OFFICE PITTSBURGH GAZETTE,
Monday Morning, August 24.

The weather continues unusually cool and pleasant for the season, with some prospect of rain.

The river is falling slowly, with about 3 feet water in channel, which is still sufficient for the smaller and some of the middling class of boats.

The business along the wharf, yesterday, presented considerable activity, and the receipts by river were much larger than any day of the previous week.

Flour—Sales, with one or two exceptions, have been confined to regular trade transactions. We note sales from the river of 128 bbls at $4,90. Also sales by the dray load at $4,95 to 5,00 ℔ bbl.

Grain—Market quite dull. Sales are transacted as follows—Wheat 85 to 90—Rye 40 to 45—Corn 37 to 40, and Oats 23 to 25c ℔ bu.

Provisions—Very little doing at present, and sales are moderate, with no change in prices from last quotations. Hams are selling at 9c; Sides 8¼ to 9c; Shoulders 7c, and Hoground at 8 to 8¼c ℔ lb.

Cheese—Receipts are quite equal to demand, and sales of 120 bxs have occurred, ranging for common to prime from 6 to 7 and 7¼ ℔ lb.

We observe that the amount of coal shipped from the Schuylkill the present season, amounts to a total of 813,379 tons. The shipments from the Lehigh mines up to a week since, for the season, was 373,835.

BANK OF ENGLAND.—The issue department on the 23d ult, was: £23,119,150
Bullion: 9,119,150
Gov't Debt and Securities: 14,000,000

The Bankink dept showed the following result:
Deposites, public and private: £13,679,581
Capital, proprietors and others: 18,149,877
£31,829,458

Securities the same in amount.

The amount of notes in circulation is £18,902,705 being a decrease of £261,565; and the stock of bullion in both departments is £9,770,347, showing a decrease of £183,503 when compared with the preceding return.

HOTELS.

ESCULAPIA, or the White Sulphur and Chalybeate Springs, of Lewis county, Ky. The above delightful watering place or summer resort, is now ready for the reception of visitors, under the direction of Mr. Isaac Keas, Esq., late and for many years of the Louisville Hotel, Mr. Kean and Lady will have the active management of the entire boarding department; Mr. Hitchcock, of the tavern, bar, store, bowling saloon, and other amusements; and Mr. Bliss of the springs, bath houses, stables, horses, carriages, &c. &c.
Messrs. G M & F M Weedon, Stage Proprietors of Maysville, will run a regular four horse Post Coach to the Springs every Monday, Wednesday and Friday of the season, and furnish horses and carriages at all other times to those wishing to visit Esculapia.
Persons preferring the Vanceburgh route will do well to take the Portsmouth packet Scioto to Vanceburg on Tuesday, Thursday or Saturday, when they will find horses and carriages to forward them to the Springs.
H T G GOULD, Proprietor
P. S.—For other particulars, see lithographic bills, at the hotels, steamboats, &c., and if this be not convenient then take for granted the following facts, viz:
That Esculapia is nearer the Ohio river than any other watering place—that it has the purest mountain air—the most delightful, cold, limpid, sparkling, sulphur water—the boldest, coldest, clearest, purest, pleasantest and most efficacious chalybeate fountain in the U. States—that it is surrounded by mountain scenery, with romantic, picturesque and diversified, with good fishing, shooting, for chasing deer racing, &c. &c., together with good eating, drinking, sleeping, walking, riding, dancing, shaking off the 'blues,' outgrowing the dyspepsia, talking, laughing, growing fat, loving to stay, dreading to go away, promising to come again—to bring friends, neighbors, sisters, wives, sweet hearts, &c. &c. and after all it is cheaper staying at Esculapia than at any other of the fashionable watering places.
This is the voice of hundreds who have been there and mean to go again. jy18d4w

THIS establishment long and widely known as being one of the most commodious in the city of Baltimore, has recently undergone very extensive alterations and improvements. An entire new wing has been added, containing numerous and airy sleeping apartments, and extensive bathing rooms.

In fact the whole arrangement of the House has been remodeled, with a single eye on the part of the proprietors towards the comfort and pleasure of their Guests, and which they confidently assert will challenge comparison with any Hotel in the Union.
Their table will always be supplied with every substantial and luxury which the market affords, served up in a superior style, while in the way of Wines, &c., they will not be surpassed.

PEARL STREET HOUSE, Cincinnati, OHIO—The subscribers having purchased the entire interest of Col. G P Williamson, late of this well known establishment, beg leave to state to their friends and the public generally, that they have taken this commodious Hotel for a term of years and will exert their best energies to make it a desirable home for Travellers and City Boarders.
The Hotel is spacious and admirably planned for convenience, light and air, having a number of parlors adjoining chambers, presenting unusual attractions to families.
The present proprietors having had the experience of years in this city and elsewhere, hope they will be able to give general satisfaction, being determined to give undivided attention to the house alone.
The location of the Pearl Street House is uncommonly eligible, having fronts on Pearl, Walnut and Third sts, so that it is equally desirable in view of the convenience of business men or retirement for private boarders. It is near by the Banks, the Post Office, the Masonic Hall, Odd Fellows Hall, and but one square distant from Main street and two squares from the City Wharf, thus offering the greatest inducements, especially to country merchants and generally to all persons visiting Cincinnati.

