MEDICAL.

DR. TOWNSEND'S

SARSAPARILLA.

Most extraordinary Medicine in the World.

This extract is put up in Quart bottles, at so are times cheaper, Pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickness or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicines is, whilst it Eradicates Disease it Invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the whole system and strengthens the person, but it *Creates New, Pure and Rich Blood*; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 25,000 cures of *Severe Cases of Disease*; at least 5,000 of these were considered incurable. More than

3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of Great Female Complaints;
5,000 cases of Scrofula;
1,600 cases of the Liver Complaint;
9,000 cases of Disease of the Kidney and Dropsy;
3,000 cases of Consumption;

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Headache, Pain in the side and Chest, Spinal Affections, &c., &c.

This, we of course, must appear incredible, but we have letters from physicians and others in every state in all parts of the United States, informing us of extraordinary cures. R. Vah Dervoort, Esq., one of the most respectable druggists in Newark, N. J., informs us that he has sold in from all parts of the country in that place alone. There are thousands of cases in the city of New York, which we will refer to with pleasure and to men of character. This is the best medicine for the Prevention of disease known. It undoubtedly saved the life of more than

5,000 CHILDREN THIS PAST SEASON!

As it removed the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICE.

CAPT. G. W. MCCLEAR, OF THE UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 25, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the use of Sarsaparilla. I have recommended it to friends, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. MCCLEAR, late U. S. N.

SCROFULA CURED.

This certificate contains the statement that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented.

PUBLIC CERTAINTY.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula, by the use of your excellent medicine. They were afflicted very severely with bad sores; have only taken four bottles; it took them away, for which I feel myself under deep obligations. I am respectfully yours,

ISAAC W. CRANE, 105 Wooster st.

New York, March 1, 1847.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Female Weakness, Leucorrhea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system, no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languide, from taking it, at once become robust and full of energy and vigor. It invigorates the weak constitution the nervous sufferer, the female, which is the great cause of half human misery.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can refer to the difficult and dangerous cases have been reported to us. Several cases where families have lost their only children, rejoice, either using a few bottles of this invaluable medicine, have been blessed with offspring.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering constantly from pain in the side, and a bearing down feeling of the Womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing of its wonderful cures in Female Complaints, I have purchased of a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints, and restored her to health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it the public. M. D. MOORE, 8 Hudson st. Corr. of Grand and Lydius sts.

Albany, Aug. 17, 1846.

CATARACT, Sept. 29, 1845.

Dr Townsend: To all whom it may concern:—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and difficult circumstances, and I believe it saved her life, from weakness of the feet, nervous affections, and very much debilitated with my persuasion, and the recommendation of those who had used it, I tried it myself, and after using two bottles with little or no faith; and suffer it to say, the medicine had the happy and desired effect, not only in the hours of confinement, but after the expiration of a month, I was troubled with dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had been for a long time previous.

If this will be of any service to you or any one who wishes the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedient and obliged servant,

S S JAMES M.

TO MOTHERS AND MARRIED LADIES.

THE Subscriber offers his Vermifuge, confidently presented in reference to female complaints. No female who has ever one to expose she is approaching that critical period, "Ye pers of life," and yet experience, alas! it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed by using the Vermifuge, and it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed by using the Vermifuge. Indeed, the medicine is herself also for all the delicate diseases to which women are subject.

It braces the whole system, renews permanently the motive spirit—by removing the impurities of the body—not as the stimulating the system so to produce a subsequent reaction, which is the effect of most medicines taken for female weakness and disease.

GIRLS READ THIS

You who have pale complexions, dull eyes, blotches on the face, rough skin, or freckles, and are "out of spirits" use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you sunlation, sparkling eyes, fine spirits, and beautiful complexions, all of which are of immense value to smart *rural belles*.

DYSPEPSIA.

No field or medicine has ever been discovered which so nearly resembles the gastic juice or saliva in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.

BANK DEPARTMENT, Albany, May 10, 1845.

Dr Townsend: Sir—I have been afflicted for several years with dyspepsia in its worst form, attended with most sense of nausea, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat,) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little effect. I was induced to try your Sarsaparilla, and I am in a blessed state of health. I have taken several more bottles, and I can unhesitatingly say it is the best medicine I have ever taken—for years in my family, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have now a better appetite than ever I had. My wife has taken it with the same benefit. I cannot but recommend it as a family medicine generally, and I feel convinced that if so used there would not be half the sickness there is, and consequently not so many Doctor's bills. for while it restores appetite, it also gives to the stomach and bowels their regular tone; it keeps the blood in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say try Dr Townsend's Sarsaparilla.

THOMAS SMITH, 70 Allen st.

GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS—The unprecedented success which has attended the use of the

GINSENG PANACEA

in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this

WONDERFUL PREPARATION.

The changeable weather which marks our fall and winter months, is always a fruitful source of

COLDS AND COUGHS.

These, if neglected, are but the precursors of that fell destroyer,

COSUMPTION.

The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.

THE GINSENG PANACEA

will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of numerous cures of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country—from

MEMBERS OF THE FIRST STANDING, Ministers of the Gospel, &c., together with copious notices from the

JOURNALS OF THE DAY,

we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.

THOUSANDS AND TENS OF THOUSANDS

throughout the United States and Canada, and we challenge any man to point out a

SINGLE INSTANCE

in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to

EFFECT A PERFECT CURE.

Why, then, need the afflicted hesitate? why resort to the miserable nostrums, gotten up by so many individuals who have neither character nor ability—physician, and pulled into notoriety by certificates, persons equally unknown? Whilst a medicine of

MORGAN'S COUGH SYRUP—In process to be the great Panacea in curing my child's distressing cough.

From the Temperance Banner, Nov 7 1847.

Cough Syrup—We are not in the habit of puffing, much less of recommending patent medicines, but feel disposed to recommend Morgan's Syrup to those who are afflicted with a cough. After having tried the usual remedies to remove a severe and most distressing cough, that had for several days afflicted one of our children, without success, we were induced to try Morgan's cough syrup, and found it relief was obtained in a few hours. It proved to be the panacea in this case at least.

Prepared wholesale and retail by the proprietor,

J. MORGAN, Druggist, Wood st.

A Challenge to the World.

TWENTY-FIVE DOLLARS will be paid to any one who can produce a cough syrup, or medicine, that cannot be surpassed with Hoit's Improved Cough Soap. I have the satisfaction of saying to the people of Pittsburgh and vicinity, that this article, by my own improvement, is now stands unrivalled in this country for excessive coughs, tight, pain, oil, paint, or any other greasy substance, from all kinds of gentlemen's or ladies' clothes, carpets, table cloths, merino shawls, ladies' bonnets, &c. without injuring anything that pure water will not injure. I have sold thousands of bottles in different parts of the country have told me they would not be without it if it cost one dollar per bottle. In trying this Soap on any article of light silks, satins, ribbons, laces, and calicoes, I have only found three pieces of silk, two of alpaca, and four of calico, on which it leaves a little stain, and therefore before putting it on a light dress try a sample of the dress first. I state this because I am determined not to recommend any stronger than it will satisfactorily do. H H HOIT.
