# AYER'S PILLS

## Are curing the Sick to an extent never before known of any Medicine.

### INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULES HAUEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your Cathartic Pills, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"Dr. J. C. Ayer—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure; and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co., says:

"*Pa. R. R. Office, Philadelphia, Dec. 13, 1853.*

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your Cathartic Pills in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* as the best Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"*Acton, Me., Nov 25, 1853.*

"Dr. J. C. Ayer—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' trial, and an untold of amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write can only be imagined when you realize what I have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore.

"About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude,

Yours, &c., MARIA RICKER."

"I have known the abovenamed Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESERVE, Overseer of the Portsmouth Manufacturing Co."

CAPT. JOEL PRATT, of the ship Marion, writes from Boston, 20th April, 1854:

"Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world; and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

"*New Orleans, 5th April, 1854.*

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your Cherry Pectoral, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your Cathartic Pills have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmindful of it. Yours respectfully,

LEAVITT THAXTER."

"*Senate Chamber, Ohio, April 5th, 1854.*

"Dr. J. C. Ayer—Honored Sir: I have made a thorough trial of the Cathartic Pills, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your Cathartic Pills. Yours with great respect,

LUCIUS B. METCALF."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true.

GENTLEMEN:—We take much pleasure in recommending your Salamander Safes to Merchants and others in want of a secure means of preserving their books, papers, &c., from fire, as the one we purchased from you about seven months since has preserved our books, and cash in as good a condition as they were when put into it, before the great fire this morning, which destroyed the entire block of buildings corner of Chestnut and Fifth streets. The above was in use in our office on the second floor of our building, from which place it fell into the cellar and remained there until the fire was out. The Safe was then removed and opened in the presence of at least 1000 persons, who witnessed the good condition of the contents. Will you please have the Safe and Locks repaired as we intend to put it in use again, having perfect confidence in its fire-proof qualities.

Yours Respectfully, LACEY & PHILLIPS.

## Terrible Accident,

HAPPENED to Mr. Green the other day.—He had bought a suit of ready made clothes at the Store, and the first day's wearing the accident occurred. First, off drapt his coat tail by the mere force of specific gravity, giving to unfortunate man the appearance of a badly trimmed craft with the flying jib in the stern, and on stooping over to pick up the remnant, the dreadful casualty took place—the fountains of the great deep were broken up—Green's pants were sundered from ankle to waist, and Green himself seemed to be. The only way to prevent such deplorable accidents is to patronize a skillful tailor, who makes up his work with a determination that it shall not only fit neatly, but wear well. Green buys at the clothing store because he thinks he can get his gearing a little cheaper. In all probability the pants that served him so treacherously had passed through a fever hospital, been stripped from a cholera patient, carried home eight nights in the week on a shutter, and finally bleached and varied by an ingenious Frenchman for a market in the country. Take warning by poor Green's mishap, and go to a tailor shop like that in the basement of Searle's Hotel if you want to be suited.

Cutting done as usual, and all work warranted, JOHN GROVES.

Montrose Aug. 27, 1855.

## The Know Nothing Expose.

ANY person patronising me, at the front upper room of the Store lately occupied by M. C. Tyler, can be accommodated according to the Latest Fashions, in the best and most approved manner.

My work is warrated to fit if properly made. Cutting, mending and in fact every branch of Tailoring done on the shortest notice, and that to the satisfaction of those concerned.

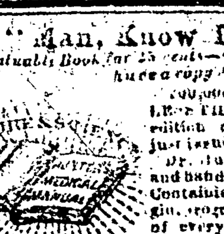
*An Invaluable Book for 25 cents—Every family should have a copy.*



100,000 COPIES SOLD IN LESS THAN A YEAR. A new edition revised and approved, just issued.

Dr. Hunter's Medical Manual and hand book for the afflicted—Containing an outline of the origin, progress, treatment and cure of every form of disease contracted by promiscuous sexual intercourse by self abuse or by sexual excess, with advice for their prevention written in a familiar style, avoiding all medical technicalities and everything that would offend the ear of decency; with an outline of complaints incident to Females, from the result of some twenty years successful practice exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added receipts for the cure of the above diseases, and a treatise on the causes symptoms and cure of the Fever and Ague.

*Testimony of the Professor of Obstetrics in Penn College, Philadelphia*—"DR. HUNTER'S MEDICAL MANUAL."—The author of this work unlike the majority of those who advertise to cure the diseases of which it treats is a graduate of one of the best Colleges in the United states. It affords me pleasure to recommend him to the unfortunate or to the victim of malpractice, as a successful and experienced practitioner in whose honor and integrity they may place the greatest confidence.

JOS S. LONGSHORE, M. D.

*From A. Woodward, M. D. of Penn University, Philadelphia*—It gives me pleasure to add my testimony to the professional ability of the Author of the "Medical Manual." Numerous cases of Disease of the Genital Organs, some of them of long standing, have come under my notice in which his skill has been manifest in restoring to perfect health in some cases where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by self abuse or Excess of venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.

ALFRED WOODWARD, M. D.

"This is, without exception, the most comprehensive and intelligible work published on the class of disease of which it treats. Avoiding all technical terms it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent however fastidious, can object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and with too little breath to puff and too little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents, the fruit of some twenty years' most successful practice."—*Herald.*

"No teacher or parent should be without the knowledge imparted in this invaluable work. It would save years of pain, mortification and sorrow to the youth under their charge."—*People's Advocate.*

A Presbyterian clergyman in Ohio, writing of "Hunter's Medical Manual" says:—"Thousands upon thousands of our youth, by evil example and influence of the passions, have been led into the habit of self pollution without realizing the sin and fearful consequences upon themselves and their posterity. The constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Anything that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generation. Intemperance (or the use of intoxicating drinks) though it has slain thousands upon thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and, believe me, your co-worker in the good work you are so actively engaged in."

One copy (securely enveloped) will be forwarded free of postage to any part of the United States for 25 cents, or six copies for $1. Address, (post paid) COSDEN & CO., Publishers, or Box 196 Philadelphia.

Booksellers, Canvassers and Book Agents supplied on the most liberal terms. 24y1
