The Family Medical Library—A TREATISE on the Prevention and Cure of Diseases, by regimen and simple Medicines. New edition, revised and enlarged, with the addition of a Vegetable Materia Medica, pointing out the virtues, preparations and doses of our most valuable, native medical plants, and an outline of Anatomy and Physiology, illustrated with 100 engravings, 6 of which are colored. By J. G. Norwood, M. D. The object of the entire work is to give the history, characteristic symptoms, progress and termination of all common diseases, in as correct, simple and intelligible terms as possible, suited to the capacities of all who ought, in any event, to undertake the treatment of a disease, in the termination of which human life may be at stake. The treatment pursued by the generality of practitioners, and found most successful, particularly in the Diseases Endemic to the South and West, has been detailed with such minuteness and great care. The Family Medical Library, it is believed, has given general satisfaction than any book of the kind extant. By its simple and perspicuous directions, any intelligent person may be enabled to treat many cases of illness without the necessity of calling in a physician. We have been informed by a number of families, who have used this book, that they have not procured another physician in ten years, (many families at the expense of the work, ten times the cost could not purchase it) frequently saved more than that, in one year. Agents wanted to sell this work—a liberal commission allowed. J. A & U. P. JAMES, Publishers, Walnut st. bet 4th and 5th, Cincinnati. jy31

He employed two of the best physicians; they did him no good, and told him he COULD NOT LIVE. Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 139 Fulton st, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had SAVED HIS LIFE. His daughter, residing at 127 Myrtle Avenue, can attest it. Miss Ann Mason, of Williamsburgh living in Tenth near South Fourth st, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam; which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher, 14 YEARS. Mr John O'Neal, 10th avenue and 21st st, suffered with a cough, raising of phlegm and pain in his side. He could get NO RELIEF till he tried the All Healing Balsam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

Pleurisy and Consumption. Mrs Baggas, a lady upwards of 70, residing 99 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her PAST RECOVERY. The All-Healing Balsam relieved her in a short time, all her alarming symptoms, and she is now able to attend to her work.

Asthma and Whooping Cough. Mrs Lucretia Wells, 95 Christie-st; L S Beals, 19 Delancey-st, Wm H Youngs, 75 Walnut st, know the value of this great remedy. Ask for Sherman's All-Healing Balsam, and see that his written signature is on each bottle. Price 25 cents and $1 per bottle. Dr Sherman's Worm and Cough Lozenges sold as above. THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA.—The Portland (Me) Advertiser says:—"This remedy has been more successful than any medicine we have ever known for its numerous cures in Consumption, Spitting Blood, pain in the Side and Breast Bronchitis, Asthma, Obstinate Coughs, Hoarseness, Sore Throat, Palpitation of the Heart, Whooping Cough Croup, Nervous Tremors, &c. Individuals of the highest respectability in this city bear ample testimony to its power and efficacy in this class of diseases." Among the testimonials to the value of the above medicine, are several from distinguished physicians of Philadelphia. Read the following from Dr. Young, the eminent oculist.

PHILADELPHIA, Jan. 18, 1847. Having used in my practice, as well as in my own family, Thompson's Compound Syrup of Tar and Wood Naphtha, I have no hesitation in saying that it is the best preparation of the kind in use for persons suffering from Consumption, Coughs, Colds, and all affections of the Throat, Breast, &c., so prevalent at this season of the year. Wm Young, M D, 152 Spruce st. We have seen within a few days the person who gave the following certificate. He remains well, being perfectly cured of his disease:

PHILADELPHIA, January 3, 1847. From a sense of gratitude, and a doubt that the afflicted may have resource to a truly invaluable medicine, I would state that the benefit I have experienced from the use of Thompson's Compound Syrup of Tar and Wood Naphtha. For several years I have been afflicted with a distressing racking cough, accompanied with great oppression and difficulty of breathing, with a sensation of tightness at the chest. Becoming greatly alarmed, a friend who had been much benefited by the medicine, recommended me to try it. I did so, and in a very short time every alarming symptom disappeared; my expectoration became free, all oppression left me, and I was able to go out and attend to my business a well man. Any further information will be cheerfully given the afflicted, by calling at my residence, No. 19 L N. Front st. JOS. McMANAMY. This invaluable medicine is prepared only by ANGNEY & DICKSON, at NE corner of Fifth and Spruce sts, Philadelphia. Sold in Pittsburgh by L WILCOX, Jr. Price 50 cents or $1 per bottle. CAUTION—Beware of the many counterfeits that are now afloat. The unscrupulous are ever ready to deceive the unwary.

