Wendall Philips, Mann, Greely, Garrison, and all the rest of disunionists, and which is composed of *Abolitionism, Black Republicanism, Disunionism*, and all other isms combined to defeat the democratic party. And to make a new finish to the coat it is napped with the pure African wool with a little mixture of the wool from Fremonts woolly horse.

Such is the coat worn by the Black Republicans and what is the effect of wearing such a coat. It makes such men as Wendall Philips say "we confess that we intend to trample the constitution of this country under foot, and that we are not a law abiding people, and God be thanked we are not."

It makes such men as Burlingame say "that the times demand, that we should have an anti-Slavery Constitution, an Anti Slavery God, such are some of the treasonable sentiments expressed by wearing the disunion Coat.

And it made Grow say a few days since while standing on the platform at the Tunkhannoc Depot, "I think that Congress has the right to legislate Slavery in or out of Kansas, *Constitution* or no *Constitution*.

Democrats of Susquehanna can you see the democratic coat "sticking out" in such sentiments.

Holloway's Pills purify the secretions which enter into the composition of the blood, and thus produce a salutary effect upon every organ: for the blood feeds and sustains every fibre of the body. The cures accomplished by this famous remedy are complete, because it expels from the circulation the *Seeds of disease*. The oldest practitioners are thunderstruck at *the rapidity* with which chronic dyspepsia and other complaint are eradicated by Holloways Pills, after all the aperients and tonics in their *repertories* have been tried in vain. The philosophy of the matter is this—Nature is first relieved of the poisonous influences which paralyze her action, and then assisted in her efforts to regenerate the system.

DIED.

In Brooklyn, Sept., 29, Mrs. JULIA E. wife of R. W. GERE, aged 25 years.

Mrs. GERE was a most worthy woman whose purity of heart, and uprightness of conduct won the respect and love of all who knew her. Her sickness was long and painful, yet endured with christian fortitude. She died in the triumph of that faith which cheered her in life.

The following resolutions were passed by the Odd Fellows as their testimonials of love and respect for the deceased.

Whereas, in the dispensation of God, Br. R. W. GERE has been deprived of his earthly companion. Therefore,

Resolved. That we tender him our warmest sympathies in this his hour of bereavement, which has taken from him the wife of his bosom and deprived his child of an affectionate mother.

Resolved, That while we mourn our loss, and the stroke that has carried desolation to a once happy family and home, we will cherish the memory and strive to imitate the virtues of the departed.

Resolved, That the Brothers of our order be in attendance at the funeral of sister GERE, and assist our Brother in the last duty that devolves upon us.

Resolved, That a copy of the foregoing Resolutions be presented to Br. GERE, signed by the officers, and the same be entered upon the minutes of the Lodge.

HEALTH OR SICKNESS?

CHOOSE BETWEEN THEM.

HOLLOWAY'S PILLS

THE Blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health to every organ; when corrupt, it necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the stream of life; neutralizing the principle of disease, and thus radically curing the malady, whether located in the nerves, the stomach, the liver, the bowels, the muscles, the skin, the brain, or any other part of the system.

Used Throughout the World?

HOLLOWAY'S PILLS are equally efficacious in complaints common to the whole human race and in disorders peculiar to certain climates and localities.

Alarming Disorders.

Dyspepsia and derangement of the liver, the source of infirmity, and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases, however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution at the same time.

General Weakness—Nervous Complaints.

When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.

Delicate Females.

All irregularities and ailments incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these mild, but infallible alteratives. No mother who regards her own or her children's health should fail to have them within her reach.

Scientific Endorsements.

The London "Lancet," the London "Medical Review" and the most eminent of the faculty in Great Britain, France and Germany, have eulogized the Pills and their inventor.

Holloway's Pills are the best remedy known in the world for the following diseases:

Asthma	Headaches
Bowel Complaints	Indigestion
Coughs	Inward Weakness
Colds	Inflammation
Costiveness	Influenza
Chest Diseases	Liver Complaints
Debility	Lowness of Spirits
Dropsy	Piles
Dyspepsia	Secondary Symptoms

UP in my comfortable sky Parlor, in the Brick Block, I am still engaged in the very interesting employment of "catching shadows." Of my success in my calling, my pictures are my witnesses. From Maine to California, from rock bound New England to far off prairie land, hundreds are in possession of these unfading evidences of what the Daguerreotype Art has hitherto enabled me to accomplish. For the encouragement that I have received I am truly thankful, and trust that the future will show a material increase both of patronage and gratitude.

