Reversible Filtering Cock,
FOR PURIFYING WATER,
Which renders turbid water pure by removing all substances not soluble in water. The cross water in Mc York, although clear and pure to the eye, yet when it passes not from through this filtering cock, shows a large deposit of impure substances, worms, &c. This is the case more or less with all hydrant water.
The Reversible Filterer is neat and durable, and is not attended with the inconvenience incident to other Filterers; as it is cleansed without being detached from the water pipe, by merely turning the key or handle from one side to the other. By this easy process, the course of water is changed, and all accumulations of impure substances are driven off almost instantly, without interrupting the Filter. It also possesses the advantage of being a stop cock, and as such in many cases will be very convenient and economical.
It can be attached where there is any pressure high or low in a cask, tank, tub, &c. with ease. To be had of the sole Agent,

MEDICAL.

IMPORTANT TO THE AFFLICTED.
Dr. Rose's Celebrated Remedies.
DR. JACOB ROSE, the discoverer and sole proprietor of these most popular and beneficial medicines, and also the inventor of the celebrated Indian Chronic disease, was a student of the eminent physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years since has been engaged in the investigation of disease, and the application of remedies thereto.
Through the use of his inflating tube, in connection with his Prophylactic Syrup and other of his remedies, he has gained an unparalleled success in curing those dreadful and fatal maladies, Tubercular Consumption, Scrofula, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague, Fevers of all kinds, Liver Complaint, &c. Indeed every form of disease vanishes under the use of his remedies, to which he invites the attention of the use of one compound only, for that is incompatible with Physiology and Law, but by the use of his remedies, adapted to and prescribed for each peculiar form of disease.
Dr. Rose's Tonic Alterative Pills, when used are invariably acknowledged to be superior to all other, as a purgative or liver pill, inasmuch as they are entirely perfectly free from costiveness; as also his Golden Pills is admitted by the family to possess peculiar properties adapted to female disorders, and satisfied that a bare trial is sufficient to establish what has been said in the minds of the most skeptical.
The afflicted are invited to call upon his agent, and procure (gratis) one of the Doctor's pamphlets, giving a full account of each remedy and its application.

COUGH, PAIN IN THE SIDE AND CHEST CURED—Having for many years been distressed with a severe pain in the side and chest, accompanied with a dry cough, I was induced, upon the urgent solicitation of a friend, to try Dr. Taylor's Balsam of Liverwort, and I must say this medicine has answered the purpose admirably. This elegant medicine was produced by a regular physician, and was so great that it was with difficulty I could swallow my food. Indeed, I was so reduced by disease must have terminated in Consumption, or some other fatal disease, had it not been cured by this judicious medicine. To all who such distress in the side and chest I would advise the use of Dr. Taylor's Balsam of Liverwort. And I must say this medicine has answered the purpose admirably. Jaynes' Expectorant.
SALEM, Columbiana co., O., Apr. 24, 1841.
DR. D. JAYNE: DEAR SIR—I feel bound to you and the afflicted public, to avail myself of this opportunity of giving publicity to the astonishing effects of your Expectorant on myself. Having been afflicted for several years with a severe cough, hectic fever and its concomitant diseases, and the disease threatening to linger out a short but miserable existence, until the fall of 1839, when, being more severely attacked, and having resorted to all my former remedies, and the prescriptions of two of the most respectable physicians in the neighborhood without derriving any benefit, on the consolation of surviving but a few days or weeks at farthest—when the last gleam of hope was about to vanish, I had recommended to me your Expectorant—and blessed by that Being who does all things in the use of the means—and contrary to the expectations of my physicians and friends, I was in a few days rabbed from my bed, and was enabled by the use of a bottle, to attend to my business, enjoying since better health than I had for so many years previous.
Respectfully yours, &c.,
JAS. W. EVITLL.

ROUSSEL'S ARMATICK VINEGAR.—The highly sanatory, balsamic and tonic properties of this Vinegar render it transperior to Cologne water for the ordinary purposes of the toilet, surpassing the latter in its perfume. It prevents and removes pimples, tetter and asperity of its skin, it refreshes and whitens clammy and bitter taste of the mouth, giving a fresh and pleasant breath. I cleanses and whitens the teeth, and hardens the gums. For all the above purposes, it is used with water in such proportion as may be found most agreeable. By inhaling it in a bibbly form in the temples, it will remove headache. If applied instantly to a burn or scald, it will eventually prevent mortification. It correct vitiated air, and guarantees from contagion; it is therefore very useful for purifying and perfuming apartments. For sale by
