ED. S. YOUNG, Gen. Pass. Agt.
A. R. FISKE, Gen. Supt.

We are under obligations to Hon. John W. Geary and Surveyor General Campbell for valuable public documents.

TELEGRAPH.—It is expected that the employees of the Sunbury & Lewistown Railroad engaged in putting up the poles and wires for the new telegraphic line along said road, will reach this place on Saturday next.

REMOVAL.—Mr. Samuel Faust Merchant Tailor, in Selinsgrove, has removed into Holmes' new building, opposite the Keystone Hotel, where he will be happy to receive all his old customers and as many new ones as may choose to favor him with their patronage.

Our thanks are due to the Hon. John B. Packer, our able Representative at Washington for valuable Public Documents forwarded to our address. Mr. Packer is faithful to the interests of his constituents and one of the ablest of the Pennsylvania delegation in Congress.

Capt. Wm. Harding received an appointment in the Library Department at Washington some few weeks ago, and we learn from reliable and disinterested sources that he has shown himself a diligent and efficient officer. We think the appointment a very good one.

COL. HEINTZELMAN, at one time a resident of this place, was buried with Masonic honors, at Witmer's church, on Sunday a week ago. The Col. died of disease contracted in the army during the late war. He served with distinction in the 208 P. V. and was also at one time Editor of the *Tribune* and Deputy Prothonotary of this county.

ARRESTED.—Emanuel Peters, of Milroy, and Morris Monbeck, residing near Bannerville this county, have been bound over to the next term of the Mifflin county court to answer a charge of larceny. They stole various articles from Frank's and Felix's stores, in Lewistown, sometime in December last. It is reported that Peters has confessed the crime.

The Railroad depot is finished so far as to make it comfortable for passengers arriving at the station before car time. Mr. Dennis the ticket and freight agent is a genial and accommodating officer. Tickets can be had to Harrisburg and Pittsburg. Superintendent Brown is putting things to rights, and we will soon have one of the best stations along the road.

WOODS HOUSEHOLD MAGAZINE for February has been received. The Household magazine is fast becoming one of the favorite publications of the land. Its articles breathe a spirit of morality and virtue which is highly refreshing in this age of fashionable extravagance and folly. Price $1 per annum.

Address S. S. Wood & Co., Newburgh, N. Y.

HON. S. S. WOODS, for six months past, has been suffering from a complication of diseases which has culminated in partial paralysis of the left side, we are sorry to learn the fact and will be a source of regret to his numerous friends. Ex-Judge Woods was an active, vigorous business man and a gentleman qualified for the most responsible position. The above fact was communicated to us from what we deem a reliable source.

CROUP.—This is the season for croup—a disease that requires immediate relief, and one that often proves fatal where miles have to be traveled for a physician, as in the country. The following very simple receip is recommended by the Philadelphia Star, and in localities where physicians are not near at hand it would be well to bear it in mind: Take the white of an egg, stir it thoroughly into a small quantity of sweetened water, and give it in repeated doses until a cure is effected. If one egg is not sufficient, a second, or even a third one should be used.

A GOOD APPOINTMENT.—William H. Haus, Esq., Associate Editor of this paper, has been appointed mail agent on the line of the Sunbury & Lewistown Railroad. This is a good appointment and the authorities of the Post Office Department, at Washington, acted wisely in making the selection they did. Mr. Haus is attentive to business, honest, inteligent and obliging. He was a soldier in the late war and is in every way deserving of the appointment.

Altough we will often miss Will's obliging hand and genial phiz in our sanctum, we nevertheless congratulate him upon his good luck and trust that the position may be both pleasant and profitable to him.

TO CORRESPONDENTS.—Correspondence from all parts of the county, and upon all legitimate subjects, is invited. Plainness and accuracy in writing on general subjects is of course necessary, and only one side of the sheet must be written upon. The true name of each correspondent must also accompany each production, as a guarantee of good faith. These rules must be complied with or the articles will end their career in the waste basket.

All our readers are requested to furnish us with every item of local information that may occur in their respective neighborhoods. In this case no attention need be paid to accuracy of writing, spelling or grammar, but only as to the facts. Give us the points of information and we will put them in the proper shape.

Clergymen and Justices of the Peace are especially requested to furnish notices of all marriages by them, and also of all occurring in their neighborhoods. Prompt attention to this will be a favor to all parties.

Many people, particularly children, suffer with the ear ache; and for the benefit of such we give a sure but simple remedy. Put in two or three drops of Johnson's Anodyne Liniment, stop the ear with undressed wool, bathe the feet in warm water before going to bed, and keep the head warm at night.

Capt. Charles Sager, who keeps a superb stock of livery horses in Portland, Me. informed us recently that the uses Sheridan's Cavalry Condition Powders regularly in his stables, and that the expense is more than offset by the diminished amount of grain necessary to keep his horses always in good order.

"How To Go West."

Forty years ago, Illinois was as far West as most people wished to go and journeys were made in the legendary "Prairie Schooner," but in these days of progress and improvement, the word West has come to mean Iowa, Nebraska, Kansas Colorado, California and the Territories, and the Traveler reaches almost any point therein by a splendid Line of Rail-road.

This Line of Railroad is the Burlington Route, which starts from Chicago over the Chicago, Burlington & Quincy R. R., from Indianapolis over the Indianapolis Bloomington & Western Short Line and from Logansport, over the Toledo, Peoria & Warsaw R. R., and running through Burlington, reaches Omaha, Lincoln, Nebraska City, St. Joseph, Atchison, Leavenworth and Kansas City, connecting with the Union Pacific, Kansas Pacific and other Railroads running from those cities.

Always go "By way of Burlington" and you will be sure to be right.

The Burlington Route has admirably answered the question, "How to go West?" by the publication of a truthful and interesting document, filled with facts in regard to Time, Connections, Accommodations, rates of Fare, and other interesting items and illustrated by a large map, truthfully showing the whole West, which they distribute free of charge. Copies, and additional information, can be obtained by addressing, General Passenger Agent, B. & M. R. R., Burlington, Iowa.

To Nebraska, California, and Kansas, and the B. & M. R. R. Lands.

The "Burlington Route," as called, has right in the path of the star of Empire. It runs almost immediately in the centre of the great westward movement of emigration. Crossing Illinois and Iowa, it strikes the Missouri River at three points.

These three points are the gateways into three great sections of the trans-Missouri region.

The Northern gate is Omaha, where the great Pacific road will take you to the land of gold and grapes, sunny mountains, and perpetual summer.

The Middle gate is Plattsmouth, which opens upon the South half of Nebraska, south of the Platte river, a region unsurpassed on the continent for agriculture and grazing. Just here are the B. & M. Railroad lands, concerning which Geo. S. Harris' the land officer at Burlington, Iowa, can give you all information, and in the heart of them is Lincoln, the State Capital and Present Terminus of the road.

The Southern gate leads to Kansas by connections with the St. Joe Road at Hamburg, running direct to St. Joe and Kansas City.

The trains of the Burlington run smoothly and safely and make all connections. It runs the best of coaches, Pullman Palace and Pullman dining cars, and should you take the journey for the journey's sake alone, you will be repaid; or take it to find a home or a farm, and you cannot find either better than among the B. & M. lands, where you can buy on ten years' credit, and at a low price.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings**, they should be taken to large and frequent doses to produce the effect of a drastic purge.

For **Suppression**, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous when no serious derangement exists. One who feels himself well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