But, for one thing I am *not* thankful. A few have *patronised* well, but *paid* alas: how poorly. Now,

THIS IS TO CERTIFY,

That my stock of patience in certain directions is quite exhausted, therefore, *my dear forgetful friends*, just bear in mind that if you do not do *speedily* what you *promised* to do many months ago, *unpleasant consequences may follow.*

Such emphatic language applies to but a small number. To all the rest I subscribe myself,

your most obedient,
W. B. DEANS,
Phenix Block, 3d Floor.

ONWARD AND UPWARD.

THE BORDER RUFFIANS ON MAIN STREET

DEPARTING.

AND the endeavor to palm off that "*Extensive stock of superior quality*" of goods lately received from an old broken down establishment in Binghamton, has proved an entire failure to our friends *down town*. "*Seeing is believing.*" We acknowledge the fact. And should judge that "seeing," (without wearing) would be all that was necessary to convince the public that

Important to Farmers.

New Freight Line from Montrose.

DILL & ARMSTRONG,

Commission Merchants, No. 3, Erie Buildings.

FOR the better accommodation for the farmers of Susquehanna County we have concluded to receive freight every day in the week, (Sundays excepted) at the store of M. S. Wilson & Son, who will attend to shipping the same to New York, and the return bills be paid in cash at their store.

Capt. Wickham is their salesman, whose long experience on the N. Y. & E. R. R., flatters himself that justice will be done to his patrons with the above arrangement, we invite the farmers to give us a trial. JUSTUS DILL.

B. T. TIFFANY,

OF DIMOCK, SUSQ. CO., PA.,

Wholesale and Retail Dealer in

EMERY'S & BROTHER'S, and WHEELER, MELICK, & Co's Rail Road Horse Powers, Threshers and Seperators, Threshers and Winnowers combined.

Reapers and Mowers combined. Mowing and Reaping Machines, of six or seven different Patentees, among which are McCormick's Burrall's, Manny's, Wrights, and the celebrated Ketchums Machine, which is warranted to work to the satisfaction of the purchaser. The little Giant Corn and Cob Mill, the Nimble Giant, Feed Mills, with iron plates. French Bur stone mills, for farm or mill use. Portable Circular Saw Mill with 24 inch saw, for wood cutting &c., extra table and saw for slitting boards and fencing stuff and general shop use. Upright or Fellow saw for Wheelwrights use. Cross-cut saw arrangements, greatly improved to attach to Power for cutting wood in the log, (it will cut off an 18 inch log in one minute.) Emery's portable Cider Mill and Press, the best in use, Fanning Mills filled for Powers. Power corn shellers, Power Feed cutter, Improved dog Powers, Clover Hullers. Wind Mills, of various sizes, Stump Machines, Hay Presses, Field Drill Sower, Lime spreader, Field Roller, Fountains of various patterns, Improved Hydraulic Ram, Agricultural Furnaces, Patent self-acting Cheese presses, Churns of various kinds, Cultivators and Plows of every description, Leather and Rubber Belting, and various other implements. In fact almost any implement a farmer may wish, or any one else may desire except gimlet handles and scandal, which no doubt can be obtained at the great manufacturing establishment (as is represented or misrepresented) in Brad. Co. They also manufacture an excelsior Fanning Mill, (they call it) which may be very valuable if it is capable of blowing or clearing the chaff from the proprietor. Ah! what would be left?

I would say to those who may have been humbugged, that Emery's or Wheeler's Railroad Horse Powers, Threshers &c., are not made or allowed to be made this side of Albany; also to those wishing to purchase either Emery's or Wheeler's Machines, that Emery or Wheeler has not authorized or desire Mr. H. L. Blowers to sell their machines.

Descriptive catalogue price List and circulars of nearly all machines sold by me, sent gratis and postage pre-paid, to all applicants. Send your name and address.

Now farmers is your time to make from 12 to 25 or 30 per cent. on your investments. Remember I get my machines direct from the Manufactors. I've no middle man with whom to divide my commission, as is the case with some others. All machines sold by me are warranted to give satisfaction or may be returned if not as recommended. See large hand-bills, circulars, &c.
