HIBBERT'S CHEMICAL WRITING FLUID.—In soliciting the patronage of the public for this article, it is but right and just to Hibbert's merits and the claims for support is based should be fully and fairly set forth and also some guarantee be given that the compounds will not be imposed upon by using it.

In the first place it is well known that the generality of black—blue—are composed of a great plate, held together by gum Arabic, and when the water, either in whole or part is evaporated the gum and precipitate are left as a pasty mass in the pen or inkstand which contains it. It is also common to add vinegar to the ink to enable it to make it more fluid; which increases the evil by acting on the pen, if a steel one, corroding it through in a year,—but time. Now the Writing Fluid" differs from the mixtures in every respect, as it is a chemical solution requiring no viscid matter to hold it together, therefore will never get thick, and being very fluid a large quantity flows from the pen into a given space penetrating deeper into the fibre of the paper making a more permanent stain and one less easily moved by attrition than if it was only placed on the surface. It is no exaggeration to assert that has an affinity for metallic iron, therefore will not corrode steel pens—it will not mould, and although it writes of a black green color yet in a few hours it becomes a deep black ink which endure for ages. It is warranted superior to the five gallon ink known by the name of "Arnold's Writing Fluid," and one-third more given for the same price. As a guarantee against imposition of any kind being attempted the following recommendations will suffice, as all must be aware, that the interest they given could not have been obtained by any means for an unworthy purpose.

We recommend "Hibbert's Chemical Writing Fluid" to the patronage of the public, as a first rate article in all respects, it flows free from the pen without clogging it up and in the course of a few hours becomes a deep bright black.

VEGETABLE PULMONARY BALSAM.—To those of the readers of the Vegetable Pulmonary Balsam,—I am satisfied that the Vegetable Pulmonary Balsam is a valuable medicine. I have been in the habit of prescribing it with success in the obstinate complaint of the lungs, attended with a severe cough, loss of voice, and the raising of much blood which I believe it has relieved and apparently prevented from falling into the decline on a week the patient's voice returned, and he was enabled to speak audibly. This case occurred some time ago, and the patient is now engaged in his occupation and is laborious business.
Respectfully yours,

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Colds, Consumption, Bronchitis, Asthma, and other Pulmonary diseases, is that the same persons who commenced the use of it in their families ten years ago still prefer it to all other preparations of the kind; and where any have been induced to try other preparations they have almost invariably been disappointed in recurring the benefit which was reasonably anticipated from the high reputation of the preparation. Sold by and been returned to the use of JAYNES' EXPECTORANT, as a remedy that has never failed to relieve them, and which invariably has proved the most efficacious in healing pulmonary diseases.

MEDICAL.

SEVERAL REASONS WHY DR. LEIDY'S SARSAPARILLA BLOOD PILLS are becoming so universally popular

First, Because they are prepared by Dr N B Leidy himself, a regular Druggist, Chemist and Physician of Philadelphia, who knows the nature, the quality and character of the Medicines used in his pills and their adaptation to disease.

Second, Because the public can take them with greater confidence than most other pills which are prepared by persons ignorant both of medicine and diseases.

Third, Because of their combined effects, properties not contained in any other pills; namely, purging from the stomach and bowels all unhealthy substances, and at the same time purifying the blood and fluids of the body.

Fourth, Because they are the cheapest and best medicine known—a single box costing but 25 cents, and containing 40 pills, saving to persons sg. many dollars oft-times in Doctor's bills, and numerous medicines bought & tried on the recommendation of others.

WHOLESOME ADVICE.

Whenever you have occasion to take any medicine, do not be trifling with your constitution by taking all kinds of pills or other medicines you see published and recommended by one and another but take at once

Dr. Leidy's Sarsaparilla Blood Pills

and you will not have occasion to take anything else. They will always be found good in almost all worms of disease, Inflammation of the stomach, bowels, liver and intestines; cramps in the stomach; colic, Waterbrash; inward fevers, foul breath, bad taste in the mouth, Sour eructations and acidity of the stomach, costiveness and indigestion, want of appetite, billious affections, diseases of the spleen and kidneys; diseases of the skin, scaly eruptions dry and watery pimples or blotches of the face and body; tetter, rash, prickle heat and salt rheum, headache, giddiness, tiredness, pains over the heart, of the breast, sides, along the back and spine, rheumatism and gout, fevers of all kinds; small pox, variolid, measels, scrofula, erysipelas, and in short they are good in all diseases having their origin in the stomach, liver, and intestines, and impurity of the blood.

SCROFULA AND SCROFULOUS SWELLINGS—Scrofula in all its multiplied forms, whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spines or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Methodist Episcopal Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission; and after having tried various remedies with little effect, was furnished with a bottle of Dr Jayne's Carminative Balsam, and was taught according to the directions, and found invariably that this medicine eased the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

MEDICAL.

