THE POST.

MIDDLEBURG.....SEPTEMBER 1, 1870.

TOWN AND COUNTRY.

THE Railroad Bridge over Middlecreek, near the Half-way House, is finished and ready for the track.

FOR Hardware, Paints, Putty, Oils, Glass, &c., go to Hiestand & Boyer's hardware store in Selinsgrove.

IF you have Real Estate to sell, now is the time to advertise it. Give us a call when you are ready.

JAMES P. SMITH, of this place, will keep a boarding-house in Bower's grove during Camp Meeting. No hucksters will be allowed on the ground.

FOUND.—A good umbrella was found on the street, in front of this office, this morning. The owner can have it by calling on us and paying for this notice.

BEAR TRAPPED.—A dog bear was caught in a trap on Shade Mountain, near this place, a few days ago, by Samuel Erb and John Howell. It was a large one but very poor.

The public should not forget that under the present law elections for borough and township officers will be held on the same day as the general election—the second Tuesday of October.

THE dense smoke which hung over this county a week ago, extended over a large section of the country. Our exchanges from all parts of the State speak of it. The cause of so much smoke has not been satisfactorily explained.

NEW RESTAURANT.—John A. Stahlnecker, proprietor of the Eagel Hotel, is at present engaged in fitting up the basement of his house for a saloon. It will be finished in a few days, when all who are in want of oysters, sardines, tripe, ale, etc., etc., are invited to call

SNYDER COUNTY BANK.—The business men and people generally of this county will be pleased to know that this bank has been opened at Selinsgrove for general banking purposes, and that it is already doing a good business. We understand that it pays six per cent interest on time deposits.

STAMPED envelopes of a new and beautiful design have been issued to the post offices. A fine white medallion portrait of Washington occupies the center, surrounded by an engraved border printed in green, with the inscription "U. S. Postage, three cents."

NINE months service in the army exempts a soldier from the payment of militia tax, if we are rightly informed on that point in law. And yet an attempt is being made to collect a militia tax from some of our old soldiers. Do our officials understand the law on this question?

NEVER enter a sick room in a state of prespiration, as the moment you become cool your pores absorb. Do not approach contagious disease with an empty stomach, nor sit between the sick and the fire, because the heat attracts the vapor. Preventatives are preferable to pill or powder

THE *Amateur*, a repository of Music, Lecture and Art, published by Lee & Walker, 922 Chestnut St., Philadelphia, at $1.00 per annum. It contains choice music and good assortment of excellent litterary matter. Would be a welcome guest in any music loving family.

HARRISBURG WEEKLY TELEGRAPH.—Mr. Geo. Bergner, editor and publisher of the Harrisburg *Weekly Telegraph*, offers that paper from September 1st to January 1st, 1871, on the following terms: One copy, 40 cents; ten copies, $3 75; twenty copies, $6; fifty copies, $14; one hundred copies, $25. It is an excellent weekly and devoted to the advocacy of sound Republican principles.

THE "unterrified" Democracy met in Convention on Monday last in the Court House, and put in nomination the following ticket:

Congress—Col. Henry C. Ever.
Senate—J. P. Cronmiller, Esq.
Assembly—Maj. John Cummings.
Prothonotary—P. M. Teats, Esq.
Register & Recorder—Isaac Wetzel.
Co. Commissioner—Mathias Schnee.
District Attorney—J. W. Knight, Esq
Jury Com.—G. G. Hornberger.
Auditor—Samuel Scholl.

A COPY of Lloyd's great war map of Europe has been received. It is altogether the most satisfactory map of the seat of war we have yet seen. During the great Rebellion in this country, Generals Grant, Sherman, Sheridan, Slocum and other important military and civil personages, pronounced the Lloyd maps the best ever issued. Price of the new map of Europe, 50 cents, or mounted and varnished $1.25. Address E. Lloyd, 30 Cortlandt, street, N. Y.

