THE POST.

MIDDLEBURG, MARCH 17, 1870.

TOWN AND COUNTRY.

THE State Senate has voted down the proposition to increase the legal rate of interest.

A BILL to exempt mortgages and other money securities from all but State tax, has passed the State Senate.

PAINTS, Oils, Colors, Varnish Farmers' and Builders Hardware, a full assortment in store and for sale cheap at the Hardware store of Hiestand & Boyer, Selinsgrove, Pa.

J. H. HARTMAN of Centreville has been appointed Mercantile appraiser for this county for the ensuing year. He entered upon the duties of his appointment last Monday.

SEVERAL Selinsgrove merchants commenced giving silver change to customers last week, in imitation of the action of dealers in Philadelphia and other cities.

THE citizens of Lewisburg are getting an act passed, authorizing their borough authorities to borrow a sum of money, not exceding $50,000, to erect waterwork at that place.

THE religious papers of the different denominations report many extensive revivals now in progress. A more wide spread religious influence has not been experienced in this country since the great revival of 1858.

SNOW.—Tuesday night we were visited by a regular old-fashioned snow storm which lasted until yesterday noon, when the snow was about eighteen inches deep on the level. We learn that some of the cross roads in this vicinity are drifted very much and almost impassable.

WE see it stated that the Supreme Court on Monday last decided that all soldiers who enlisted in the volunteer service after April 15, 1861, before July 22d, 1861, for three years, and were discharged for sickness or other disability, are entitled to one hundred dollars bounty, promised them at the time of enlistmett.

THE miners in the coal region, we learn, have agreed to resume work again on the old basis. Their strike this time was not for higher pay, but they insisted on the suspension of work by the operators, until coal was advanced to the price fixed by their union, a high handed measure, truly for men who have hardly acquired citizenship in this country.—*Sunbury American.*

WE call attention to the advertisement of Hetzel & McCullough elsewhere in to day's paper. These gentlemen have lately taken possession of the store lately occupied by John Hetzel, in Chapman township. They pay the highest market prices for all kinds of country produce and sell goods cheaper than the cheapest.

JAMES BUCHANAN, a peaceable and much respected citizen living near Shamokin, was brutally murdered, last Friday night, by a party supposed to belong to the gang called "Molly Maguires." Four shots were fired through the door, one of which struck him in the neck causing instant death. The murderers escaped.

THE Old Beehive again swarming with the finest stock of goods in Snyder county. Jacob Aurand & Son are just opening a fresh supply of goods consisting of Dry goods of all descriptions, at prices which cannot be beaten. Groceries, Hardware, Queensware, and everything that a person may want.—Motto, "Quick sales and small profits."
Centreville, March 15, 1870.

REV. J. C. FARNSWORTH, well known in this community, has been spending a few days visiting his old friends in this place and vicinity; and last Sabbath preached an able sermon to an appreciative audience in the Beaver Furnace Church. He was assigned, by Synod, to a charge in York Pa., for the ensuing year. Last year he was located in Baltimore county, Md.

IT appears that an attempt has lately been made in Schuylkill county, to expel the Bible from the Public Schools. The Mahanoy City *Gazette* of last Saturday, says:

"On Tuesday evening last, a committe of Catholic citizens waited upon the Board of School Directors, and requested that the reading of the Bible in the Public Schools of the borough be discontinued. The directors remained firm in defence of the Bible, and after a free exchange of opinion, passed a resolution, requiring teachers to strictly adhere to the rules which have heretofore governed the schools."

