PITTSBURGH BOARD OF TRADE.
COMMITTEE FOR DECEMBER.
JOSHUA HANNA. W. H. MURPHY. JAS. MAY.

OFFICE PITTSBURGH GAZETTE, Monday Morning, December 20.

The market, on Saturday, was steady, but not active; and presented no material change in the prices from our last report.

COTTON AND SUGAR.—It is estimated that the Cotton crop of the South, this year, will foot up the handsome sum of 2,175,000 bales, and the estimate is believed to be nearly correct.

It is also estimated that the Sugar crop of the present year will amount to 250,000 hhds, against 120,000 last year. The new crop Sugar, as far as received, proves to be of as good quality as that received last year two months later.

To Steamboat Men and Others—Connell's Magical Pain Extractor—It is now conceded by the best men that Connell's magical Pain Extractor, manufactured by Comstock & Co., 21 Courtland st, N. Y., is the greatest wonder of the 19th century. Its effects are truly miraculous. All pains are removed from burns, scalds, &c. and all inflammation in a few minutes after its application, healing the same on the most delicate skin, leaving no scar. It is equally beneficial in all kinds of inflammatory diseases, such as Sore Nipples and Eyes, Sprains, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Biles, Tic Doloreaux, &c. We might add as proof to all we say, the names of many eminent physicians who use it in their practice, and hundreds of the clergy who praise it to their people. Kind parent keep it constantly on hand, in cases of accident by fire, life may be lost without it, but by its use all burns are subject to its control, unless the vitals are destroyed. Caution—Remember and ask for Connell's Magical Pain Extractor, manufactured by Comstock & Co., N. Y., and no other.
Sold by WM. JACKSON, Agent for Pittsburgh, 89 Liberty st, head of wood. nv19d&w6mT

The Climate—Is strangely destructive to the human cuticle, (or skin,) the sudden change from heat to cold, and the smoke causes Yellow, Dark, Coarse Complexions. Then it is requisite that the pores of the skin should be kept open—that their mouths should be freed from impurity—(was thus the Ancient Roman Philosophers cured all diseases)—they computed that more diseases was caused by the stoppage of the pores of the skin, than any other outlet of the body. It is necessary, therefore, to keep the pores open—all humors are dispelled from the skin through the pores, which they wash with Jones' Italian Chemical Soap. I have seen it cure the worst and oldest cases of Salt Rheum, Erysipelas, Old Sores, Barber's Itch, Sore Head Ringworm, when every other internal and external remedy had failed—its effect rendering the skin white, clear and soft, though it be yellow and coarse, is wonderful—it removes Freckles, Tan, Sunburn, Morphew, and disfigurement of the skin—but persons must be particular and ask for Jones' Soap—to be had at WM. JACKSON'S, only agent, at the Big Boot, 89 Liberty st. Price 50 cents. nv19d&wly

Balm of Columbia—Hair Tonic—To the Bald and Grey—If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness it will more than exceed your expectations. Many who have lost their hair for 20 years have had it restored to its original perfection by the use of this balm. Age, state or condition appear to be no obstacle whatever, it also causes the fluid to flow with which the delicate hair tube is filled, by which means thousands (whose hair was grey as the Asiatic Eagle) have had their hair restored to its natural color by the use of this invaluable remedy. In all cases of fever it will be found the most pleasant wash that can be used. A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume for the toilet it is unequalled; it holds three times as much as other miscalled hair restoratives and is more effectual. The genuine manufactured by Comstock & Co, 21 Courtland st, New York.
Sold in Pittsburgh, only genuine, by WM JACKSON, 89 Liberty st, head of Wood; in Washington, Pa, by Sweeny & Son; in Brownsville, by Bennett & Crocker; in Cannonsburgh, by Dr. Vouch also, by our agents in every town in Pa, Ohio and Md. nv19d&w6mT

