TELEGRAPH

REPORTED FOR THE DAILY RECORD.

Afternoon Dispatches.

Chicago, May 17.

The police of the South Division, about 4 o'clock yesterday morning, made a raid on on twenty-four houses of ill fame and captured about one hundred and fifty inmates and lodged them all in the Armory, where they will remain till to-day, when they will be taken before Justice Milliken and the Chicago city treasury will be replenished to the extent of two or three thousand dollars.

New York, May 17.

Much consternation was caused in a prominent Broad street banking house Saturday by the disappearance of the junior member of the firm, taking with him two certified checks and certificates of stock to the amount of $95,475 and one for $23,650. He left the office about 2 o'clock, with certified count of $95,000, to make deliveries of stock and deposit of proceeds. Not returning at 3 o'clock his partner made inquiry at the City National Bank and ascertained that instead of making the deposits he had obtained the certified check above mentioned and decamped. His destination has not yet been discovered, or what disposition he has made of the checks.
