NEW DOG POWER,
A GREAT INVENTION:
Patented June 15th, 1858 by
A. G. BRUSH, Great Bend, Pa.

WE recommend this POWER to all those who have Churning to do, as being eminently adapted to their wants. It is simple and efficient, requiring less weight to operate it than any other power used for a similar purpose. It is cheap, and at the same time permanent. Its construction is so perfectly adapted to the work it has to do, that it is impossible to get it out of order.

At the Susquehanna County Agricultural Fair, held at Montrose, Sept. 30th, 1858, it appears from the following report of the Committee on Farm Implements Addison G. Brush's Dog Power took the FIRST PREMIUM. Here is what the Committee says:

"They have been much pleased in the examination of Addison Brush's newly invented Dog Power for Churning; combining, as they believe, more power with less friction, at less expense than any machine that has yet come under their observation. The ease with which it can be constructed or repaired, and the power indefinitely increased, is a recommendation that cannot be extended to the endless chain or roller—its simplicity is truly a remarkable feature, and a dairyman has only to acquire the ordinary ability to use a saw, to make a mortice and tenon, and he has one of these machines within himself. When we consider the drudgery from which a farmer's wife is relieved by these achievements of skill and genius, they cannot avoid feeling grateful for every effort that may be made for such a desirable result. They award him the premium of $3"

CALEB CARMALT, } Committee.
ABEL CASSIDY,

The above indorsement is a sufficient guarantee that this invention is not one of those worthless patents which have gulled the people so extensively.

Any one wishing to purchase town or county, or individual right, can now be accommodated. We invite those who are interested in improving and cheapening farm implements to give us a call and examine our Dog Power. We offer such inducements that those who engage in this business are not only sure to make money themselves, but prove a blessing to every one who has churning to do whom they furnish with one of these time and labor saving Powers.

NOTICE.

DR. E. PATRICK, JR., would like after a silence of nearly ten years, to appeal to the moral sensibilities of a very generous public, who have always manifested their sense of appreciation of his usefulness by exacting his services when needed or thought to be needed, but who have given no other evidence of gratitude or good will—particularly in the way of "substantial aid" as Kossuth would say—that he now desires a full and entire settlement of all his accounts, also the accounts of the late firm of Patrick & Dimock; and he wishes further to state that he desires nothing to be considered *wrong*, if, after a few weeks, the said accounts, remaining unsettled, sho'd be placed in the hands of a *good sharp collector*, and made to account to him something that will buy Oats and Buckwheat. Please notice this and take action accordingly.—Yours Truly,

jan2 E. PATRICK, JR.

Radway's Regulating Pills.

DR. RADWAY & Co. have recently discovered a method for extracting from roots, herbs, plants and gums, a nutritious extract of such wonderful nourishing power—which they have combined with RADWAY'S REGULATING PILLS—that six of these Pills will supply the blood with the same amount of nutrition as one ounce of ordinary bread; so that, while the system is undergoing a thorough physicing, and regulating process, it daily becomes strengthened.

Persons afflicted with LIVER COMPLAINT, DYSPEPSIA, HEART DISEASES, FULLNESS OF BLOOD, and all Females who are subject to IRREGULARITIES, HYSTERIA, &c., are particular recommended to use these Pills. They are pleasant to take—elegantly *coated with gum*—free from taste, and *will not gripe, sicken or weaken the system*, or leave the bowels costive. Mothers nursing should likewise take one or two of these Pills once or twice per week. They will not only keep your system healthy and regular, but will protect your infant against Cramp and Pains in the stomach, and insure not only a healthy child, but will invest every child, thus suckled, with a sweet disposition.

Radway's Regulating Pills

Regulate each and every organ of the system, and corect all derangements of the Liver, Bowels, Stomach, Heart and Kidneys.

They Cure

COSTIVENESS,
HEART-BURN,
BILIOUSNESS,
DROPSY,
PALPITATION of the HEART,
INDIGESTION,
DYSPEPSIA,
CONSTIPATION,
HEADACHE;
CONGESTION,
&c., &c., &c.

They are entirely vegetable and harmless: an infant at the breast can take them with safety, and persons who are subject to Fits of Apoplexy; Epileptic, Heart Diseases, &c., should always keep a box on hand.

HARDWARE
And Stove Emporium
IN FULL BLAST.

