PATENT PRESS BRICK MACHINE. THE subscribers having obtained a patent, May 16 1846, for a Press Brick Machine, and having since then thoroughly tested its ability, are now prepared to sell rights and contract to deliver machines to any part of the United States. The machine is designed to make Brick from crude clay, and will make 30,000 good smooth firm brick per day, sufficiently hard to stack up in the kiln; thus avoiding the expense and labor of preparing the clay, drying and handling the brick after being moulded. It is simple, strong, not liable to get out of repair, and is constructed that it can be taken to pieces and put together with great facility, thus rendering it portable. We are now building machines, and can furnish them on short notice. For a full description we would refer to a machine now in successful operation at Mill creek bottom, near the West end of Eighth street, where we shall be happy to explain everything connected with it to all who may call. We have at present no authorized Agent. All letters to our address will be promptly attended to. CULBERTSON, McMILLEN & Co., sep23tf CINCINNATI.

RAISING BLOOD And Consumption, Pain in the Side and Night Sweats, Asthma, Whooping Cough, Palpitation of the Heart, Liver Complaint, Bronchitis, and all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balsam. *Raising Blood and Consumption.* MR. MILNE, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians, but they did him no good, and told him he COULD NOT LIVE. Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 139 Fulton-st., and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had SAVED HIS LIFE. His danger, residing at 127 Myrtle Avenue, can attest it. Miss Ann Heaton, of Williamsburgh, living in Tenth near South Fourth-st, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam, which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher, 14 YEARS. Mr. John O'Neal, 10th avenue and 21st st, suffered with a cough, raising of phlegm and pain in his side. He could get NO RELIEF till he tried the All-Healing Balsam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface and before he had taken three bottles he was entirely cured. *Pleurisy and Consumption.* Mrs. Baggs, a lady upwards of 70, residing 99 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her PAST RECOVERY. The All-Healing Balsam relieved her at once of all her alarming symptoms, and she is now able to attend to her work. *Asthma and Whooping Cough.* Mrs. Lucretia Wells, 96 Christie-st; L S Beals, 19 Delancey-st, Wm H Young, 75 Walnut-st, know the value of this great remedy. Ask for Sherman's All-Healing Balsam, and see that his written signature is on each bottle. Price 25 cents and $1 per bottle. Dr. Sherman's Worm and Cough Lozenges sold as above. Principal Office 106 Nassau-st., N. Y. Sold wholesale and retail by Wm. Jackson, at his Patent Medicine Warehouse and Boot and Shoe Store, No 89 Liberty street, head of Wood street, Pittsburgh. THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA—The Portland (Me) Advertiser says:—"This remedy has been more successful than any medicine we have ever known for its numerous cures in Consumption, Spitting Blood, pain in the Side and Breast, Bronchitis, Asthma, Obstinate Coughs, Hoarseness, Sore Throat, Palpitation of the Heart, Whooping Cough, Croup, Nervous Tremors, &c. Individuals of the highest respectability in this city bear ample testimony to its power and efficacy in this class of diseases." Among the testimonials to the value of the above medicine, are several from distinguished physicians of Philadelphia. Read the following from Dr. Young, the eminent oculist. PHILADELPHIA, Jan. 18, 1847. Having used in my practice, as well as in my own family, Thompson's Compound Syrup of Tar and Wood Naphtha, I have no hesitation in saying that it is the best preparation of the kind in use, for persons suffering from Consumption, Coughs, Colds, and all affections of the Throat, Breast, &c, so prevalent at this season of the year. WM. YOUNG, M. D., 152 Spruce st. We have seen within a few days the person who gave the following certificate. He remains well, being perfectly cured of his disease: PHILADELPHIA, January 5, 1847. From a sense of gratitude, and a doubt that the afflicted may have resource to a truly invaluable medicine, I would state that the benefit I have experienced from the use of Thompson's Compound Syrup of Tar and Wood Naphtha. For several years I have been afflicted with a distressing racking cough, accompanied with great oppression and difficulty of breathing, with a sensation of tightness at the chest. Becoming greatly alarmed, a friend who had been much benefitted by this medicine, recommended me to try it, I did so, and in a very short time every alarming symptom disappeared; my expectoration became free, all oppression left me, my cough ceased, and in a few days I was able to go out and attend to my business a well man. Any further information will be cheerfully given the afflicted, by calling at my residence, No. 193 S. Front st. JOS. McMANAMY. This invaluable medicine is prepared only by ANGNEY & DICKSON, at NE corner of Fifth and Spruce sts, Philadelphia. Sold in Pittsburgh by L WILCOX, Jr. Price 50 cents or $1 per bottle. CAUTION—Beware of the many counterfeits that are now afloat. The unscrupulous are ever ready to deceive the unwary. s25d6m

