I live in Coraopolis, Allegheny township, Ohio, where I am well known. You may publish this if you wish.

HARVIS KOCH.

Pittsburgh, August 27, 1860.

N. B. Since the above was written, Mr. Koch has entirely recovered, and continues well, having regained his usual health.

I, WILLIAM W. ALEXANDER, residing on Ann street, Allegheny city, do hereby certify that I have been a sufferer from severe cough and pain in the breast for about eight years. During the whole of this time I have had general debility and depression of spirits. I tried every nostrum I could hear of, but nothing took hold of my disease. I heard of Dr. Schenck's "PULMONIC SYRUP," but knowing no one personally that it had cured, I had so confirmed a cough, accompanied with a violent cough, difficulty of respiration, and night sweats, which so prostrated me that I was confined to my room for two months.

Several of my friends who called to see me, spoke in very high praise, as they knew what it had done. My prostrated condition discouraged me considerably, but I made up my mind to waste no more money for doctors or medicine, but would take the chances, live or die, as I had been so long sick that I felt completely discouraged. However, after reading several advertisements in the "Pittsburgh Dispatch" I felt induced to give Dr. Schenck's medicine a fair trial, and now, nearly two months after, I am in good health, by taking less than two dollars' worth of Dr. Schenck's medicine. I unhesitatingly state that it has saved my life. I am a married man, and I attribute my good health and vigor of constitution entirely to Dr. Schenck's medicines. I enjoy better health to day, Feb. 4th, 1861, than I have done for twenty years past. If persons knew the value of Dr. Schenck's inestimable remedies, they would not hesitate to call on him in his visits to this place. I feel not hesitate in advising every person to call on him, as I have the utmost confidence in his medicines. Any person wishing to know the truth of what I have stated can call on me at my place of business, at Wm M. Faber's, Machinist, in this city, or at my residence, Ann street, Allegheny city.

**Miscellaneous.**

**A Card to the Public.**

THE amount of bodily and mental misery arising from a neglect of small complaints is incalculable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body invariably affect the mind. DR. MOFFAT'S VEGETABLE LIFE MEDICINES, in every instance where they have been thoroughly used, have TRIUMPHED OVER DISEASE in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.

**THESE MEDICINES**

Have now been before the public for a period of 30 YEARS and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE for the extraordinary curative properties which they possess.

**IN MANY THOUSANDS**

of certified instances, they have even RESCUED SUFFERERS from the very VERGE OF AN UNTIMELY GRAVE, after all the deceptive nostrums of the day have invariably FAILED. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their unassisted and sensible action in purifying the springs and channels of life, and sinking them with renewed tone and vigor, that they were indebted for their name.

**MOFFAT'S LIFE PILLS!!!**

Are composed of VEGETABLE INGREDIENTS EXCLUSIVELY, as can be ascertained by CHEMICAL TESTS. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable detergent aperient; of a gentle aperitive, promoting the insensible perspiration; of a pleasant diuretic, invigorating the kidneys and bladder; and of a delightful tonic carline, exciting appetite by the demands of active digestion, and cheering the mind with that grateful sense of renovated health which is one of the most felicitous feelings of our nature.

**THE PHŒNIX BITTERS!!!**

So denominated from their astonishing power of creating new life and strength, as it were from the very ashes of the most dilapidated constitutions—are more strongly tonic and more immediately invigorating than the Pills combining the same choice vegetable extracts as the latter, in a different medication. Although really less cathartic than the LIFE PILLS, they nevertheless begin to cleanse the alimentary canal much sooner; generally slightly operating within three or four hours, and producing a decided sense of relief to the Head and Stomach, and exhilarating the Mind, even in less time than this.

**MOFFAT'S LIFE PILLS!!!**

In Affections of the Head, Sick Headache or Nervous Headache, these Pills will be found to possess the most sanitary efficacy.

**MOFFAT'S PHŒNIX BITTERS!!!**

Have been happily used for the cure of FEVER AND AGUE, WITH INVARIABLE SUCCESS!

**BILIOUS COMPLAINTS AND A MODE OF CURE!!!**

☞ A well-regulated and proportionate quantity of bile upon the stomach is always requisite for the promotion of sound health—it stimulates digestion and excites the intestinal canal to free from all obstruction. When there is a deficiency of bile, the body is constantly costive. To the other class of ills, the body is constantly costive. To the other class of bile causes frequent nausea in the stomach, and often promotes very severe attacks of disease, which sometimes end in death.

**Dr. Moffat's Life Medicines!!!**

Should be taken in the EARLY STAGES of Bilious complaints and if persevered in strictly according to directions, will POSITIVELY EFFECT A CURE!

**PILES! PILES! PILES!**

As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well known to hundreds in this city that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of *thirty-five years*; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He however at length tried the Medicine which he now offered to the public, and he was cured to a very short time, after his recovery had been pronounced actually improbable, but absolutely impossible, by any human means.

**MOFFAT'S**

**Life Pills and Phœnix Bitters!!!**

Cure DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind. FLATULENCY, LOSS OF APPETITE, HEADACHE, HEARTBURN, RESTLESSNESS, LIS-TLESSNESS, LANGUOR, and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

**THE LIFE MEDICINES!**

For BILIOUS and LIVER COMPLAINTS, with their many well-known attendants, *Bilious and Sick Headache, Jaundice, Costiveness, Oppression after Meals, Giddiness, Dizziness, Heartburn, Loss of Appetite*, are acknowledged to be vastly superior to anything ever before offered to the public.

**MERCURIAL DISEASES.**

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

**SCROFULA!**

The most horrible cases of *Scrofula*, in which the Face, Bones and Limbs of the victim had been grieved upon by the insatiable disease, are proved by undeniable authority (as the sufferers themselves), to have been completely cured by these purely Vegetable Medicines, after all others had been found more than baffled.

**Acute or Inflammatory Rheumatism!**

**ANTHROSIA CHRONICA, OR CHRONIC RHEUMATISM!!**

These diseases, which are among the most painful, and, by ignorant treatment, the most inveterate to which suffering humanity is liable, are CURED, speedily and permanently cured, by a proper course of the LIFE PILLS and PHŒNIX BITTERS.

**MOFFAT'S PILLS AND BITTERS!!!**

But it is unnecessary to enumerate the many cases in which these purely vegetable medicines have been successful, but let us inquire, Why are they so UNIVERSAL in their happy effects?

Because they PURIFY THE BLOOD, and thus removes all causes of disease in the system.

Because they act powerfully upon the secretions of the body, and preserve health at once.

Because they do not reduce the system, but invigorate it—thus requiring no restraint from pleasure or business during their operation.

**TRY MY MEDICINES!!!**

RICHARDSON'S
IRISH LINENS,
*DAMASKS, DIAPERS, &C.*

CONSUMERS of RICHARDSON'S LINENS, and those desirous of obtaining the GENUINE GOODS, should see that the articles they purchase are sealed with the full name of the firm,

J. N. RICHARDSON, SONS & OWDEN,

as a guarantee of the goodness and durability of the Goods. This caution is rendered essentially necessary, as large quantities of inferior and defective Linens are prepared, stamped and sealed with the name RICHARDSON, in imitation of the genuine Goods, and the manufacturers of the genuine Goods, will not willingly stand as sureties for the spurious, while purchasers can be imposed on with Goods of a worthless character.
