Valuable Farm for Sale.

THE subscriber offers for sale the valuable Farm and Hotel, lately owned and occupied by Calvin Summers, deceased, and long known as the

"Summers Place."

Said Farm is situated in the pleasant village of Summersville, in the township of New Milford, Susquehanna county, Pa., directly on the line of the Delaware, Lackawanna and Western Railroad, four miles from its junction with the New York and Erie, at Great Bend, and one a half mile from the Depot, at New Milford. It contains about **240** acres, 160 acres improved, 60 acres woodland. It is well watered, has a lasting stream running through, and a never-failing supply of water conveyed in lead pipes to the house, barns, and cattle-yards. It is well fenced and under good cultivation, is well adapted to growing grain, and is peculiarly fitted for growing stock, and is one of the best dairy farms in the county. It has upon it two orchards of choice grafted fruit trees, a large and convenient dwelling, now occupied as a hotel; two large horse and carriage barns; one large barn with two cattle yards; ample sheds and all the arrangements for feeding stock; three small hay and grain barns; ice house, brick smoke house, large corn house, and all other out-buildings necessary on a large farm. It will be sold low, and terms of payment made easy. For information address

To the Public!

SOME Merchants publish a few low prices, or the prices of a few low priced articles, as an inducement to persons to make their purchases of them, under the presumption that every thing is equally low. Without occupying space in the public papers to enumerate prices I wish it distinctly understood, that I will sell GOODS as *low* for the quality, as they can be bought in any other Store in this place or County. Baits and Hooks not used. Purchasers will generally find good qualities of articles at

TURRELL'S,

and in *Drugs, Medicines, Paints, Oils,* and *Dye Stuffs*, the *very best*, and the assortments full. The

FANCY GOODS DEPARTMENT

is also extensive. Also, choice *Family Groceries, Crockery, Wall Paper, Jewelry, Perfumery, &c., &c.* In short, nearly every thing usually kept in country stores. As I deal in many departments of trade, and have more articles than I can well enumerate in the limits of a Newspaper, I shall not attempt it; neither will it be necessary, under these circumstances, to fill a column with useless repetitions and blanks.—The people are invited to call and examine for themselves. ABEL TURRELL.
