To Farmers and Gardners.

THE SUBSCRIBERS OFFER FOR SALE 60,000 BARRELS OF THEIR NEW AND IMPROVED

POUDRETTE,

OF THE

LODI MANUFATURING COMPANY.

MANUFACTURED from the night-soil of New York city, in lots to suit purchasers. This article (greatly improved within the last three years) has been in the marked for eighteen years, and still defies competition, as a manure for Corn and Garden Vegetables, being *cheaper, more powerful, than any other,* and at the same time *free from disagreeable odor.* Two barrels, ($3 worth) will manure an acre of corn in the hill, will save two-thirds in labor, will enable it to come up quicker, to grow faster, ripen earlier, and will bring a larger crop on poor ground than any other fertilizer, and it is also a preventive to cut worm; also it does not injure the seed to put it contact with it.

The L. M. Co. point to their long standing reputation, and the large capital ($100,000) invested in their business as a guarantee that the article they make shall always be of such quality as to command a ready sale.

☞ Price $1.50 per barrel for any quantity over six barrels.

☞ A Pamplet, containing every information, will be sent [FREE] to any one applying for the same. Our address is—

GRIFFING, BROTHERS & Co.,
Agricultural Warehouse, 60 Courtlandt St.,