No Cure! No Pay! Piles! Piles!—Dr Jackson's Embrocation is the only medicine that will cure this so very common and troublesome disease. It not only immediately allays pain and inflammation, stops all bleeding, subdues that intolerable itching, but effectually cures, in a very short time persons whose lives have been rendered miserable for years.—Its application produces no pain, but rather an agreeable and pleasant sensation. If persons afflicted will call and hear of the great number of cases that have been cured, they will be astonished. A gentleman of this city, who had been under the knife of the surgeon for two or three times without being cured, has by using 2 bottles of the Embrocation, been eradically cured. It sells beyond precedent!!—[Phil. Saturday Courier.
For sale in Pittsburgh at the PEKIN TEA STORE, 72 Fourth street, near wood, and also at the Drug Store of H P Schwartz, Federal st Allegheny city. s14d&w

To the Editors of the Pittsburgh Gazette.

We take pleasure in recommending to the citizens of Pittsburgh, the name of JOHN LAUGHLIN for the Mayoralty. He is a gentleman in every way qualified to fill the office—mild, gentlemanly, and temperate; and at the same time inflexible when duty requires.

As a popular business man, he could have no higher recommendation than the fact of his being sent to the City Council from a ward that has in general given the opposition a majority.

Mr. Laughlin has also been, for the last nine years, on the different Committees of Streets, wooden buildings, assessments and appeals; the labor and time consumed in the same has been very great, and justly entitles him to the regard and influence of the Whig party.

Salter's Ginseng Panacea.—MEDICAL TESTIMONY.—We beg leave to call public attention to the following, from Dr. Wm. Doan, of Withamsville Clermont Co., and one of the very first practitioners in the county in which he resides, and late Senator in the State Legislature. It is cheering thus to see the leading men of the profession, bursting the bonds of professional prejudice, and giving merit its due:
"Sir: I have in my practice been using some of your Ginseng Panacea, and, so far, am well pleased in its effects in Catarrhal and Bronchial Complaints. Please send me half a dozen bottles—put them as low as you can; as I expect if it continues to render as general satisfaction as it has heretofore, to keep it constantly on hand. Respectfully. WM. DOAN, M. D. ap17

Grand Tower Iron Ore.

THE subscriber offers for sale 200 acres of land in the immediate neighborhood of the Grand Tower, on the Mississippi river, Perry county, Mo. The ore is the brown hermetite, (or, as Dr King calls it, the hydrated brown oxide.) It has all been entered since the fourth day of July last, expressly to secure the ore. The whole lies from a half to one and a half miles from the river bank, and a good rock shore landing. The quantity is supposed to be immense. Samples of the ore may be seen at the Missouri Hotel—also, a diagram of the entries. I will sell the whole together, or in lots to suit purchasers. If sold together, I should have no objection to take an interest in the manufacture of the ore, provided it shall be conducted by practical men. Timber for charcoal is abundant. A further description is deemed unnecessary, inasmuch as I presume no person would wish to purchase without first having examined the premises. It lies from 2 to 3 miles north of the tract I sold to the St Louis and Birmingham Iron manufacturing company, last June. de7-2w JOHN SCUDDER

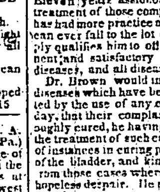
MEDICAL.

SALTER'S GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the GINSENG PANACEA in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this WONDERFUL PREPARATION.
The changeable weather which marks our fall and winter months, is always a fruitful source of COLDS AND COUGHS.
These, if neglected, are but the precursors of that fell destroyer, CONSUMPTION.
The question, then, How shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.
THE GREAT AND ONLY REMEDY will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experience its curative powers. These, with a mass of testimony, from all parts of the country,—from MEDICAL MEN OF THE FIRST STANDING, Ministers of the Gospel, &c., together with copious notices from the JOURNALS OF THE DAY, we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country. HUNDREDS OF BOTTLES have been used in this city. THOUSANDS AND TENS OF THOUSANDS throughout the United States and Canada, and we challenge any man to point out a SINGLE INSTANCE in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to EFFECT A PERFECT CURE.
Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals under the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of UNPARALLELED EFFICACY is to be had, whose vouchers are at home,—our neighbors,—many of whom it has SNATCHED FROM THE GRAVE.
In order that this invaluable medicine may be placed within the reach of the poor as well as the rich, we have put the price at ONLY FIFTY CENTS, just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it. T SALTER, Proprietor, Broadway, Cincinnati, Ohio.