THE MOST ASTOUNDING DISCOVERY—A Blessing! A Miracle!! A Wonder!!!—To cure Eruptions and Disfigurements of the Skin, Pimples, Freckles, Sunburn, Salt Rheum, Scurvy, Sore Heads, &c., &c. Four years ago last August, the capital of France was astonished in consequence of a discovery made by an Italian Chemist. Many doubted—it seemed almost an impossibility that anything made by the hands of man, could have such singular powers as that claimed by Antonia Vesprini for his invention. Many classed him and his invention as a humbug, (and alas! many foolish persons without trying do the same now,) at length, after testing it in the hospitals, the Medical Society of Paris (the best chemists in the world) delivered the following report to Signor Vesprini: "We have now carefully examined the singular invention of Vesprini. We have analyzed its component parts—we have used it in several cases, and we hesitate not to pronounce it (the Italian Chemical Soap) as a great blessing, and a truly wonderful remedy for any cutaneous eruption or disfigurement of the skin. Its inventor we consider a philanthropist of suffering mankind. (Signed) LEOPOLD DUPREY, President."

READ THIS! From the inventor himself to the present Proprietor. PARIS, Nov. 4, 1840. In consideration of the sum of $3,600, I have divulged to Mr. T. Jones, residing in the city of New York, N. A., the whole process of manufacturing, together with a statement of the ingredients composing my Italian Chemical Soap. He is to manufacture it for sale in the United States only, and to have the privilege of naming it "Jones' Italian Chemical Soap." Witness: Henry J. Holdsworth. (Signed) ANTONIA VESPRINI. Sold by W JACKSON, at his Patent Medicine Warehouse, 89 Liberty street, head of Wood, at the sign of the Big Boot. The only place in Pittsburgh where the GENUINE can be obtained. All others are Counterfeit.

DR. JAYNE'S ALTERATIVE. We have been informed by Mrs. Rose of a cure performed on her by Dr. Jayne's Alterative, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSIS or WHITE SWELLINGS, attended with ulceration and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left os femoris, and the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative which has had an astonishingly happy effect upon her, by removing all pain and swelling, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat. Eve. Post. For further information, inquire of Mrs. Rose, No. 123 Filbert st, Philadelphia. For sale in Pittsburgh, at the PEKIN TEA STORE, 72 Fourth st near Wood. jy5

ANTI-BILIOUS PILLS. LONG experience has established those Pills on the basis of their own merits, and they have taken their place among the standard medicines of the U. S. Their unfailing activity, yet mild operation, have rendered them favorites, especially through the West and South. Entirely free from those deleterious ingredients which are so apt to produce Piles, by violent purging after repeated use, they act pleasantly and decidedly upon the system, removing all billions humors and leaving the bowels in a healthful condition. It may not be generally known but is nevertheless an important fact, that many of the purgatives now in common use, both mineral and vegetable, bring on the most obstinate constipation after they have ceased operating. B A Fahnestock's Anti-Bilious Pills, having none of these hurtful ingredients, can safely be relied upon to produce the most beneficial effects, and thousands are ready now to bear witness to their efficient merit. RUST PROOF IRON FOR ROOFING, WINDOW SHUTTERS, &c. THE subscribers beg to call the attention of all those interested in roofing, to their GALVANIZED TIN PLATES, and to the many advantages which they possess over all metalic and other substances hitherto used for this purpose, possessing as they do, the strength and lightness of iron without its liability to rust, having now been tested several years, both in this country and in Europe. They are also less subject to expansion and contraction from sudden changes of the atmosphere than common Tin Plate, Iron, Zinc, &c, or any other metal now used for roofing, and consequently form a much better and tighter roof, requiring far less frequent repair, whilst the first cost is but a trifle more. The subscribers would also call the attention of all dealers and workers in metals, to the many other purposes to which Iron thus protected, can be applied.—In general terms it is applicable to all articles of iron which it is desirable to protect from the action of the atmosphere. And they would especially call the attention of those interested in TELEGRAPHIC LINES, to their Galvanized Wire, which is now almost entirely used in Europe, and which answers every purpose as a conductor of electricity, costing only about one half as much as copper, and possessing equal durability with that metal. Having lately erected works in this city for the purpose of galvanizing nails, spikes, bolts, wire, &c., they will be able to furnish any article which may be desired. A supply of Plates (manufactured in Europe,) constantly on hand, from 16 to 32 wire gauge. GEO. B. MOREWOOD & Co. Nos. 14 and 16 Beaver st, NEW YORK.