THE MOST ASTOUNDING DISCOVERY—A Blessing! A Miracle!! A Wonder!!!—To cure Eruptions and Disfigurements of the Skin, Pimples, Freckles, Sunburn, Salt Rheum, Scurvy, Sore Heads, &c. &c. Four years ago last August, the capital of France was astonished in consequence of a discovery made by an Italian Chemist. Many doubted—it seemed almost an impossibility that anything made by the hand of man, could have such singular powers as that claimed by Antonio Vesprini for his invention. Many classed him and his invention as a humbug, (and alas! many foolish persons without trying do the same now,) at length, after testing it in the hospitals, the Medical Society of Paris [the best chemists in the world] delivered the following report to Signor Vesprini: "We have now minutely and carefully examined the singular invention of Vesprini. We have analyzed its component parts—we have used it in several cases, and we hesitate not to pronounce it (the Italian Chemical Soap) as a great blessing, and a truly wonderful remedy for any cutaneous eruption or disfigurement of the skin. Its inventor we consider a true philanthropist of suffering mankind. (Signed) LEOPOLD DUPREY. President"

READ THIS From the inventor himself to the present Proprietor. PARIS, Nov. 4, 1840. In consideration of the sum of $3,000, I have divulged to Mr. T. Jones, residing in the city of New York, N. A., the whole process of manufacturing, together with a statement of the ingredients composing my Italian Chemical Soap. He is to manufacture it for sale in the United States only, and to have the privilege of naming it "Jones' Italian Chemical Soap." Witness: Henry J. Holdsworth. (Signed) ANTONIA VESPRINI ☞ Sold by W JACKSON, at his Patent Medicine Warehouse, 89 Liberty street, head of Wood, at the sign of the Big Boot. A GREAT CURE, performed by the original and only true and genuine Liver Pill, prepared and sold by R E SELLERS. MORRIS' FACTORY, Westmoreland Co, Pa., July 19th, 1847. *Mr. R. E. Sellers:*—A sense of duty to you and the afflicted induces me to add my humble testimony in favor of your justly celebrated Liver Pills. I have delayed doing so for years, adhering to Davy Crockett's maxim, "be sure you are right, then go ahead." Most of the many preparations of empirics and quacks, lauded to the skies, I have sunk into oblivion since your Liver Pills have been offered to the public; and I believe they will "survive them all," as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth; have suffered much; employed many eminent physicians, to whom I paid much money; have lost much blood; been vomited and physicked almost to death; salivated 5 or 6 times, and finally given up as incurable. In 1830-'1 I was induced to try your Liver Pills, and SOON GOT WELL. One box of which does sufficient to keep me clear of pain in the side and all the other symptoms for at least 12 months. Your Pills are also the best cathartic I ever used: being mild, not griping or giving much sickness at the stomach, but give me much relief. I have kept them in my store for 6 or 7 years; sold hundreds of boxes, and have never heard a single complaint uttered by any one who has used them. They have superceded almost every other pill in this neighborhood, and in a short time will banish them all. I earnestly recommend them to all persons needing physic, whether for Liver Complaint or Billious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours, J L MORRIS. CAUTION—As there are other Pills before the public CALLED Liver Pills, persons who want the GENUINE should ask for and take no other than those prepared and sold by R E SELLERS, No 57 Wood-st between Third and Fourth streets. Sold by Dr. Cassel, Fifth Ward, D M Curry, Allegheny city. ag5

DR. JAYNE'S ALTERATIVE. We have been informed by Mrs. Rose of a cure performed on her by **Dr. Jayne's Alterative,** which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulceration and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat Eve. Post. For further information, inquire of Mrs. Rose, No. 139 Filbert st, Philadelphia. For sale in Pittsburgh, at the PEKIN TEA STORE, 72 Fourth st. near Wood. jy5

No Cure, No Pay! *Dr. Jackson's Pile Embrocation Never Fails!* THERE are few diseases more common or troublesome than the Piles, and yet, notwithstanding great efforts have been made to cure by the use of pills, electuaries, liniments, &c., all were futile, and of little benefit. Now the Embrocation is the only medicine used. A person who has been suffering with the Piles of the worst kind came from Salem, New Jersey, almost on purpose to express his gratitude for the speedy cure that this medicine had effected in his case.—Phila. Pork Packing at Beardstown! THE Pork Packing season is fast approaching. I shall be prepared to pack pork and slaughter Hogs as usual, on good terms—barrels, kegs and salt furnished if desired, at the lowest market price. It is well known to pork buyers the advantage of packing at this point—the number of Hogs belonging to the point will increase to this season, and the finest quality, owing to the immense corn crops in this section, the Hogs will be very large and fat. Buyers who intend packing in the west would do well to call at this point before looking elsewhere. I shall also pack on commission for Farmers or Drovers, or if any of them wish to pack on their own account I will accommodate them with every requisite. There ought to be 25,000 Hogs packed at this point this winter, as the greater portion of the Hogs will be too large and fat to drive any distance, only at too great a sacrifice to the owner. I shall be prepared to pack any quantity, and recommend buyers to be in the field in due time, and make arrangements for packing before our river closes for winter. JOHN B TAYLOR. Beardstown, October 13, 1847.
