THE POST.

MIDDLEBURG, JUNE 19, 1873.

Local News, &c.

The members of the Standing Committee are requested to meet in the Court House, on Saturday, the 21st inst. J. B. HALL,
J. A. LUMBARD, Pres. Pro Tem
Sec'y.

The passenger fare on the S. & L. R. R. has been considerbly reduced.

—"Mother may I go out to swim," is all the range among the juveniles.

—Linen dusters, alpacca sack-coats and straw hats are now worn by almost everybody of the masculine gender.

—Farmers don't complain, but they say the hay crop will be a little short this season in consequence of the plentiful lack of rain.

—The daily product of weighing machines by the renowned Fairbanks Scale Company in 1872, would make a load for sixteen street horses.

—Hay making will soon engage the attention of the farmers, and in a few days can be seen in the meadows and fields raking the sweet scented clover.

☞ A full line of hosiery, gloves, embroideries, laces, ribbons, ladies bows etc. at the N. Y. Branch Store opposite Schoch and Bro., Selinsgrove, selling very cheap. June12 4w

—People who turn out hogs to pasture on the streets had better be careful, there is a Borough ordinance, prohibiting them running at large within its limits.

—Give a man brains and riches and he is a king. Give a man brains without riches and he is a slave. Give a man riches without brains and he is a fool.

—We have received a copy of the *Independent Register*, published by Messrs. Charles, Grimm & Brown, at Pressburg, this county. It is ably edited, and well arranged in its mechanical part. We wish them success.

—We learn that a young man aged 18 years named John Stein, residing at Montgomery Station, injured himself so badly hopping, the early part of the week before last, that he died on Friday evening, May 23d.—*Muncy Luminary.*

☞ S. Weis, of the N. Y. Branch store in Selinsgrove has just received a full line of parasols and fans of all descriptions, and is selling them at a very low price. Ladies, go and see them while the assortment is full.

—Perry Biagaman who was indicted at the May Sessions of our court, for malicious mischief in shooting a dog, and whose recognisance was forfeited. Was re-arrested on Saturday night, and safely lodged in the County jail.

—On Wednesday morning, while Mr. Persivel Hare was cleaning the well at the Union House, in this place, a stone in the wall became detached, and dropped to the bottom, striking him on the back part of the head, and causing an ugly wound.

☞ People visiting Selinsgrove, would do well by calling at the N. Y. branch store, opposite Schoch & Brother. There they can find a general assortment of notions, trimings and fancy goods, selling at least 25 per cent. cheaper than at any other store in the county. Try it and be convinced.

Our friend F. J. R. Zellers, Esq. attorney at law, has finished & fitted up a fine office in Centreville. Mr. Zellers was formerly a member of the Danville Bar, and is an enterprising, and able lawyer, we are confident that his abilities will be appreciated by the Snyder county public. May success attend him.

BAD LUCK.—Mr. Philip Smith who had his carpenter tools stolen from the new church in Centre twp., at which he was working, met with a severe accident at the same place, one day last week. He cut himself with a chisel in the wrist, causing a fearful gash, severing the sinews, and no doubt will disable the joint more or less forever.

WOLF SHOT.—On the 25th ult., Mr. Daniel Powers of Rye twp., shot and wounded a large she wolf, but did not succeed in capturing her. On the first inst., however, he found her hid under a rock at the foot of cove mountain, in a nearly starving condition, having with her four young ones. The cubs were captured alive and Daniel is trying to tame them.

☞ For Loss of Appetite, Dyspepsia, Indigestion, Depression of Spirits and General Debility, in their various forms, Ferro-Phosporated Elixir of Calisaya made by Caswell, Hazard & Co., New York, and sold by all druggists, in cahe best tonic As a stimulent tonic for patients recovering from fever and other sickness, it has no equal. If taken during the season it prevents fever and ague and other intermittent fevers.

—We are in receipt of a letter from our friend Emanuel S. Bowersox of Lindsey Ohio. Mr. B. is a son of Solomon Bowersox of this county. He is the present proprietor of the Lindsey House and is doing an extensive business in the Grocery line, he reports Sandusky county as growing very wealthy, the crops looking very well, and seems infatuated with his western home. Mr. Bowersox is an active and enterprising man and no doubt will win fortune and fame. Success attend him.

A NOVEL "PET."—The *State Journal* of Saturday a week says: We observed at the depot, in a box about three by fourteen feet in size, and lined with zinc, an alligator, captured in one of the bayous of the South. The animal was about twelve feet long, and possessed a formidable pair of jaws. It arrived in the mail train over the N. C. R. R., and was taken hence to Duncannon, by its owner, on the mail train west over the Pennsylvania railroad. The alligator was shipped per Adams express company from its starting point in the South.

—The following from an exchange is just the thing that suits! The church fronting brigade is organized for the summer campaign. Detachments may be found in front of any church, drawn up in order of battle, well charged with onions, tobacco juice and filthy slang, at the close of the evening service. Won't the little dears, who take the arms of these fellows as they come tipping out of the sanctuary, persuade them hereafter to go with themselves to church like gentlemen, instead of hanging around the streets like loafers, till within a few minutes before the close of service. If they can accomplish this, they will be doing good missionary work, as well as abating a grievous nuisance.