THE undersigned would take this opportunity to inform his friends and customers that he has recently made large additions to his former extensive stock of

Hardware, Stoves, Stove Pipe, Stove Trimmings, Zinc, &c.,

and that he is prepared to supply the wants of the community in that line, at unusually low prices. He flatters himself that his facilities for manufacturing his own Wares, Stoves, &c., give him a decided advantage over any who purchase and transport at a heavy expense their entire stock.

He would say to those who wish to purchase STOVES of any description, STOVE PIPE, or TRIMMINGS, of any kind, and pay for them, he is prepared to give them great bargains; but to those who want to purchase on a year's credit and then let it run two years more, he had rather they would call on some one else, even if they have to pay seventy-five per cent more than an article is worth. In the line of

Shelf Hardware,

his assortment is the largest and best selected in Susquehanna County; purchased as his stock has been mostly of manufacturers, he is enabled to offer inducements to those country merchants who buy small bills, rarely found this side of the big city. We can offer special inducements to Carpenters and Joiners who are in want of either Tools or Building Materials. Blacksmiths can find ANVILS, VICES, BELLOWS, and, in fact, almost anything in their line, by calling on us.

CHEAP FOR CASH.

Our stock of

Dry Goods, Groceries, Boots and Shoes, Hats and Caps, Yankee Notions, &c. &c.,

is as large as the times will admit of. They were purchased at a low figure, and will be sold at prices to correspond with the times.

READY-MADE CLOTHING!

We have just opened about one and a half cords of ready made clothing. Every body says they are cheap. Some say they are *very* cheap, and a number have ventured to say they are *dog* cheap. Certain it is that a small pile of money will buy a large pile of clothing.

We would add, in this connection, for the information of all concerned and the "rest of mankind," that we are tired and sick of the credit system; we have suffered enough by it already, and are determined to rid ourselves of the the whole "critter." Believing that the nimble sixpence is the true system, we are resolved to adopt it, and are offering our goods at prices to correspond.

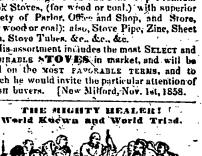
His assortment includes the most SELECT and DESIRABLE STOVES in market, and will be sold on the MOST FAVORABLE TERMS, and to which he would invite the particular attention of CASH buyers. [New Milford, Nov. 1st, 1858.

THE MIGHTY HEALER!
World Known and World Tried.



HOLLOWAY'S OINTMENT

THE free admission of all Nations, as well as the verdict of the leading hospitals of the Old as well as the New World, stamp this powerful remedial Agent as the greatest healing preparation ever made known to suffering man. Its penetrative qualities are more than marvelous, thro' the external orifices of the skin, invisible to the naked eye, it reaches the seat of the internal disease; and in all external affections its anti-inflammatory and healing virtues surpass anything else on record, and is Nature's great ally.

Erysipelas and Salt Rheum

Are two of the most common and virulent disorders prevalent on this continent, to these Ointment is especially antagonistic, its "*modus operandi*" is first to eradicate the venom and then complete the cure.

Bad Legs, Old Sores, and Ulcers.

Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful unguent.

Eruptions on the Skin,

Arising from a bad state of blood or chronic disease are eradicated, and a clear, transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetical and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

Piles and Fistula.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emollient: warm fomentations should precede its application. Its healing qualities will be found thoro' and invariable.

Both the Ointment and the Pills should be used in the following cases:

Bunions,
Burns,
Chapped Hands
Chillblains,
Fistula, Gout,
Lumbago,
Merc'l Erupt'ns,
Piles,
Rheumatism,
Ringworm,
Salt Rheum
Scalds,
Skin Diseases,
Swel'd Glands.
Sore Legs,
Sore Breasts,
Sore Throats,
Sores of all kinds
Sprains,
Stiff Joints,
Tetter, Ulcers,
Venereal Sores,
Sore Heads,
Wounds of all kinds.

☞ CAUTION!—None are genuine unless the words, "*Holloway, New York and London,*" are discernible as a *Water-mark* in every leaf of the book of directions around each pot or box; it may be plainly seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting these medicines or vending them knowing them to be spurious.

⁂ Sold at the Manufactories of Prof. HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots at 25 cents, 63 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each pot.