DR. TOWNSEND'S SARSAPARILLA.

Most extraordinary Medicine in the World.

This extract is put up in Quart bottles; it is as times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickness or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicine is, whilst it Eradicates Disease it Invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the whole system and strengthens the person, but it *Creates New, Pure and Rich Blood*, a power possessed by no other Medicine. And in this lies the great secret of its wonderful success. It has performed within the past two years, more than 25,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than

3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
3,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of Disease of the Kidney and Dropsy;
3,000 cases of Consumption.

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. To prove this statement we have thousands of Sick Headache, Pain in the side and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the Prevention of disease known. It undoubtedly saved the lives of more than

2,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICES.

CAPT. G. W. MCCLAIN, OF THE UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

SALEM, Jan. 25, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.
G. W. MCLAIN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured by the use of your excellent medicine. They were afflicted very severely with bad sores; have only taken four bottles. It took them a year, for which they feel myself under deep obligation.
Yours, respectfully,
ISAAC W. CRAIG, 105 Wooster st.
New York, March 1, 1847.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is the most strengthening and speedy cure for incipient Consumption, Barrenness, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, painful menstruation, Dyspepsia, Costiveness, Universal prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness, or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languishing, from a long train of complaints, have robust health under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds have cured, reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offspring.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering from constant pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great results, I also have to recommend it in such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed the difficulties and restored her health. Being grateful for the benefit she received, I take pleasure in this acknowledging it, and recommend it to the public. A. L. FISHER,
Albany, Aug. 17, 1844. Cor. of Grand and Lydius sts.

COHOCTON, Sept. 29, 1845.

Dr Townsend: To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, which was attended with more than common ease, being troubled with the dropsy, swelling of the feet, nervous affections, and very much debilitated; she, with persuasion, took the remainder of one bottle of the same, which she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, and she is now in good health, and without the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had been for a long time previous.
A. A. MASON & CO

Opinions of Physicians.

Dr Townsend is almost daily receiving orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

F KLMENDORF, M D.

Albany, April 1, 1845.

This is to certify that we, the undersigned, practising Thomsonian Physicians of the City of Albany, have frequently prescribed Dr Townsend's Compound Extract of Sarsaparilla, and find from its effects, qualities, and properties, it is valuable for mercurial, scrofulous, and other cutaneous diseases, in preference to any of the advertised remedies known to us.

From the New York Daily Express of April 9, 1847.

A pretty thing appeared in the street this yesterday morning, in the shape of a Sarsaparilla Express of Dr Townsend. The whole thing is got up in good taste: some of the ornamental landscape paintings are beautiful, which, together with the scroll work, in gold, glittering in the sun, made a show rarely equalled in Broadway. We take this opportunity to say we believe this extract of the Sarsaparilla deserves the very great popularity it has acquired.

Nervous Debility.

NEW YORK, March 27, 1847

Dr. Townsend:—I have been afflicted more or less for 3 years, with a debility, accompanying in the chest, giddiness in the head, loss of appetite, pain in the limbs, and general debility, brought on no doubt by the continual heat and cold to which I am subject in my business as a dyer. I have taken other medicines, too numerous to mention, but with little or no success. I was induced by what I saw in the paper to try a bottle of your Sarsaparilla, from which I found great relief. I persevered in its use, and after using three bottles, and I can unhesitatingly say it is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite a different man respecting health. I have taken your Sarsaparilla. I have now a better appetite than ever I had. My wife has taken it with the same beneficial results. I would recommend it as a family medicine generally, and I feel convinced that if so used there would not be half the sickness there is, and consequently not so many Doctor's bills; for while it restores appetite, it also gives to the stomach and bowels their regular tone; it keeps the blood in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say try Dr Townsend's Sarsaparilla.

Cankers in the Mouth.

Below is an account of another child saved. Dr Townsend's Sarsaparilla has saved the lives of thousands of children.—The following certificate is selected from a great number received this week.

NEW YORK, April 9, 1847.

Dr Townsend: Dear sir—One of my children was very sick with the Canker in the mouth and throat, attended with great debility. It came near dying; I obtained some of your excellent medicine, and it cured it directly, for which I can assure you I feel very grateful. Yours respectfully,

Husband's Celebrated Fluid Magnesia.

THIS is a mild, safe and elegant anti-acid and aperient; being a perfect solution of chemically pure carbonate of Magnesia; possesses all the medical qualities of the finest preparations of Magnesia, without being liable to form concretions in the bowels, or to act injuriously upon the coats of the stomach. One table spoonful of the Fluid Magnesia is equal at least in strength to half a teaspoonful of Magnesia.