It is over two years since the corner stone of this magnificent structure was laid by Messrs P. M. Weddell & Son. No expense has been spared by them to make it equal if not superior to any hotel in the Union, and an ornament to the city.
Carriages will be in waiting at all times, to convey passengers to and from the boats free of charge.

ADAMS HOUSE, BOSTON.
THIS new and splendid establishment, erected during the past season, is now open for the reception of transient and permanent boarders.
The demand for increased and superior accommodations for the travelling public, suggested to the proprietors the plan of erecting a Hotel, which, for splendor and convenience, should be unrivalled in the Union. And while he has spared neither pains nor expense in the erection of this desirable object, he leaves the public to decide how far he has succeeded.
This House contains 150 apartments, conveniently arranged in suites, with particular attention to utility and all made in order, with particular attention to utility and all the convenience, as well as style and splendor. All the modern inventions have been made subservient to the traveller's ease and comfort, and an experience of 20 years has enabled the proprietor to introduce many improvements which, as yet, are peculiar to this House.
Located on the principal street, within three minutes walk of the great Southern and Western railroad depots, and the business section of the city, this establishment commends itself to the patronage of the business community.

Important to the Ladies.
MRS. DOW respectfully informs the Ladies of Pittsburgh and vicinity, that she has taken rooms at Verner's Temperance Hotel, near the Post Office, for the purpose of teaching a new system of Dress, cutting by a mathematical rule, entirely her own. It has no connection and but a slight resemblance to the imperfect affairs heretofore imposed upon the public of a similar nature. The most perfect satisfaction given, or no recompense required.
Any person, however inexperienced, can be taught in one day, not 'half an hour,' to fit in the most perfect and desirable style, and the experienced to much improve their style of fitting, and facilitating their business—call and test it. Mrs D has, also, in connection, several other branches, among which is that of making Artificial Flowers, coloring, cleansing and renovating Plumes and Feathers, etc. Terms liberal in the extreme. Please call and examine for yourselves.

THE ATHENÆUM.
THE pleasuring departments of this fine and extensive establishment, Liberty at head of Wood, are now open and ready to serve up to visitors, Ice Creams, Sweetmeats, Cake, Fruits, Cool Drinks, and all the various refreshments of the season.
The proprietors most respectfully invite the respectable citizens to call and see the Athenæum for themselves, as they are flattered that in all its different departments it cannot be surpassed, and certainly is the most pleasant resort in the city.
The BATH departments, both Ladies' and Gentlemen's, are unequalled for elegance, neatness, and comfort by any in the country; and the Ladies' Parlors will challenge a comparison for richness, neatness, and beauty, with those of any similar establishment to be found any where.
The great Saloon, with its ancient, chaste, and classic Fountain, is a place of the most striking curiosity.

BRADDOCK'S FIELD.
FOR SALE:—The valuable estate known by the name of Braddock's Field, situated in Wilkins township, Allegheny county Pa, 10 miles from Pittsburgh by the Monongahela river, and 9 by the Pennsylvania Rail Road; containing 273 acres and 29 perches. Two thirds of the tract is river bottom, and the whole may be cultivated.
There is on the premises a large brick mansion and other improvements, and several springs of excellent water. Situated on the Monongahela slackwater, as well as on the line of the great Pennsylvania Rail Road, at the point where the travel and trade from the Atlantic will first reach the steamboat navigation of the Western rivers. Surrounded by a most healthy and productive country, by inexhaustible supplies of the best and cheapest fuel, and having on the premises abundance of coal and limestone, this place is admirably suited for the site of a great manufacturing suburb.
The Pennsylvania Rail Road is located through it, passing south of the mansion house and through the battle ground, and is now under contract.
It is also on the first pool of the Monongahela slackwater and the Brownsville packets and other steamboats constantly touch at the landing on this estate. It is therefore the most easy of access of any property in our vicinity, and the best suited for country seats, or for the sites of mechanic's shops or great factories.
As the place is one of great renown, it has been visited by travellers from all parts of the Union; its topography, much studied, and its beauty appreciated. It is unnecessary here to give a more particular description of it. For terms enquire at the Merchants and Manufacturer's Bank, Pittsburgh. jy30dtf

MEDICAL.

PILES.
DR. INGOLDSBY'S Piles Specific, an internal remedy, a certain and radical cure, whether internal, external, bleeding or blind, also, for irritation of the kidneys and bladder, pains in the back and side, habitual costiveness, eruptions, &c.
Females before and after confinement are often troubled with constipation of the bowels or costiveness, as well as the piles. In all such cases the Specific can be taken with perfect safety, and is a certain remedy. The Specific is not a purgative, and is an entirely vegetable remedy, without a particle of gamboge, colocynce or aloes—pleasant to take and perfectly harmless in the most delicate cases.

