SUDDEN DEATH!—A correspondent from Hartleton, Union Co., says: Mr. Wm. Walter, living near Hightown, was hauling wood on the forenoon of the 10th inst. After dinner he told his wife he did not feel well and went to bed. In about ten minutes, after he had retired, his wife found him dead in bed. Mr. Walter was well known in Union and Snyder counties and highly respected. He was a kind father, good neighbor, and a christian gentleman.

A Pure Balsam.—Dr. Wistar's Balsam of Wild Cherry is truly a balsam. It contains the balsamic principle of the Wild Cherry, the Balsamic properties of tar and of pine. Its ingredients are all balsamic. Coughs, Colds, Sore Throats, Bronchitis, and Consumption speedily disappear under its balsamic influence.

—We would direct the attention of our readers to the new election law, which we publish in full, on the outside of this week's issue. The paper should be preserved as it will be necessary, perhaps, at some future time to refer to it. An important supplement has been added, which will be found on the editorial page.

An Act to Fix the Standard Weight of Bark.

SECTION. 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met and it is hereby enacted by the authority of the Same.* That from and after the passage of this act the legal weight for a cord of bark, when dry, shall be for chestnut oak, white oak and hemlock, two thousand pounds and for black oak and red oak twenty-five hundred pounds.

SECTION 2. Nothing in this act shall be so construed as to prevent any person from buying or selling bark by measure.

—The following extract taken from one of our exchanges, we think, contains a good bit of truth, read it and judge for yourselves:

"*Beware of Dogs,*" and especially of manger dogs. There are persons whose special *forte* seems to be to meddle and mar. They cannot do much, but they can hinder a great deal. Their finger is in every pie, their spoon is in every dish, and always and everywhere they hinder more than they help, and ruin if they cannot rule. Men who cannot preach will break a church to pieces rather than stand aside for those who can. Men who cannot write will claim to dictate who shall write, and how. Men who have no heart or power to do mission work themselves will meddle and muddle with those who have both. Men who are too covetous to give their own money, try to order and direct as to where and how all the money which others give shall be expended. Men who cannot rule their own house well, seek to control and manage churches, and interests, and labors, which they are totally unfit to guide.

All this seems exceedingly strange. A man who would manage any worldly business must first learn it, and master it in its length and breadth; and unless he does this his oversight will be meddlesome and impertinent. They speak evil of things they know not. They crowd themselves into places from which the law of fitness would forever bar them. Ignorance sits in judgement over learning, folly over wisdom, money over worth, and impudence over piety, and so men who can work are hindered by men who cannot, and men who are full of zeal, and love and high resolve are crammed, and choked and held back by those who seek to hinder what the Lord never honored them with ability to perform.

Is there not a better way than this? Let the tools be given to those who can use them; and let manger dogs lie in mangers if they will, and growl and starve over hay which they cannot eat, while others turn aside to paths which God appoints, to find blessings abounding, and rejoice in prosperity and success.

Tape Worm. Tape Worm.

Tape Worm removed in from 2 to 3 hours with harmless vegetable medicine. The worm passing from the system alive. No fee asked until the entire worm, with head passes. Medicine harmless, can refer thousands afflicted to the residents of this city whom I have cured. At my office can be seen hundreds of specimens measuring from 40 to 100 feet in length. Fifty (per cent of cases of Dyspepsia and disorganizations of Liver are caused by stomach and other worms existing in the alimentary canal. Worms, a disease of the most dangerous character, are so little understood by the medical men of the present day. Call and see the original and only worm destroyer or send for a circular which will give a full description and treatment of all kinds of worms enclose 3 cent stamp for return of the same. DR. E. E. KUNKEL, No. 259 N. Ninth St. Philadelphia, Pa. (Advice at office or by mail, free.)

VINEGAR BITTERS

VEGETABLE * FREE FROM ALCOHOL * PURELY * DR. WALKER'S CALIFORNIA EUREKA

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Typesetters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
