MEDICAL.

IMPORTANT TO THE AFFLICTED.

Dr. Rose's Celebrated Remedies.

DR. JACOB S. ROSE, the discoverer and sole proprietor of these most popular and beneficial medicines, and also the inventor of the celebrated instrument for inflating the Lungs, in cases of Asthma and Chronic diseases, was a student of that eminent physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years has been engaged in the investigation of disease and the application of remedies thereto.

Through the use of his inflating tube, in connection with his Prophylactic Syrup and other of his remedies, he has gained an unparalelled eminence in curing the dreaded and fatal maladies, Tubercular Consumption, Cancers, Scrofula, Rheumatism, Fever and Ague, Fevers of all kinds, Chronic Erysipelas, and all those constant diseases peculiar to females. Indeed every form of disease yields to the use of his remedies, to which humanity is heir—not by the use of one compound only, for that is incompatible with Physiological Law, but by the use of the remedies, adapted to and prescribed for each peculiar form of disease.

Dr. Rose's Tonic Alterative Pills, when used are invariably acknowledged to be superior to all others, as a purgative or liver pill, inasmuch as they leave the bowels perfectly free from costiveness, as also the Golden Pills is admitted by the faculty to possess peculiar properties adapted to female diseases, but being mild in their effects, it has not been sufficient to establish what has been said in the minds of the sick and afflicted.

The afflicted are invited to call upon the agent, and procure a pamphlet containing one of the Doctor's pamphlets, giving a detailed account of each remedy, with the testimony.

For sale by the following agents, as well as by most respectable agents throughout the country.

J. Schoonmaker & Co. 21 Wood street, Pittsburgh.
J M Townsend, druggist, 65 Market st.
