A MEDICAL REVOLUTION!

THE WORLD UNANIMOUS!

HOLLOWAYS' OINTMENT.

The Great Counter Irritant!!

THE virtue of the disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflammation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin as summer rain passes into the fevered earth, diffusing its cool and regenerating influence.

Skin diseases and Glandular Swellings

Every species of exterior irritation is quickly reduced by the antiinflammatory action of this Ointment. Angry ERUPTIONS, such as SALT RHEUM, ERYSIPELAS, TETTER, RINGWORM SCALD HEAD, NETTLE RASH, SCABIES, (or ITCH) &c., die out, to return no more, under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

Ulcers, Sores, and Tumors.

The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

Wounds, Bruises, Burns, and Scalds.

In cases of the fracture of the bones, injuries caused by steam explosions BRUISES, BURNS, SCALDS, RHEUMATISM, STIFFNESS of the JOINTS, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe, and no private household should be without it.

Undeniable Testimony.

The Medical Staff of the French and English Armies in the Crimea have officially signed their approval of Holloways' Ointment, as the most reliable dressing for sabre cuts, stabs, and gun shot wounds. It is also used by the surgeons of the Allied Navies.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Sore Legs,
Burns,	Sore Breasts,
Chapped Hands,	Sore Heads,
Chilblains,	Sore Throats,
Fistula,	Sprains,
Gout,	Stiff Joints,
Gumbago,	Salt Rheum,
Mercurial Eruptions,	Scalds,
Piles,	Skin Diseases,
Rheumatism,	Tetter,
Ringworm,	Ulcers,
Swelled Glands,	Venereal Sores,
Sores of all kinds,	Wounds of kinds.

*** Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and 244 Strand, London, by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots, at 25 cents, 62 1-2 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

UP in my comfortable sky Parlor, in the Brick Block, I am still engaged in the very interesting employment of "catching shadows." Of my success in my calling, my pictures are my witnesses. From Maine to California, from rock bound New England to far off prairie land, hundreds are in possession of these unfading evidences of what the Daguerreotype Art has hitherto enabled me to accomplish. For the encouragement that I have received I am truly thankful, and trust that the future will show a material increase both of patronage and gratitude.

But, for one thing I am *not* thankful. A few have *patronised* well, but *paid* alas: how poorly. Now,

THIS IS TO CERTIFY,

That my stock of patience in certain directions is quite exhausted, therefore, *my dear forgetful friends*, just bear in mind that if you do not do *speedily* what you *promised* to do many months ago, *unpleasant consequences may follow*.

Such emphatic language applies to but a small number. To all the rest I subscribe myself,

your most obedient,
W. B. DEANS,

AND the endeavor to palm off that "*Extensive stock of superior quality*" of goods lately received from an old broken down establishment in Binghamton, has proved an entire failure to our friends *down town*. "*Seeing is believing.*" We acknowledge the fact. And should judge that "seeing," (without wearing) would be all that was necessary to convince the public that

Important to Farmers.

New Freight Line from Montrose.

DILL & ARMSTRONG,

Commission Merchants, No. 3, Erie Buildings.

FOR the better accommodation for the farmers of Susquehanna County we have concluded to receive freight every day in the week, (Sundays excepted) at the store of M. S. Wilson & Son, who will attend to shipping the same to New York, and the return bills be paid in cash at their store.

Capt. Wickham is their salesman, whose long experience on the N. Y. & E. R. R., flatters himself that justice will be done to his patrons with the above arrangement, we invite the farmers to give us a trial.

EMERY'S & BROTHER'S, and WHEELER, MELICK, & Co's Rail Road Horse Powers, Threshers and Seperators, Threshers and Winnowers combined.

Reapers and Mowers combined. Mowing and Reaping Machines, of six or seven different Patentees, among which are McCormick's Barrall's, Manny's, Wrights, and the celebrated Ketchums Machine, which is warranted to work to the satisfaction of the purchaser. The little Giant Corn and Cob Mill, the Nimble Giant, Feed Mills, with iron plates. French Bur stone mills, for farm or mill use. Portable Circular Saw Mill with 24 inch saw, for wood cutting &c., extra table and saw for slitting boards and fencing stuff and general shop use. Upright or Felloe saw for Wheelwrights use. Cross-cut saw arrangements, greatly improved to attach to Power for cutting wood in the log, (it will cut off an 18 inch log in one minute.) Emery's portable Cider Mill and Press, the best in use, Fanning Mills filled for Powers. Power corn shellers, Power Feed cutter, Improved dog Powers, Clover Hullers. Wind Mills, of various sizes, Stump Machines, Hay Presses, Field Drill Sower, Lime spreader, Field Roller, Fountains of various patterns, Improved Hydraulic Rams, Agricultural Furnaces, Patent self-acting Cheese presses, Churns of various kinds, Cultivators and Plows of every description, Leather and Rubber Belting, and various other implements. In fact almost any implement a farmer may wish, or any one else may desire except gimlet handles and scandal, which no doubt can be obtained at the great manufacturing establishment (as is represented or misrepresented) in Brad. Co. They also manufacture an excelsior Fanning Mill, (they call it) which may be very valuable if it is capable of blowing or clearing the chaff from the proprietor. Ah! what would be left?

I would say to those who may have been humbugged, that Emery's or Wheeler's Railroad Horse Powers, Threshers &c., are not made or allowed to be made this side of Albany; also to those wishing to purchase either Emery's or Wheeler's Machines, that Emery or Wheeler has not authorized or desire Mr. H. L. Blowers to sell their machines.

Descriptive catalogue price List and circulars of nearly all machines sold by me, sent gratis and postage pre-paid, to all applicants. Send your name and address.

Now farmers is your time to make from 23 to 25 or 30 per cent. on your investments. Remember I get my machines direct from the Manufactors. I've no middle man with whom to divide my commission, as is the case with some others. All machines sold by me are warranted to give satisfaction or may be returned if not as recommended. See large hand-bills, circulars, &c.

HARDWARE, HOUSE FURNISHING AND FANCY GOODS.

TO THE INHABITANTS Of Susquehanna and Neighboring Counties.

WE would respectfully solicit your attention to our large stock of the above mentioned Goods, now in store and in course of reception. For many years the trade of one of the largest portions of the Empire State has been retained by a monopoly, which has at last given away before the rush of enterprise.

Possessing unequalled facilities for buying, and having direct communication with the most extensive Manufactories in the United States, we say, without exaggeration, that we can and will sell, either wholesale or retail, at prices lower than ever offered before west of N. Y. City.

While nothing has been omitted in the Hardware line, we have given particular attention to the House Furnishing branch of our business, and have on hand a stock well worthy the inspection of House Keepers.

Of Fancy Goods we have also a large assortment, which, having been selected with especial reference to the wants of our customers, we think will please those in need of articles in this line.

In conclusion, we would say, that our Goods are new, and of the first quality, and that we hope, by strict attention to business, and a constant anticipation of the wishes of our patrons, to merit even an increase of the confidence already reposed in us.

Messrs. P. & K. are now putting in their stock, one larger and more complete than has heretofore been kept in this place, embracing all the departments of Hardware, Builders Finishing Materials, Gas Fixtures, &c., &c.