MEDICAL AND SURGICAL OFFICE.



No. 65 DIAMOND ALLEY, a few doors below Wood street, towards the market.
DR. BROWN, Having been regularly educated to the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints for which his opportunities and experience peculiarly qualify him.—Eleven years assiduously devoted to the study and treatment of those complaints, (during which time he has had more practice and has cured more patients than can ever fall to the lot of any private practitioner) amply qualifies him to offer assurances of speedy, permanent and satisfactory cure to all afflicted with delicate diseases, and all diseases arising therefrom.
Dr. Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured, he having given his careful attention to the treatment of such cases, and succeeded in hundreds of instances in curing persons of inflammation of the neck of the bladder, and kindred diseases, which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, when every satisfaction will be given them, and their cases treated in a careful, thorough and intelligent manner, pointed out by long experience, study and investigation, which it is impossible for those engaged in general practice of medicine to give any one class of disease.
Hernia or Rupture—Dr. Brown also invites persons afflicted with Hernia to call, as he has paid particular attention this disease.
Skin Diseases; also Piles, Palsy, etc., speedily cured Charges very low.
N. B.—Patients of either sex living at a distance by stating their disease in writing, giving all the symptoms, can obtain medicines with directions for use, by addressing T BROWN, M. D. post paid and enclosing a fee.
Office No. 65 Diamond alley, opposite the Waverly House.
No cure, no pay! de19

ASTHMA, OR DIFFICULTY OF BREATHING.—This disease is caused by a paroxysmal contraction of the air cells; it is very debilitating, almost causing suffocation. DR. SWEETSER'S PANACEA is the only certain cure.
Hoarseness can be entirely cured by a free use of Dr Sweetser's Panacea.
Catarrh, or common cold, which, if neglected, will terminate in consumption, is effectually relieved and cured by Dr Sweetser's Panacea.
Bronchitis, if unchecked, will effectually lead to Bronchial Consumption, but a timely use of Dr Sweetser's Panacea will effectually cure it.
Inflammation of the Tonsils or Sore Throat.—This disease often leads to serious consequences from neglect, such as ulceration of the throat. On the first symptoms, Dr Sweetser's Panacea should be procured and used freely.
Coughs and Colds find a sovereign remedy in Dr Sweetser's Panacea.
Pneumonia Notha.—A very fatal disease, resulting from a violent cough and cold on a debilitated or broken down constitution; aged persons are subject to it. Dr Sweetser's Panacea should be used on the first symptoms, which are a cough or cold.
Night Sweats.—This debilitating complaint will meet with a timely check, by using Dr Sweetser's Panacea.
Consumption.—If on the first appearance of consumptive symptoms, which are a pain in the side and breast, cough or spitting of blood, Dr Sweetser's Panacea is freely used, no danger need be apprehended.
When the Lungs, the Windpipe, or the Bronchial Tubes become clogged up with phlegm so as to impede respiration or breathing, Dr Sweetser's Panacea, which is a powerful Expectorant, should be taken according to the directions.
Influenza.—This distressing epidemic, so prevalent in our climate speedily cured by Dr Sweetser's Panacea.
Price $1 per bottle, or six bottles for $5.

CONSUMPTION ARRESTED—To those afflicted with Diseases of the Lungs.—This is to certify to those afflicted with the first premonitory symptoms of Consumption, that I have been laboring for several years with a bronchial, soreness of the throat and hoarseness. I used many medicines, but found no relief in any preparation of medicine, until I made use of DR. DUNCAN'S EXPECTORANT REMEDY. I have been using this valuable medicine for several years, and always find it to relieve whenever I make use of it. My occupation as an Auctioneer, which keeps me almost constantly engaged, causes my disease, at times, to become very alarming, when at once procure this medicine. I therefore take pleasure in making this public statement, that others affected with a disease of the lungs and expectorant organs may know the virtues of this 'all healing remedy,' and may be cured. I have recommended Dr. Duncan's Expectorant Remedy to many of my friends, some of whom owe their lives to this medicine. JAMES HEWIT
Somerset, Ohio, Oct. 13, 1845.
The proprietor of the above medicine would, also refer to the undersigned persons, who reside in Perry county, on whom any person may call upon and be convinced that there are virtues found in the above medicine that cannot be excelled:
David Culbertson, Somerset; Dr. B. Stone, do; Francis Gollher, Jackson tp; Mr. Larimer, do; Geo. Polbert, Saldick tp; Jerrod Davisen, Hopewell tp.

