THE POST.

MIDDLEBURG, MAY 15, 1873.

Local News, &c.

Meeting of the Republican Standing Committee.

The members of the Republican Standing Committee, are requested to meet at Middleburg, on

Saturday, May 17, 1873,

at 1 o'clock P. M., for the purpose of appointing a time for holding our Primary Election, and transacting other important business. A full turnout is requested. By order of

WM. HANNING, Chairman.

—We are authorized to announce that B. T. Parks Esq., District Attorney, is not a candidate for re-election, this fall.

—The farmers throughout this county are behind with their corn-planting, and there is much grumbling in consequence.

—House-cleaning times—those delightful annual reminders of topsy-turvy domicils and general confusion—are again upon their glow.

—J. Orwig formerly Editor and proprietor of the Middleburg *Telegraph* paid us a day last week. The captain looks right, and is always a welcomer.

—For Sale at reasonable terms.—The large and flourishing Hotel in Centreville, (Weyer's Stand). For particulars inquire of B. T. Parks Esq., Middleburg, or P. Hartman Centreville.

—In another column will be found the Borough statement, and an ordinance adopted by our Town Council, extending the board walk on the North side of Market street to the borough limits.

—England gives in on weighing-machines Fairbanks has opened a warehouse under the very nose of the British Lion, in London, and his scales are already largely in use upon the railways, in the mines factories, and iron and steel warehouses of the kingdom.

—See advertisement of Mrs. E. S. Norris, in our advertising columns. She has just returned from Philadelphia, with an elegant assortment of Spring and Summer Millinery. Mrs. Norris speaks the English and German languages. All are invited to call and see her large stock.

CORNER STONE LAYING.—The corner stone of the new Evangelical Lutheran church (near the old Black Oak Ridge church) in west Beaver township, will be laid with appropriate ceremonies on May 25th 1873. Prominent ministers will be present to take part in the exercises. All are cordially invited to attend.

THE PUREST and Sweetest Cod-Liver Oil is Hazard & Caswell's made on the Sea shore, from fresh, selected livers, by Caswell, Hazard & Co., New York. It is absolutely pure and sweet. Patients Who have once taken it prefer it to all others. Physicians have decided it superior to any of the other oils in market. [Feb28 4

ACCIDENT ON THE RR.—Lazarus Steeley of this place, a hand on the gravel train of the Sunbury and Lewistown railroad, had four toes of his left foot badly smashed on Monday last, at Beavertown siding, by falling under the wheels of the caboose. He fell in trying to get upon the car when the train was in motion, and came very near having the wheels run over both legs. As it was, three toes had to be amputated and the great toe is badly bruised, though its amputation was not deemed necessary. —*True Democrat* 8th inst.

—The Lewistown *Gazette* of last week says: "Eleven deer in one troop, probably aware of the game law in their favor at this time of year, came down Beatty's knob into the open fields some ten days or so ago, performing all kinds of antics, such as running, jumping fences, &c. An eye witness, who watched them about half an hour, describes it as one of the prettiest scenes he ever laid eyes on, the deer being as frolicsome as young colts. At one time eight came marching down the field abreast.

BARGAINS—BARGAINS TO BE HAD.—JACOB AURAND & SON are now disposing of their large assortment of Merchandise in Centreville. They purpose going into other business and will sell out their WHOLE STORE to any one wishing to engage in the Mercantile business. In the meantime GREAT BARGAINS can be had by all those in need of anything usually kept in a country store. They will retail at cost until they have disposed of their entire stock. HOW MAILS ARE ROBBED.—A special P. O. Detective has just lodged in Boston jail a night clerk in the P. O., who has spent his winter evenings in stealing thousands of money letters from the large and valuable mails which pass through that office, going to Hunter & Co., Hinsdale, N. H. His plan was to examine each letter over a lamp and steal every one that contained money. In five months the losses amounted to thousands of dollars, causing great loss and annoyance to Messrs. Hunter & Co., but now that the thief is "behind the bars," the popular publishers have returned to their former sure certain and satisfactory method of doing business, and deserve their ever-increasing business.

AGRICULTURAL MEETING.—Pursuant to notice the Executive Committee of the Snyder County Agricultural Society met at the office of T J. Smith, in the Borough of Middleburg, on Saturday, May 3, 1873.

After taking the chair, the President presented a communication from the "Driving Park Association" of Selinsgrove, offering to furnish their ground with necessary buildings free of all expense to the Society for the holding of the next fair *Provided* the Agricultural Society pay them the one-half of the net profits. The Communication was received and on motion laid on the table.

On motion, the Treasurer was ordered to notify all parties owing the Society to pay in sixty days, and if there be no compliance to said notice, to institute legal proceedings for the securing of the same.

The action of the Society at its last annual meeting in regard to the selection of a *Permanent place* for the holding of its annual Fairs, was then brought to the attention of the committee, and a sub-committee consisting of Messrs. J. K. Davis George Moatz, H. J. Bitter, Allen Schoch and T. J. Smith appointed to carry out the spirit of said Resolution and make report of their action at the next meeting of the Executive committee. Their report to be binding must however be ratified by a majority of said executive committee.

On motion of J. K. Davis, Esq., Thomas J. Smith, Allen Schoch and George Moatz were appointed to revise the premium list and make report at next meeting.

"FAMILY FAVORITE!"

THE "WEED"

SEWING MACHINE.

The most perfect, and generally useful machine in existence. For the family of the farmer or mechanic, where the work required of a sewing machine ranges from the heaviest garments of man's wear to the most delicate and ornamental fabrics for ladies and children, it has proved itself thoroughly efficient and entirely satisfactory. Of unequalled simplicity and compactness of construction, capable of being learned and operated with one-fourth the usual expenditure of time and labor, with a capacity for quantity, quality and variety of execution beyond its competitors, and a reputation for durability and reliability known and appreciated by thousands, it is offered to the people for the most critical inspection and comparison, with confidence that its serious merits cannot fail to convince the careful examiner, of its superiority.

Not one person in

who examines the WEED before purchasing can be induced to have any other, and agents of all other machines, KNOWING this fact, employ street peddlers or canvassers to push their machines into the houses of the people and sell them before they have any opportunity to see the WEED.

LYON'S NEW SEWING MACHINE

Challenges the World!

Yet it is supplied to agents for $1.00 above the actual cost. Thus, the universal complaint of agents that they do not receive their share in the profits of the business, is effectually cured for a series of years at least; and if agents now fail to earn a competency the fault is their own. We give out agencies for towns or counties or States as may be preferred, and each agency is secured by a sealed contract. No pains or expense will be spared to add every possible improvement, that we may furnish the best machine in the market, as well as the cheapest. We hope to make every agency permanent, thus dignifying a business hitherto degarded by tricky and irresponsible peddlers.
