Liberty, March 16, 1859.

Ayer's Sarsaparilla.

A Compound Remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Pain Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from strumous complaints, and that one which will accomplish their cure must prove of immense service to the large class of our afflicted fellow citizens. How simple soever this compound will do it has been proven by experiment on many of the worst cases in the following complaints:

Scrofula, and Scrofulous Complaints, Eruptions, and Eruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Diseases, Dropsy, Neuralgia or Tic Douloureux, Debility, Dyspepsy and Indigestion, Erysipelas, Rose or St. Anthony's Fire, and Internal Gravel, the whole chain of complaints arising from impurity of the blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many painful disorders are nipped in the bud. Multitudes can, in the channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions or sores; cleanse it when you find it sluggish and sluggish in the veins; cleanse it whenever it is foul and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health, sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves, much the reputation of accomplishing these ends. But the world has been exceedingly deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they did them certain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla, which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistable to the calamitary ills of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

DR. J. C. AYER & CO.

LOWELL, MASS.

Price, $1 per Bottle; Six Bottles for $5.

Ayer's Cherry Pectoral,

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF

Costiveness, Jaundice, Dyspepsia, Inflegestion, Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for Purifying the Blood.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for the purpose of a family physic.

Price, 25 cents per box; Five Boxes for $1,00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled excellence of these pleasant pills, but our space here will not permit the insertion of them. The agents below named furnish *gratis* our American Almanac in which they are given; with also full directions of the above complaints, and the treatment that should be followed for their cure.

Do not be put off by unprincipled dealers with other preparations they make more profit on. Demand Ayer's, and take no others. The sick want the best and there is for them, and they should have it.

All our Remedies are for sale by

A. TURRELL, Montrose; W. H. THAYER, Dimock; IRA SCOTT, SPRINGVILLE; H. N. SHERMAN, Lynn; WALTMAN & SWISHER, Auburn; and by all Druggists and the principal Merchants in Susq. Co.