SCHOOL EXAMINATION.—In accordance with previous notices, an examination of the two schools of this place, by Messrs Lazarus and Van Zelt, took place in the school-room No. 1, last Monday evening, which was conducted in our worthy County Superintendent and the two teachers.—Although there had been no previous preparations by the schools for a public examination the pupils did remarkably well, considering all the circumstances; and if the result did not come quite up to the expectations of some of the parents present, the failure can hardly be attributable to a neglect of duty on the part of the teachers—for we are assured that they labor earnestly for the best interests of their pupils. In commencing the examination, Mr. Moyer undoubtedly dampened the spirits of some of the younger pupils by asking them a series of questions that would have been more appropriate in a Theological Seminary. After this catechetical examination was over, Reading, Spelling, Geography and Mental Arithmatic were taken up, and Mr. Moyer made some very appropriate re

WE are in regular receipt of the new Philadelphia daily, called *The Day*, and cheerfully attest its excellence as a newspaper. Its cheapness, too, places it within the reach of every man in ordinary circumstances. Price $4 per annum to mail subscribers. Alexander Cummings, publisher, Philadelphia.

THE March number of *Brainard's Musical World* is received, filled to overflowing with beautiful new music, both vocal and instrumental, and interesting reading matter. We advise all our readers who are musically inclined to send $1 to S Brainard & Sons Cleveland, O., and they will receive the Musical World a year; or send ten cents, and specimen copies will be sent by return mail.

HOW TO SELECT A LIBRARY.—This is the subject of an address delivered February 21st, before a Sunday-School Teachers' Institute, by Prof John S. Hart, Principal of the New Jersey State Normal School. Every Pastor, Superintendent, Librarian and Teacher should read it. Mailed to any address on receipt of two 3 cent postage stamps, by J. C. Garrigues & Co., 608 Arch street, Philadelphia, Pa.

THERE is a law of the State requiring all owners of unpatented lands to have the same patented before the 1st of June. After that time they will be sold to satisfy the liens now entered against them in the Prothonotary's office, by the Attorney General of the Commonwealth.

A STRANGE man, on Wednesday last in Sunbury, passed a counterfeit $20 Bank Note on Lyon & Bro. The young Mr. Lyon, without examining the note, which was on the "Market National Bank of New York" asked the man what his name was, and he replied "Weitzel," and that he lived down town." This use of a familiar name threw Mr. L. off his guard, and he did not examine the note closely but without delay handed over the goods he bought, and about seventeen dollars in change. The same individual attempted to pass one of the same notes upon Mr. Marsh, clothing dealer the night previous, but Mr. M. detected the counterfeit. We learn that three of the same kind of notes were passed on parties in Shamokin, and no doubt by the same person, who wears a gray suit, and assumes different names. Let the people be on their guard.—*Democrat.*

PHILADELPHIA MARKETS.

PHILADELPHIA, Mar. 15.—There is a more lively demand for Wheat from the local millers, but we hear of no shipping orders; 6,000 bushels Pennsylvania and Western Red changed hands at $1 22@1 25, and 400 bushels New York White at $1 40. We quote Rye at 96c, for State and Western, but buyers are scarce. Oats meet with some inquiry and we notice sales of 2,600 bushels Pennsylvania at 55c. Corn continues to move freely, and yesterday's prices are upheld without difficulty; 5,500 bushels Yellow were sold at 90@91c., chiefly in the cars; 1,000 do. afloat at 92c., and 500 bushels Western mixed at $1.; 1,000 bushels State Yellow in Elevator, were taken at 88c.

Ayer's Cathartic Pills

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this most efficient purgative *Pill.* The obvious reason is, that it is more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates, containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally require.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to reduce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

FROM REV. JOSEPH H. KENNARD, D.D.,
Pastor of the Tenth Baptist Church, Philadelphia.

The Jaundice is well known to be a most obstinate disease, and requiring the general debility of the system, and especially of the liver, to be overcome before a cure can be effected, it is a most valuable preparation. In some cases of many full years standing I have seen it do wonders. I have no hesitation in recommending it to the public as a valuable tonic, and as a safe and efficacious preparation. In every benefited in these cases, I have seen no other remedy so efficacious.
Yours, very respectfully,
J. H. KENNARD,
Eighth below Coates St.