DR. JAYNE'S FAMILY MEDICINES.—It is our principle, in the management of this paper to notice anything which we find out, from personal investigation, to be of utility to the public. Some of Dr. Jayne's medicines we have used in our family for many years. For instance the EXPECTORANT, the CARMINATIVE, and VERMIFUGE, which we know to be good for the complaints they profess to cure. We were on Lake Ontario the past summer, when several of our travelling companions, from having, in Western New York, drank, for many days, the limestone water of that region, were badly attacked with violent Diarrhoea, and Dysentery—Mr. B. had provided himself, previous to leaving home, with "The Carminative of Dr Jayne," and in all cases of its use, among five gentlemen, it was successful in effecting a speedy cure.
The Expectorant we have known used among our intimate friends with equal success; and we feel that we shall do a good act to families (especially those situated so they cannot have access to immediate medical skill,) to advise them to keep on hand both the Expectorant and Carminative. The Expectorant is believed by good physicians to be the best recipe for Pulmonary Consumptive Complaints, that has ever yet been compounded. The reason is, Dr. Jayne is not a quack, but a regular, scientific, and able medical practitioner himself. His medicines are used by the best physicians. EZRA HOLDEN Editor of the Phil. Consumptives Consolation.

Does sickness weigh upon your heart?
Or pains afflict your breast?
Try *Dr. Duncan's Healing Art*,
And it will give you rest.

It clears away the misty cloud
Disease spreads o'er the soul,
And whispers through the gloomy shroud,
"Your health may yet be whole."

See yonder rose of lovely hue!
'Tis withering with decay
It scarcely sips the morning dew,
Before it fades away.

The Worm of Death was in the stem
And strengthened as it grew—
And when it bloomed, (a lovely gem,)
It nipped through and through.

That Worm of Death might be defied,
If Dr. Duncan's art were tried;
And many lovely damsels saved
The fate of an untimely grave.

PEACE! PEACE!! NOT IN MEXICO, But in Every Mother's Homestead.

THE undersigned has long been convinced of the necessity for some medicine adapted to the use of Children and Infants to supercede the use of all those medicines which contain opium, and has at length succeeded in preparing and offering to the public a medicine fully answering every purpose for all diseases of the bowels, without the use of that deleterious drug, or any other calculated to injure in the least. The Infant Panacea has been fully tested and tried; the last twelve months, by numerous persons, and found to possess all the extraordinary virtues, and to produce all the astonishing effects as set forth on the bill of direction. Diarrhoea, Vomiting, Choleric, Griping Pains, Sickness, and Diseases arising from Teething, acting immediately without disturbing any of the functions of the body, producing the happiest and most pleasant transition from violent pain to a tranquil and joyous state of feeling in the little sufferer.
To be had wholesale and retail of the Proprietor, Dr. JOHN SARGANT, Druggist and Apothecary; John Mitchell, Elliott & Beckham, and most other Druggists in Allegheny and Pittsburgh. dc13

DR. B. W. MORRIS, Hydropathist, would respectfully inform his friends and the citizens of Pittsburgh and Allegheny, that he has decided to remain in the city during the winter, and is prepared to treat patients, placing themselves under his care, according to the system as practised at all Water Cure Establishments; for either Acute or Chronic diseases. Those wishing to avail themselves of his services will call at Mr. MILLER'S, corner of Liberty st. and Evans alley.—Dr. M. has treated several severe cases of disease in this city with great success, to which he is permitted to refer. nv2
