The Post.

Middleburg, Jan'y. 20, 1876.

J. CROUSE, Editor & Proprietor.

THE National Republican Convention will be held at Cincinnati on the 14th of June next.

THE debt of Pennsylvania, after deducting the assets of the sinking fund, amounts to $13,766,584.89.

THE House post office committee reported a bill last week repealing Hamlin's amendment to the postal appropriation bill.

THE Auditor General's Report, with the "Compliments of J. T. Temple," is on our table, for which he will accept our thanks.

AN act to protect the children of this Commonwealth in their rights to acquire useful trades was introduced in the Senate on Friday.

ELIZA BENSON has recovered damages from the Philadelphia and Reading Railroad Company to the amount of $4,250 for taking her beyond the station to which she desired to go.

IT is estimated that the falling off in the number of hogs packed thus far this season, as compared with last year, is 750,000, but later returns may reduce these figures. There is also a decrease in weights.

AN act extending the exemption law to include a homestead of the value of $1,000, wearing apparel, furniture, tools and implements, materials of trade, libraries and cemetery lots, was introduced in the State Senate last week.

MR. MCPHERSON, during the twelve years he was Clerk of the House, disbursed over six millions of dollars When he had a final settlement a few days ago the Treasury accounts showed one dollar and seventy-six cents to his credit more than was shown by his own accounts.

THE New Hampshire correspondent of the New York *Times*, reviewing the political situation in that State says: "Though the contest will be close, the Republicans are likely to be well united this year, and will work with zeal and enthusiasm, inspired by a very strong hope of complete success. They are in far better trim than they have been for the last two years."

PENNSYLVANIA has been under Republican administration several years, and New York under Democratic control. The total cost of our State Government, including about one and a half millions paid on the public debt, was a trifle over $6,000,000 last year. That of New York was about $16,000,000, and Tilden thinks it ought to be reduced to $8,000,000. Yet New York should cost no more for its government than Pennsylvania.—*Pittsburg Gazette.*

TURNING wounded Union soldiers out of office to make room for ex-Confederates, may be fully up to the "true reform" promised by Democracy, but it will fall far short of the reform that will satisfy the country. It is bad enough to appoint ex Confederate soldiers and leading rebels to office while tens of thousands of brave fellows can be found who served the nation in its hour of peril, and who stand in need of some employment that will yield them fair pay for honest services, but it is far worse to turn out one-legged and one-armed heroes from positions conferred by a grateful country to make room for the former enemies of the Republic. If this is the policy of Democracy, the people will effectually squelch it when it presents itself at the ballot-box at next election.

A CORRESPONDENT of the Philadelphia *Times* writes from Wilkes-Barre that at least three-fourths of the men engaged in mining anthracite coal will be out of employment for the next two months, and perhaps longer. The Schuylkill region shut down on the 13th inst., throwing about 15,000 men out of work and depriving from 35,000 to 40,000 people of their means of subsistance. Much suffering already prevails in that county, the men not yet having recovered from the effects of the strike of last spring, and storekeepers being in no condition to advance credits. The lawlessness which prevails in that region is largely due to the suffering that exists among a class of men who are peaceably enough disposed when at work, but who now have nothing to do but drink bad whiskey and prowl about in search of plunder.

THE fourth of March, 1877, when the next President should be inaugurated, will come on Sunday, and the United States will, doubtless, be without a President for a day. President Grant's term ends on the forth of March, for the act of Congress provides that the Presidential term "shall in all cases commence on the fourth day of March," and the Constitution prvides that the President "shall hold his office during the term of four years." In 1849, the fourth of March came on Sunday, and President Taylor was inaugurated on Monday, the 5th. In 1877, the new President will, of course, be inaugurated, on Monday, the 5th, but in case of war, or any supreme necessity calling for Presidential action, the elect could be qualified on Sunday by the Chief Justice, and be formerly inaugurated the succeeding day. President Johnson was qualified in his room at the Kirkwood House, in presence of only two or three persons.

THE EGG QUESTION.—Hon. John Welsh, of the Centennial Board of Finance, was visited lately by a large delegation of poultry dealers from Boston, Buffalo, and New York city, with a request that the board would erect on the Centennial grounds a building covering at least five acres, for poultry exhibitors. The party proposed in case of the building being erected to pay all the expenses of conducting the Poultry Exhibition Hall. A gentleman from New York wishing to give Mr. Welsh his idea of the importance of the proposed exhibition, said that in that city over $8,000,000 worth of eggs are consumed annually. It is probable that the board will endeavor, so far as practicable, to meet the wishes of the intending exhibitors.

☞ Scarlet fever is raging with great violence in Reading, as many as fifty new cases having been reported in one day last week.

☞ Over three hundred soldiers have been frozen to death near Douza, Turkey, and many more are in the hospitals from frost bite.

☞ The Peaks of Otter, near Lynchburg, Va., long supposed to be an extinct volcano, have recently given unmistakable evidence of action.

☞ Charles R. Beckwith, a clerk lately in the employ of Benj. T. Babbitt, soap manufacturer, New York, has been arrested on the charge of embezzlement and forgery to the amount of between $300,000 and $500,000.

☞ In Scranton, last week, John Lloyd, a boy of thirteen, shot his sister-in-law, Mrs. David Lloyd, with a shot gun, wounding her very seriously, and then escaped. The woman's offense was scolding the boy for neglecting his work.

☞ Josh. Clarh, a veteran engineer on the Western division of the Erie road, recently ran his engine 1,750 miles, putting in sixteen and a half days' time, in a single week, and drew therefor $66 pay. This is said to be the biggest locomotive feat on record.

