—There will be no paper issued from this office next week.

—Hon. B. L. Raudenbush will accept our thanks for a fine, large turkey sent us.

—This week many necks will be stretched, the hatchet decend, and the feathered tribe blindly hop-step-and-jump on wood piles.

—Helfrich & Hassinger, Bannerville; Holshue, McClure; J. M. Troxel, Middlecreek; B. L. Raudenbush, Smith & Monbeck, Adamsburg, Merchants, will close their places of business on Christmas.

—The U. B. commenced a protracted meeting, in their church in this place, on Monday evening, which is to continue during the holidays. Rev. A. Grant, the pastor, officiating.

—Have the readers of the POST ever used any of Parsons' Purgative Pills? if not, why not? they are the best family physic, besides being the greatest anti-bilious remedy there is in this country.

—If your horse is lame, sore or galled, you should use Johnson's Anodyne Liniment; wash the part with castile soap and warm water, rub dry, with a clean cloth, then apply the Liniment, rub in well with the hand.

A Distressing Cough causes the friends of the sufferer almost as much pain as the sufferer himself, and should receive immediate attention. Dr. Wistar's Balsam of Wild Cherry speedily cures coughs, colds, influenza, sore throat, &c. It will always relieve Consumption, and in many well-attested cases it has effected a perfect cure.

Chapped Hands, face, rough skin, pimples, ringworm, salt-rheum and other cutaneous affections cured, and the skin made soft and smooth, by using the Juniper Tar Soap, made by Caswell, Hazard & Co., New York. Be certain to get the Juniper Tar Soap, as there are many imitations made with common tar which are worthless.

—We would advise all who come to town, and who are in need of any kind of leather—Sole, Kip, Harness, Calfskin &c.—are kindly invited to call at the Tannery of G. Milton Moatz & Bro., Middleburg, Pa., and see their well finished and large stock. Go and learn their prices, and our word for it, you will make a purchase before leaving.

PLEASANT WEATHER.—Last week the weather was exceptionally mild and beautiful, and in marked contrast with the stormy winds and snows of last December. One could almost imagine himself transported to another clime as he witnesses the bright skies and pleasant sunshine overhead which prevailed during the whole week.

—We learn, through a reliable source, that a hog belonging to Mrs. Haffley in Franklin township, was lost on the 9th of Oct., last. No trace could be found of it, or what had become of it. On the 9th of Dec., Mr. Wm Bowersox, a neighbor, heard a noise in his straw-stack, and upon search, found the lost hog, having been without food for a period of 60 days. When found it was reduced to a mere skeleton.

ON THE TRAIL.—A squad of Digger Injuns belonging to the Centreville Reservation, about the latter part of November last, went into the jungles of Big Valley to hunt. The party comprised the chiefs and big warriors of the tribe. *Peter Mangudos* acts as medicine man and does not possess any of the savage qualities of the tribe—he is corpulent and would make an alderman. *Frank Z. Wolfstayer* acts as chief counsellor and is a full blooded Digger. *Martin Buffaloerobe* is a quiet injun—derives his title from his occupation. *J. S. Beartail* is a stout well built injun and one of the bravest of the tribe. *Abe Boomarang* is probably the most athletic and ferocious of the hunters and is remarkable for his success as a hunter which is accounted for thus: He has only one good eye and is always stationed at salt-licks and crossings where he never fails to bring down his deer, being a good marksman. A half grown injun completed the party.

They are fully equipped with broad swords, daggers, double-barreled shotguns, scalping-knives and a Jackass Battery of three howitzers—each carried an iron kettle and other cooking utensils. This party was peculiarly unfortunate, because other tribes had preceded them and drove out all the large game. They were not long in discovering this and turned their attention, on the morning of the second day, to small game. As the sun hid behind the western horizon the party gathered in to the rendezvous having captured one miserable *skunk* which Peter proceeded to barbecue in his best style for the evening meal. Now, the rest began the most furious scalp dance and cancan ever witnessed—the most unearthly yelling, leaping into the air, tumbling somersaults and antics never before heard or seen.—This continued until nature refused to obey the will and they all lay prostrate upon the ground. The skunk is well done, and Peter, true to his better nature and his duties as medicine man, administers to each a huge dose of *herb tea* which produces the desired result—they are resuscitated and greedily devour the *skunk*. Borrowing, in the absence of the *owner*, is a peculiarity of this tribe, and after *loosing* the skunk several days, they succeed in borrowing a deer

A SPLENDID HOLIDAY PRESENT FOR THE JUVENILES.—*Demorest's Young America*, $1.00 a year, a brilliant and useful juvenile monthly that surpasses all others in its attractiveness. Its numerous and beautiful engravings, entertaining stories, original music, and other spicy contributions render it indispensable in every household where it is introduced. The premiums offered to each subscriber are really wonderful, comprising among them juvenile books to the amount of $1.75, a fine chromo worth $5, a stereoscope, with a series of views, a good microscope, and numerous other presents worth more than a year's subscription. W. Jennings Demorest, 838 *Broadway*, New York, Publishers.

