THE POST.

MIDDLEBURG.....MARCH 16, 1871.

MRS. FIELD, of Fenton, Mich., lost her power of speech, and after remaining a mute four years, has suddenly recovered it. The best short-hand reporter can't keep up with her now.

A FEW weeks ago a little girl in Hyde Park, Mass., swallowed a cut glass button and soon after was taken quite sick. Physicians failed to relieve her, and a post mortem examination showed that her death was caused by the irritation of the intestines by the glass button she had swallowed.

A NEW YORK female shoplifter, when arrested a few days ago, had beneath her skirts, and fastened to her waist by strong cords, a canvass pocket, about three feet and a half long and fully three feet wide. From this bag the following articles were produced: Two bottles of wine, fifty yards of guipure lace, two baby's dresses, one piece of mauve velvet trimming, two pairs of kid gloves, seventy-five pairs of children's fancy stockings, one fancy figured glass, seventy-five yards of blue and green velvet trimming, one pair of jet ear-rings, and one large Bible.

A FUSS IN THE FAMILY.—"Wal, I guess there's a row over to our house." "What on earth's the matter, you little sarpint?" "Why dad's got drunk, mother's washing, the old cow has got a calf, Sal's got married and run away with the spoons. Sete has swallowed a pin, and Louis looked at the Aurora Borax till he's got the delirious tri-triangles. An' that ain't all, nuther." "What else, upon airth?" "Why Rose spilt the batter pot and broke all the pancakes, and one of the Maltese kittens has got her head into the molasses cup and can't get it out, and oh, how hungry I am."

COURAGE.—The man only is truly brave who fears nothing so much as doing a shameful act; and that dares resolutely and dauntlessly go where his duty, however dangerous soever it is, may call him.

A man cannot answer for his courage who has never been in danger.

Perfect bravery consists in doing without witnesses, all one would be capabld of doing before the world.

Courage is always just and humane.

Courage without conduct is like fancy without judgement, all sail and no ballast

To die or conquer proves a hero's heart.

A former Kentucky Cangressman went out riding with his sweetheart, and, in his own words: "We were nearing a small skirt of woods, the horses at their best speed. I had determined in my own mind that when we reached a particular spot I would 'pop' the question and so I did, but, would you believe me? she said no. Just as the word escaped her lips I purposely ran the sleigh over a stump. Out we went, she to cool her person in the snow, and I to counteract the damage she had given my affections. Her first words after getting back in the sleigh were: "Excuse me, sir, I wished to tell you to notice the stump." We often refer to the sleigh-ride, but to this day she believes it was an accident. We live near the Indiana line—a divorce is not wanted."

Two BOYS of tender years, who went by the names of Tom and Jack, became members of a district school, in a certain New England town. On making their appearance, the teacher called them out before the whole school and proceeded to make the usual interrogatories concerning their names, ages, &c. "Well my fine lad," said the teacher to the first one, "what is your name?" "Tom," promptly answered the juvenile. "Tom," said the teacher, "that doesn't sound well. Remember always to speak the full name. You should have said Thomas. Now, my son, (turning to the other boy, whose expectant face suddenly lighted up with the satisfaction of a new comprehended idea.) now, then, will you tell me what your name is?" "*Jack-as*," replied the lad, in a tone of congdent decision.

THE New Orleans *Bycanne* tells the story of a printer, who, when his fellow-workmen went out to drink beer, during the working hours, put in the bapk the exact amount which he would have spent if he had gone out to drink He kept to this resolution for five years. He then examined his bank account and found that he had on deposit $521.87. In the five years he had not lost a day from ill-health. Three out of five of his fellow workmen had in the meantime, become drunkards, were worthless as workingmen, and were discharged. The water-drinker then bought out the printing office, went on enlarging the his business, and in 20 years from the time he began to put by his money was worth $1000,000. The story, whether new or old, teaches a lesson which every young mechanic should lay to heart.

J. S. BURKHART

Selinsgrove, Snyder Co., Penna

Keeps constantly on hand a large and well made assortment of Tin, Sheet-iron ware, Stoves, &c., &c.

He is Agent for the following named articles.

"THE MORNING GLORY."

Littlefield's Patent Improved Base

COAL STOVE.

In this pattern of THE MORNING GLORY, several new and important features have been embodied, which can only be seen to be admired. This new stove is made entirely of cast iron, so fitted as to be air tight, but can be made with sheet-iron upper section when preferred by the purchaser. Its ornamental finish is drapery, making it a handsome piece of furniture, far more so than any stove heretofore made. Its internal construction, though resembling some of the former patterns of The Morning Glory is quite different, making it more durable, and far less difficult to be repaired. The castings are of the highest order, fully equaling the finest castings made in this country.

Among the many ADVANTAGES in the use of the Morning Glory are the following:—1, Continuous Burning. 2, Quality of the Heat. 3. Ventilation through the stove 4, Anti-Dust Stove. 5, No Escape of Gas. 6, Economy of Fuel.

"THE BARLEY SHEAF."

Anti-Dust Air-Tight Cooking Stove, with Extended Fire-Box for Wood or Coal.

Patented May 16th, 1865.

We take pleasure in offering our customers and the Stove Trade, a New first-Class Flat-top, and would call *particular attention to its many attractive and valuable improvements.*

This Stove has been carefully tested for several months, and the results have proved so highly satisfactory, that several of our oldest and most experienced stove dealers predict for it a sale far beyond our ability to supply this season.

Sliding front fire-doors, giving full use of the hearth.

An additional slide in the oven, so arranged as to give more room in the upper part of the oven; a great convenience much needed

The oven is nearly as *wide at the top* as at the hearth line, which not only increase the size, but will be recognized as *a great advantage in baking.*

DOTY'S CLOTHES WASHER.

The best, cheapest, and most popular Washing Machine ever invented.

It is easy to operate, sitting or standing takes but little room; injures no garments finishes its work from in two to four Minutes; is durable and convenient; and the only Washing Machine known that is liked the better the longer it is used.

THE UNIVERSAL CLOTHES WRINGER.

The "GREAT FAMILY ECONOMIZER.

The terms of our Patent call our Machine a "Wringer." Years of experience prove it also to be A MOST EXCELLENT WASHER.

When we reduce every invention for washing clothes to a principle they all aomunt to that of pressing and squeezing, and forcing the water through them, thus removing the dirt. Most Washing Machines do it by rubbing. The Universal Wringer do it by pressing.

The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle is such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood, or at the turn of life, these Tonic Bitters have no equal.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so firmly upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the nations of men it has risen higher and higher in their estimation, as it has become better known. Its unfailing character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed those who are sometimes subject to colds and coughs, should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound healing by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicines. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly miraculous cures, where other medicines had failed.

Prepared by DR. J. C. AYER & CO., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.
