# HARDWARE
# And Stove Emporium
# IN FULL BLAST.

THE undersigned would take this opportunity to inform his friends and customers that he has recently made large additions to his former extensive stock of

**Hardware, Stoves, Stove Pipe, Stove Trimmings, Zinc, &c.,**

and that he is prepared to supply the wants of the community, in that line at unusually low prices. He flatters himself that his facilities for manufacturing his own Wares, Stoves, &c., give him a decided advantage over any who purchase and transport at a heavy expense their entire stock.

He would say to those who wish to purchase STOVES of any description, STOVE PIPE, or TRIMMINGS, of any kind, and pay for them, he is prepared to give them great bargains; but to those who want to purchase on a year's credit and then let it run two years more, he had rather they would call on some one else, even if they have to pay seventy-five per cent more than an article is worth. In the line of

**Shelf Hardware,**

his assortment is the largest and best selected in Susquehanna County; purchased as his stock has been mostly of manufacturers, he is enabled to offer inducements to those country merchants who buy small bills, rarely found this side of the big city. We can offer special inducements to Carpenters and Joiners who are in want of either Tools or Building Materials. Blacksmiths can find ANVILS, VICES, BELLOWS, and, in fact, almost anything in their line, by calling on us.

**CHEAP FOR CASH.**

Our stock of

**Dry Goods, Groceries, Boots and Shoes, Hats and Caps, Yankee Notions, &c. &c.,**

is as large as the times will admit of. They were purchased at a low figure, and will be sold at prices to correspond with the times.

**READY-MADE CLOTHING!**

We have just opened about one and a half cords of ready made clothing. Every body says they are cheap Some say they are *very* cheap, and a number have ventured to say they are *dog* cheap. Certain it is that a small pile of money will buy a large pile of clothing.

We would add, in this connection, for the information of all concerned and the "rest of mankind", that we are tired and sick of the credit system; we have suffered enough by it already, and are determined to rid ourselves of the whole "critter." Believing that the nimble sixpence is the true system, we are resolved to adopt it, and are offering our goods at prices to correspond.

## Radway's Regulating Pills.

DR. RADWAY & Co. have recently discovered a method for extracting from roots, herbs, plants and gums, a nutritious extract of such wonderful nourishing power—which they have combined with RADWAY'S REGULATING PILLS—that six of these Pills will supply the blood with the same amount of nutrition as one ounce of ordinary bread; so that, while the system is undergoing a thorough physicing, and regulating process, it daily becomes strengthened.

Persons afflicted with LIVER COMPLAINT, DYSPEPSIA HEART DISEASES, FULLNESS OF BLOOD, and all Females who are subject to IRREGULARITIES, HYSTERIA, &c., are particular recommended to use these Pills. They are pleasant to take—elegantly *coated with gum—free* from taste, and *will not gripe, sicken or weaken the system*, or leave the bowels costive. Mothers nursing should likewise take one or two of these Pills once or twice per week. They will not only keep your system healthy and regular, but will protect your babes against Cramp and Pains in the stomach, and insure not only a healthy child, but will invest every child, thus suckled, with a sweet disposition.

**Radway's Regulating Pills**

Regulate each and every organ of the system, and correct all derangements of the Liver, Bowels, Stomach, Heart and Kidneys.