HOLIDAY ATTRACTIONS in great abundance will be found in the January number of *The Model Parlor Magazine* and a valuable premium to each subscriber. *Demorest's Monthly* stands unrivaled as a family Magazine. Its choice literature, its superior music, its large amount of valuable information, its practical and reliable fashions, and, artistic illustrations, give it a just claim to its well earned title, "The Model Magazine of America." You cannot do without *Demorest's Monthly*; yearly $3.00. Demorest also gives an extraordinary Premium to each subscriber, being one of the most popular and beautiful parlor Chromos ever issued, "The Old Oaken Bucket," size 17x20 inches, and valued at $15. W. JENNINGS DEMOREST, 838 Broadway, New York, Publishers.

HEARTH AND HOME.—This popular weekly journal has just commenced the publication of a charming new story, entitled, *"John Andross,"* by Mrs. Rebecca Harding Davis, the well know author of "Life in the Iron Mills," &c. Without doubt, Mrs. Davis is one of the very best story-writers in America, and, having given more than usual care and labor to the preparation of *"John Andross,"* the reading public may confidently expect in it one of her best works.

We take pleasure in commending HEARTH AND HOME as one of the ablest, purest, and most carefully-edited of the literary and home weeklies. Its stories are not of the trashy, sensational character, yet are of absorbing interest, and will be read with pleasure and profit by every member of the family. Its editorials are always timely, able, independent. The best American and foreign writers contribute to its columns; and, take it all in all, it is as near a perfect Home Paper as is published in this or any other country. ORANGE JUDD COMPANY, Publishers, 245 *Broadway*, N. Y.

TO-DAY.—We call attention to the advertisements of TO-DAY in another column.

This paper seems to have laid out a path for itself, namely: to furnish a neatly illustrated paper at a price that places it within reach of all its readers, and sparing no expense to secure the best reading matter for its patrons.

Added to this, the sound judgment and exquisite taste that is shown in its selection of premium Chromos enables agents to offer inducements that are irresistible.

Last year Mrs. Anderson's "Just So High" was the subject, and it was thought it could be excelled, but now the publishers come forward with another charming child picture, "Little Sunshine," by the same artist, and also a Chromo of one of the celebrated Birket Foster's most beautiful landscapes in water-colors. Each subscriber has a choice of either one of the above named chromos, and we do not exaggerate when we say that neither one could be purchased for less than seven dollars. The publishers wish agents everywhere, and offer liberal inducements.

Dyspepsia! Dyspepsia! Dyspepsia!

Dyspepsia is the most perplexing of all human ailments. Its symptoms are most infinite in their variety, and the forlorn and despondent victims of the disease often fancy themselves the prey, in turn, of every known malady. This is due, in part to the close sympathy which exists between the stomach and the brain, and in part also to the fact that any disturbance of the digestive function necessarily disorders the liver, the bowels and the nervous system, and effects, to some extent, the quality of the blood.

E. F. Kunkle's Bitter Wine of Iron a sure cure. This is not a new preparation, to be tried and found wanting; it has been prescribed daily for many years in the practice of eminent physicians with unparalleled success; it is not expected or intended to cure all the diseases to which the human family is subject, but is warranted to cure Dyspepsia in its most obstinate form. Kunkle's Bitter Wine of Iron never fails to cure Symptoms of dyspepsia or loss of appetite, wind and rising of the food, dryness of the mouth, heartburn, distension of the stomach and how is constipation, headache, dizziness sleeplessness and low spirits. Try the great remedy and be convinced of its merits. Get the genuine. Take only Kunkle's, which is put only in $1 bottles. Depot, 209 North Ninth street Philadelphia

VINEGAR BITTERS

VEGETABLE PURELY FREE FROM ALCOHOL

DR. WALKER'S CALIFORNIA VINEGAR BITTERS

EUREKA

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are a perfect Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