ABRAHAM CORELL, in justice to himself and the public, desires that his essay on the *mouse* may not be confounded with that of an *ass-foot* editor, therefore produces the following extract:—

"The indecomposableness, notwithstanding its indefatigability, of compressing its gigantic body into an infundibuliform meal box, hermetically, to see the helminthiasis, hermetically sealed, collapsed; whereupon the mouse became lucrimouse having learned of an 'exhibition of extraordinary cunning, demonstrating the penetrating power of immense calibre, locating intellectuality in the tabernacle of mortality so late in the calendar of time;' thereupon began to sneeze hebdomically, protreptically, repercussively, frightening the Wheegdoodle out of

CALL AND SEE.—The largest stock of goods, and the cheapest and best to be found in West Beaver, can be seen at the popular store of Helfrich & Brower in Bannerville. These gentlemen fully understand their business and are receiving new goods every week. Give them a call.

LOOK SHARP!—Parties in the habit of encroaching on the corn-fields and orchards of their neighbors—stealing corn and fruit—should bear in mind that by so doing they place themselves liable to a free pass to the Penitentiary. The law used to regard such depredations only in the light of trespass, but later acts make it a criminal offense. Parents would do well to caution their children in regard to this as some time they might have to suffer shame on their account. And no sensible person could blame the farmers and owners of orchads if they should enforce the law on any one so dead to every sense of honesty as to disturb their crops—the result of their toil and care.

Manhood: How Lost, How Restored

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure, (without medicine) of Spermatorrhoea, or Seminal Weakness, Involuntary Losses, Impotency, Mental and physical Incapacity, Impediments to marriage, etc.: also, Consumption Epilepsy and Fits, induced by self indulgence or sexual extravigance.

Price, in a Sealed Envelope, six cents.

The celebrated author in this admirable essay clearly demonstrates from a thirty years successful practice, that the alarming consequences of self abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply privately and radically.

This Lecture should be in the hands of every youth and every man in the land.

Sent under seal, in a plain envelope, to any address, postpaid, on receipt of six cents, or two post stamps. Also, Dr. Culverwell's "Marriage Guide," price 25 cents. Address the publishers,

Keeps constantly on hand a large and well made assortment of Tin, Sheet-iron ware, Stoves, &c., &c.

He is Agent for the following named articles.

"THE MORNING GLORY,"

Littlefield's Patent Improved Base Burning

COAL STOVE.

In this pattern of The Morning Glory, several new and important features have been embodied, which can only be seen to be admired. This new stove is made entirely of cast iron, so fitted as to be airtight, but can be made with sheet-iron upper section when preferred by the purchaser. Its ornament is thought to be drapery, making it a handsome piece of furniture, far more so than any stove heretofore made. Its internal construction, though resembling some of the former patterns of The Morning Glory, is quite different, making it more durable, and its heating capacity be equal to any stove of its size in the country. The cooking ware of the highest order, fully equaling the finest cooking stove in this country.

Among the many advantages in the use of the Morning Glory are the following:

1. Continuous Burning. 2. Quantity of the Heat. 3. Ventilation through the stove. 4. Anti-Dust Shake. 5. No Escape of Gas. 6. Economy of Fuel.

"THE BARLEY SHEAF."

Anti-Dust Air-Tight Cooking Stove, with Extended Fire-Base
For Wood or Coal.
Patented May 10th, 1869.

We take pleasure in offering our customers and the Stove Trade, a New Stove of Fine top, and would call particular attention to its many attractive and valuable improvements.

This Stove has been carefully tested for several months, and there it has proved so highly satisfactory, that several of our oldest and most experienced stove dealers predict for it a sale far beyond our ability to supply this season.

Sliding grate prevents, giving full use of the hearth.

An adjustable shelf in the oven, so arranged as to give more room in the upper part of the oven, a great convenience much needed.

The oven is nearly as wide as the top, as at the hearth line, which not only increases the size, but will be recognized as a *great advantage in baking.*

BOTY'S CLOTHES WASHER.

The best, cheapest, and most popular Washing Machine ever invented.

It is easy to operate, sitting or standing; takes but little room; injures no garments; finishes its work from in two to four Minutes; is durable and convenient; and the only Washing Machine known that is liked the better the longer it is used.

THE UNIVERSAL CLOTHES WRINGER.

The GREAT FAMILY ECONOMIZER.

The terms of our Patent collent Machine as a Wringer. Years of experience prove it also to be a MOST EXCELLENT WASHER.

When we reduce every invention for washing clothes to a principle they all attempt to that of pressing and squeezing, and forcing the water through them, thus removing the dirt. Most Washing Machines do it by rubbing. The Universal Wringer does it by pressing.