This is to certify that I know Dr. Ingoldsby's File Specific, to be a certain cure and safe remedy. Having seen its effect, in several cases, amongst my family connexions, in several confirmed and severe cases of the piles, where it made an entire cure in every case. HENRY WHITEHEAD.
New York, May, 1845. 354 Sixth street.
I cheerfully give my testimony as to the certain and astonishing effects of Dr. Ingoldsby's Files Specific, as I know it from my own experience and observation, to be infallible; having seen it used with success in several cases of piles, male and female. GEO. MILLER.
New York, May, 1845. 364 Sixth street.

LADIES' CERTIFICATES.
New York, May, 1845.
Mr. Beals—Dear Sir—I have the pleasure to say, that your medicine, Dr. Ingoldsby's Files Specific, has made a perfect cure in the case of my sister, and I now give you my word that I have been surprised at it, as it was in my opinion impossible to cure her. However, I can now testify to the medicine as being infallible, and do advise all others who are afflicted in the like manner, to procure the article, as they may depend on a certain cure.
Yours with respect.
West Chester, N. Y., May 15, 1845.
Dr. Ingoldsby—Dear Sir—That you may benefit others who may be suffering, as well as to express my gratitude for the benefit I have derived from the use of your valuable Specific, I comply with your request, and now do give my testimony in favor of it, having been cured of a severe attack of the Piles after having used other remedies without success.
Yours with respect.

CONSUMPTION ARRESTED—To those afflicted with Diseases of the Lungs.
—This is to certify to those afflicted with the first premonitory symptoms of Consumption, that I have been laboring for several years with a bronchial soreness of the throat and hoarseness. I used many medicines, but found no relief in any preparation of medicine, until I made use of DR. DUNCAN'S EXPECTORANT REMEDY. I have been using this valuable medicine for several years, and always find it to relieve whenever I make use of it. My occupation as an Auctioneer, which keeps me almost constantly engaged, causes my disease, at times, to become very alarming, when at once procure this medicine. I therefore take pleasure in making this public statement, that others affected with a disease of the lungs and expectorant organs, may know the virtues of this "all healing remedy," and may be cured. I have recommended Dr. Duncan's Expectorant Remedy to many of my friends, some of whom owe their lives to this medicine.
Somerset, Ohio, Oct. 13, 1845. JAMES HEWIT
The proprietor of the above medicine would, also refer to the undersigned persons, who reside in Perry county, on whom any person may call upon and be convinced that there are virtues found in the above medicine that cannot be excelled:

DR. JAYNE'S FAMILY MEDICINES.—
It is our principle in the management of this paper to notice anything which we find out, from personal investigation, to be of utility to the public. Some of Dr. Jayne's medicines we have used in our family for many years. For instance the EXPECTORANT, the CARMINATIVE, and VERMIFUGE, which we know to be good for the complaints they profess to cure. We were on Lake Ontario the past summer, when several of our travelling companions, from having, in Western New York, drank, for many days, the limestone water of that region, were badly attacked with violent Diarrhea, and Dysentery. Mr. B. had provided himself, previous to leaving home, with "The Carminative of Dr. Jayne," and in all cases of its use, among five gentlemen, it was successful in effecting a speedy cure.
The Expectorant we have known used among our intimate friends with equal success; and we feel that we shall do a good act to families (especially those situated so they cannot have access to immediate medical aid) to say they cannot have to keep on hand both the Expectorant and Carminative. The Expectorant is believed by good physicians to be the best recipe for Pulmonary Consumptive Complaints, that has ever yet been compounded. The reason is, Dr. Jayne is not a quack, but a regular, scientific, and able medical practitioner himself. His medicines are used by the best physicians.

Consumptive's Consolation.
Does sickness weigh upon your heart?
Or pains afflict your breast?
Try Dr. Duncan's Healing Art,
And it will give you rest.

It clears away the misty cloud
Disease spreads o'er the soul,
And whispers through the gloomy shroud,
"Your health may yet be whole."

See yonder rose of lovely hue!
'Tis withering with decay
It scarcely sips the morning dew,
Before it fades away.

The Worm of Death was in the stem,
And strengthened as it grew—
And when it bloomed, (a lovely gem,)
It nipped through and through.

That Worm of Death might be defied,
If Dr. Duncan's art were tried;
And many [illegible] saved
The [illegible] grave.

DR. JAYNE'S CARMINATIVE BALSAM.
FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church:
The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

LADIES Who Use Common Prepared Chalk, are often not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides, it is injurious, containing a large quantity of lead. We have prepared a beautiful vegetable article, which we call JONES'S SPANISH LILY WHITE! It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white, at the same time acting as a cosmetic on the skin, making it soft and smooth.
Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analysing Jones's Spanish Lily White, I find it possesses the most beautiful and natural, at the same time innocent white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying."