WASHINGTON, Jan. 16.—It is said that when the State of Mississippi is called in the House to-morrow, Mr. Lynch of that State will introduce an Amnesty bill, and an opportunity will be offered to vote on the question direct whether Jefferson Davis shall be excluded from its provisions.

☞ Wolves are killing sheep in large numbers in localities in Clearfield county in which the beasts have not been seen for fifteen years. An old resident says he has heard wolf music for fifty years but has never heard as much as this winter. Some farmers have lost as high as twenty sheep in one night.

☞ While George Sebold, of Cambria county, was in the act of putting up a target at a shooting match a rifle in the hands of a marksman accidentally went off, and the ball sped through the right lung of Sebold and lodged under the arm. The injuries produced are serious but not necessarily fatal.

VALENTINE WALTER.
Jan. 6, 1876.

THIS WILL NOTIFY THE PUBLIC

of our intention to put NEW and LOWER PRICES on much of our Stock.

THE YEAR'S CLOSING OUT SALE WILL COMMENCE AT HALF-PAST SIX O'CLOCK, EACH WEEK-DAY MORNING, AND CONTINUE UNTIL OUR FALL AND WINTER STOCK IS SOLD.

THE MAIN FACT IS:

We have made up TOO MANY OVERCOATS and SUITS for this year, and to transfer our Stock into Cash needed for preparation for 1876, we will make *certain sacrifices* which will be apparent ON AND AFTER WEDNESDAY, DECEMBER FIRST, when we shall have gone through our Salesrooms and cut off Profits, and even a part of the cost, from many of our present prices.

To be very exact in stating this matter, as we do not intend that any advertisement or custom of our house shall mislead the public in the least particular, we think it proper to say, that this Mark Down, whilst it applies to

A THOUSAND AND MORE OVERCOATS,
A THOUSAND AND MORE BUSINESS COATS,
HUNDREDS OF DRESS COATS,
SEVERAL THOUSAND VESTS,
SEVERAL THOUSAND PAIRS OF PANTS,

and extends throughout our house, yet there are some lots in which (as they have already been marked at close prices,) we shall make no change.

WE DESIRE TO ANNOUNCE THAT THIS IS

OUR FINAL AND ONLY MARK DOWN THIS SEASON,

SO THAT NONE NEED WAIT FOR LOWER PRICES.

THE STEP WE TAKE WILL WONDERFULLY AID THOSE WHO FEEL LIKE ECONOMIZING.

THE TERMS OF THE SALE ARE THE USUAL TERMS OF OUR HOUSE:

1.—No Second or Altered Prices—ONE FIXED PRICE.

2.—Cash from All, to warrant Low Prices.

3.—The Contract on our part, to *return money*, is a part of the bargain in each case (provided goods are returned unworn.)

4.—A *Full Guarantee* given for each garment.

The Stock we offer is all NEW, and is not "BOUGHT" or "WHOLESALE" stock, but our own

CAREFULLY MADE CLOTHING.

It will be remembered that our stock always embraces the CHOICEST STYLES of SUBSTANTIAL GOODS, and that EVERY SIZE and SHAPE is provided for both MEN and BOYS. It will also be borne in mind that there is but ONE OAK HALL, and THAT IS AT THE CORNER OF

SIXTH—SIXTH—SIXTH—SIXTH—SIXTH

This is to certify that my property destroyed by fire on the 31st of May, was insured in the Watertown, Fire Insurance Co., by W. H. Smith, of Adamsburg, and paid by the same within 30 days from date of adjustment, although in such a shape that the Co. might have refused. THE WEEKLY SUN.

1876. NEW YORK. 1876.

Eighteen hundred and seventy-six is the Centennial year. It is also the year in which an Opposition House of Representatives, the first since the war, will be in power at Washington; and the year of the twenty-third election of a President of the United States. All of these events are sure to be of great interest and importance, especially the two latter; and all of them and everything connected with them will be fully and freshly reported and expounded in THE SUN.

The Opposition House of Representatives taking up the line of inquiry opened years ago by THE SUN, will sternly and diligently investigate the corruptions and misdeeds of GRANT'S administration; and will, it is to be hoped, lay the foundation for a new and better period in our national history. Of all this THE SUN will contain complete and accurate accounts, furnishing its readers with early and trustworthy information upon those absorbing topics.

The twenty-third Presidential election, with the preparations for it, will be memorable as deciding upon GRANT'S aspirations for a third term of power and plunder, and still more deciding who shall be the candidate of the party of Reform, and as electing that candidate. Concerning all these subjects, those who read THE SUN will have the constant means of being thoroughly well informed.

THE WEEKLY SUN, which has attained a circulation of over eighty thousand copies, already has its readers in every State and Territory, and we trust that the year 1876 will see their numbers doubled. It will continue to be a thorough newspaper. All the general news of the day will be found in it, condensed when unimportant, at full length when of moment, and always, we trust, treated in a clear, interesting and instructive manner.

It is our aim to make the WEEKLY SUN the best family newspaper in the world, and we shall continue to give in it a large amount of miscellaneous reading, such as stories, tales, poems, scientific intelligence and agricultural information, for which we are not able to make room in our daily edition. The agricultural department especially is one of its prominent features. The fashions are there regularly reported in its columns; and so are the markets of every kind.

THE WEEKLY SUN, eight pages with fifty-six broad columns is only $1.20 a year, postage prepaid. At this price barely repays the cost of the paper no discount can be made from this rate to clubs, agents, Postmasters, or anyone.

THE DAILY SUN, a large four-page newspaper of twenty-eight columns, gives all the news for two cents a copy. Subscription, postage prepaid, one month $0.60, a year, $6.50. SUNDAY edition extra, $1.10 per year. We have no agents.
