THE POST

Middleburg.....August 28, 1873.

JUDGING BY APPEARANCE.—A good story is told by a Yankee editor, in illustration of the folly of judging from appearances. A person dressed in a suit of homespun clothes, stepped into a house in Boston, on some business, where several ladies were assembled in an inner room. One of the company remarked in a low tone, that a countryman was waiting and agreed to have some fun. The following dialogue ensued:

"You are from the country, I suppose?"

"Yes, I'm from the country."

"Well, sir, what do you think of the city."

"It's got a tarnal sight of houses in it."

"I expect there are a great many ladies where you come from."

"Oh, yes. A woundy sight jist for all the world like them," pointing to the ladies.

"And you are quite a beau among them no doubt."

"Yes, I beaus'em to meetin, and about."

"May be the gentleman will take a glass of wine," said one of the company.

"I thankee; don't care if I do.

"But you must drink a toast."

"I cans toast what Aunt Debby makes, but as to drinkin," I never seed the like."

What was the surprise of the company to hear the stranger speak as follows:

"Ladies and gentlemen, permit me to wish you health and happiness, with every other blessing that the earth can afford, and I advise you to bear in mind that we are often deceived by appearances. You mistake me by my dress for a country booby: I, from the same cause, thought these men were gentlemen. The deception is mutual, I wish you good evening."

—A New York divorce lawyer advertises: "Hymental incompatibilities as a specialty delicately adjusted. 'Tis slavery to detain the hand after the heart hath fled."

Iron in the Blood

PERUVIAN AN IRON TONIC SYRUP

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*

Manhood: How Lost, How Restored

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrhœa, or seminal Weakness, Involuntary Sexual Losses, Impotency, Mental and Physical incapacity, Impediments to Marriage, etc., also Consumption, Epilepsy, and Fits induced by self-indulgence or sexual extravagance.

The celebrated author, in this admirable essay clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land.

DR. FAHRNEY'S

Celebrated Blood Cleanser or Panacea.

The Panacea will not only cure old standing and malignant complaints, but is one of the best preventatives of such disorders ever offered to the world. You can avoid severe attacks of acute diseases, such as Cholera, Small Pox, Typhoid, Bilious, Spotted and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether upon the condition of the blood; for if this vital fluid is deranged you will take a disease much more readily than otherwise, and the suffering will be in proportion to the amount of foreign matter in the blood. This is so reasonable that we need not here make any illustrations.

Remember the name and don't be put off with anything else which druggists may say is just as good as the BLOOD CLEANSER. Because they make more profits on cheaper articles.

[illegible] excellent [illegible] Being sugar-coated, they are pleasant to take, [illegible] no [illegible] from any [illegible] suffering [illegible] cited by [illegible] use; and every family should have them [illegible] for their protection and relief, when [illegible] Long experience has proved them to be [illegible] safest, and best of all the *Pills* with [illegible] the market abounds. By their occasional [illegible] the blood is purified, the corruptions of [illegible] tem expelled, obstructions removed, [illegible] whole machinery of life restored to its [illegible] activity. Internal organs which become [illegible] and sluggish are cleansed by *Ayer's Pills* [illegible] stimulated into action. Thus incipient [illegible] is changed into health, the value of which [illegible] when reckoned on the vast multitudes who [illegible] it, can hardly be computed. Their sugar [illegible] makes them pleasant to take, and preserves [illegible] virtues unimpaired for any length of time [illegible] that they are ever fresh, and perfectly [illegible] Although searching, they are mild, and [illegible] without disturbance to the constitution, or [illegible] occupation.

For **Dyspepsia** or **Indigestion**, [illegible] **ness, Languor** and **Loss of Appetite** [illegible] should be taken moderately to stimulate the [illegible] ach, and restore its healthy tone and action.

For **Liver Complaint** and its various [illegible] tions, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness**, [illegible] **lous Colic** and **Bilious Fevers**, they [illegible] be judiciously taken for each case to correct [illegible] diseased action or remove the obstructions [illegible] cause it.

For **Dysentery** or **Diarrhœa**, [illegible] mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins**, they should be [illegible] niously taken as required, to change the diseased action of the system. With such changes [illegible] complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression**, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach. An occasional dose stimulates the stomach, bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who is tolerably well, often finds that a dose of *Pills* makes him feel decidedly better, from the cleansing and renovating effect on the digestive apparatus.
