THE subscriber has removed his Boot and Shoe store into the building recently occupied by Messrs Bentley and Read, Public Avenue, first above the Post Office. Where, notwithstanding the mixed state of politics, the stringency or the money market, the "nough sunthins" Rail Road Monopolies, Jack-O-Lantern inducements, and the great drought, as one extreme follows another, in all human probability, we shall have a cold winter. In view of this state of things the subscriber begs leave to say that he is prepared to meet the wants of the Boot & Shoe wearing public, with good and substantial varieties of *Boots & Shoes* of Eastern or Home Manufacture, warranted equal (if not better) than any offered in this market. AYER'S PILLS

Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULES HAUEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only efficacious, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 12th April, 1854:

"Dr. J. C. AYER—*Sir*: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years, in my family, for coughs and colds with unfailing success. You make medicines which cure; and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., *Sec. of the Penn. Railroad Co.*, says:

"*Pa. R. R. Office, Philadelphia, Dec. 13, 1853.*

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your CATHARTIC PILLS in my practice, I testify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of disease that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* as the best Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"*Acton, Me., Nov. 28, 1853.*

"Dr. J. C. AYER—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' trial, and an untold of amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write can only be imagined when you realize what I have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. Ulcers I attached to my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore.

"About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c.,

MARIA RICKER.

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESERVE,

Overseer of the Portsmouth Manufacturing Co."

Capt. JOEL PRATT, of the ship Marion, writes from Boston, 20th April, 1854:

"Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had tried for any relief by my Physician, and from every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he sold me in a few days they had cured him. You make the best medicine in the world; and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but in the neighboring States.

"*New Orleans, 5th April, 1854.*

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since of a severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmindful of it. Yours respectfully,

LEAVITT THAXTER."

"*Lynch Chenoby, Ohio, April 5th, 1854.*

"Dr. J. C. AYER—*Honored Sir*: I have made a thorough trial of the CATHARTIC PILLS, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your CATHARTIC PILLS. Yours with great respect,

LUCIUS B. METCALF."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true.

Messrs Evans & Watson, No. 26 South Fourth St., Philadelphia.

GENTLEMEN:—We take much pleasure in recommending your Salamander Safes to Merchants and others in want of a secure means of preserving their books, papers, &c., from fire, as the one we purchased from you about seven months since has preserved our books, and cash in as good a condition as they were when put into it, before the great fire this morning, which destroyed the entire block of buildings, corner of Chestnut and Fifth streets. The above was in use in our office, on the second floor of our building, from which place it fell into the cellar and remained there until the fire was out. The Safe was then removed and opened in the presence of at least 1000 persons, who witnessed the good condition of the contents. Will you please have the Safe and Locks repaired as we intend to put it in use again, having perfect confidence in its fire-proof qualities.

Yours, Respectfully,

Torrible Accident,

HAPPENED to Mr. Green the other day.—He had bought a suit of ready-made clothes at the Store, and the first day's wearing the accident occurred. First, off flapt his coat-tail by the mere force of specific gravity, giving to unfortunate man the appearance of a badly trimmed craft with the flying jib in the stern, and on stooping over to pick up the remnant, the dreadful casualty took place—the fountains of the great deep were broken up—Green's pants were sundered from ankle to waist, and Green himself seemed to be. The only way to prevent such deplorable accidents is to patronize a skillful tailor, who makes up his work with a determination that it shall not only fit neatly, but wear well. Green buys at the clothing store because he thinks he can get his gearing a little cheaper. In all probability the pants that served him so treacherously had passed through a fever hospital, been striped from a cholera patient, carried home eight nights in the week on a *shutter*, and finally bleached and carried by an ingenious Frenchman for a market in the country. Take warning by poor Green's mishap, and go to a tailor shop like that in the basement of Searle's Hotel if you want to be suited.

JOS. S. LONGSHORE, M. D.

Frank. Wood, M. D., of Penn. University, Philadelphia—It gives me pleasure to add my testimony to the professional ability of the Author of the "MEDICAL MANUAL." Numerous cases of Disease of the Genital Organs, of a character of long standing, have come under my notice in which his skill has been manifest in restoring to perfect health, in some cases where the patient had been considered beyond medical aid—in the treatment of some that weakness, or disarrangement of the functions produced by self abuse, or Excess of venery, I do not know his *superior* in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves. ALFRED WOODWARD, M. D.

☞ This, without exception, the most comprehensive and intelligible work published on the class of diseases of which it treats. Avoiding all technical terms it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent however scrupulous, can object to its being in the hands of his sons. The author has devoted many years to the treatment of the enfeebling complaints treated of, and with one little breath to puff and no little assumption to impose, has offered to the world at a comparatively nominal price of 25 cents, the fruit of some twenty years most successful practice."—*Herald.*

"No teacher or parent should be without the knowledge imparted in this invaluable work. It would save years of pain, mortification and sorrow, to the youth under their charge."—*People's Advocate.*

A Presbyterian clergyman in Ohio, writing of "thousands of our youth by evil example and influence of the passing hour, have been led into the habit of self pollution, without realizing the sin and fearful consequences upon themselves and posterity. The constitution of thousands who are raising families have been undermined, if not broken down, and they do not know the cause or how to cure. Anything that can be done to enlighten and influence the public on this fearful and ultimately to remove this wide-spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generation. Intemperance of every kind is not more destructive to the human system than the practice of which I speak. Though it has claimed its victims by the thousands, it has not received the attention it demands. Accept my thanks on behalf of the afflicted, and believe me, your cause and ours is one, and we are ever your sincere friends."

Observe no price mentioned will be forwarded free of postage to any part of the United States for 25 cents or six copies for $1. Address (post paid) COSDEN & CO., Publishers, or Box 136, Philadelphia.

☞ Booksellers, Canvassers and Book Agents supplied on the most liberal terms. 24y1

Helmbold's Genuine Preparations.

Helmbold's Highly Concentrated Compound Fluid Extract Buchu,

For Diseases of the Bladder and Kidneys, Secret Diseases, Stictures, Weaknesses, and all Diseases of the Sexual Organs,

Whether in Male or Female,

from whatever cause they may have originated and no matter of how long standing.

If you have contracted the terrible disease which, when once seated in the system will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases

The Fluid Extract Buchu has been pronounced by eminent Physicians *the greatest remedy ever known*. It is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it *annihilates* every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.

CONSTITUTIONAL DEBILITY,

brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this *infallible remedy*. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, it equals to be found, acting both as a cure and preventive of a epidemic in these cases

Helmbold's Highly Concentrated

Compound Fluid Extract Sarsaparilla,

For purifying the Blood, removing all diseases arising from excesses of Mercury, exposure and imprudence in life, chronic constitutional disease arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the throat and legs, Pains and Swellings of the Bones, Tetter, Pimples on the face, and all scaly Eruptions of the Skin.

This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our public Institutions which bail for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.

NOTICE.—Letters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.

PRICES, Fluid Extract of Buchu, $1 per bottle or 6 bottles for $5; Sarsaparilla, same price, equal in strength to one gallon Syrup of Sarsaparilla

Prepared and sold by H. T. HELMBOLD, Chemist, 263 Chestnut St., near the Girard House, Philadelphia.

To be had of the Agent Turrell, Montrose, Pa., and of Druggists and dealers everywhere.