MUSIC IN THE FAMILY.—There is nothing that contributes more to the pleasure of evening at home than music in families. To cultivate a love fosters a refined sentiment that is not forgotten when they arrive at maturity. Music engenders and promotes good feeling. The blending of the voices of parents and children in song strengthens the ties that bind them together, and the love that centres about the home fireside. It renders home attractive, interesting and beautiful, and in every home circle where it is tolerated and cultivated there will be found a greater freedom from all those discords and inharmonious contentions that render so many parents miserable, and their children anxious to find a more congenial atmosphere elsewhere. Every home should have a musical instrument in it that can be used as an accompaniment to the family voices. It will give employment and amusement to the children in their otherwise unoccupied hours. It will keep them from any act of bad influence

CHARLES W. SMITH, well known to the Snyder County public, for the last two years, as the suitable and obliging manager of the Washington House, died on Sunday night about 12 o'clock, aged, 40, years. The deceased was well known to every man, woman and child in the community. In the dark hours of the Rebellion he was prompt in answering his Country's call, and served faithfully and bravely in the 76 Pa. Vols. Peace to his ashes.

SAD AND FEARFUL ACCIDENT.—On Thursday evening last the town was startled with the sad intelligence that Alice, interesting daughter of Jacob Hassinger, of Franklin township, had fallen from the over-shot of her father's barn, sustaining thereby a concussion of the brain and shoulder blade, which all thought would prove fatal. Dr. Rockefellow was at once called, and found the young lady in a state of unconsciousness, in which she remained until Sunday. As we go to press we are informed that the symptoms are favorable and hopes of her recovery are entertained.

THE following resolutions were adopted by the County Convention, which met in the Courthouse, in this place, on the 9th of June.

Whereas, At the recent Primary Election the verdict of the people has been so strongly in favor of Dr. B. F. Wagenseller who has been selected as our standard bearer for Senatorial honors; and in view of the fact that Snyder County has not been represented in the State Senate by one of her own citizens for near twenty years therefore be it

Resolved, That we most respectfully urge our claims to the Senatorship for the ensuing term believing that We are justly entitled to it, and feeling confident that the Doctor if nominated by the Senatorial Conference will be triumphantly elected.

Resolved, That in George Alfred Schoch as a candidate for the Assembly we have a man of whom we may justly feel proud, and, who, if nominated by the Legislative Conferees will receive our unqualified support.

Resolved, That we have full confidence in the ability of all the Candidates placed in nomination to-day to discharge the duties of their respective offices well and we hereby pledge to them our undivided support.

Resolved, That the Senatorial and Legislative candidates be allowed to select their own Conferees, A. W. POTTER,
J. B. HALL,
THOS. SHELLENBERGER.

Fatal Accident.

On Friday the 20th ult., at the raising of a bark shed for the Tannery of Messrs. Dresse & Handenbush at Adamsburg, about one half of the frame work, by some mishap came down, carrying with it the following young (married) men, viz: Mr Henry D. Specht, Mr. W. Klose & Mr. H. Wetzel, of whom the former received a fatal injury in the fracture of his skull. The right side of his head was badly crushed, the fracture reaching to the base of the back part of the head. From this injury he died during the night following that fatal day. The other two received slight injuries; and nothing but a kind and merciful Providence has saved them from a fearful end.

Mr. Specht was taken from the ruins of the fallen timbers, in an unconscious state, from which he never recovered. In the morning he left his happy fireside in buoyant spirits, to be returned home by kind friends at noon apparently a corpse. Truly: "IN THE MIDST OF LIFE WE ARE IN DEATH" "THEREFORE BE YE READY, FOR IN SUCH AN HOUR AS YE THINK NOT, THE SON OF MAN COMETH."

Mr. H. D Specht was a son of our good friend and neighbor Mr. Adam Specht of this place, born Dec. 1, 1832, hence aged 35 years, 5 months and 20 days at time of his death.

The deceased was a man of more than ordinary talent and mechanical skill. He is much missed therefore, not only at home but by the community at large. He was married with Miss Harriet Jane Long, youngest daughter of the late Joseph Long Esq. This marriage was blessed with 2 children, one of whom—little Annie, at a short time ago we laid in the silent tomb to await the trumpet call of the Arch angel in the resurrection morn. Dear Sister! Thy heart is indeed made sad and desolate, especially by this last, and crushing blow. But be assured the good Lord doeth all things well. "All things we are assured in the word of life, work together for good to them that love God." But how mysterious are the ways of Providence. This young friend and brother mortal, passed through many of the most fearful and sanguinary conflicts of the late rebellion. From the beginning of the war, to its close he was in the service of his country, taking an active part in many of the fiercest battles such as Bull Run, Antietam, Fredricksburg, Wilderness, Gettysburg, and others without receiving the slightest injury. But here at home, where no danger is apprehended, he falls a sudden prey to the last enemy, death. How mysterious!

His funeral which took place on the 1st of June, was attended by a vast concourse of people from far and near. The church at Adamsburg to which he was borne, by mourning friends, did not hold—perhaps by one fourth, the vast assemblage. The funeral services were conducted by the Rev. L. C. Edmonds assisted by the Rev. T. O. Stem, (the latter on a visit from abroad) and were very solemn and impressive throughout; all seemed to feel that the good Lord has given us an unusual strong call and exhortation to be ready for His coming. May our Lord and Saviour bless and sanctify this sore bereavement to our common good and the glory of His Great and Good name is the heartfelt wish of a sympathizing FRIEND.

"FAMILY FAVORITE!"

THE "WEED"

SEWING MACHINE.

The most perfect, and generally useful machine in existence. For the family of the farmer or mechanic, where the work required of a sewing machine ranges from the heaviest harness of men's wear to the most delicate and ornamental fabrics for ladies and children, it has proved itself thoroughly efficient and entirely satisfactory. Of unequaled simplicity and compactness of construction, capable of being learned and operated with one fourth the usual expenditure of time and labor, with a capacity for quantity, quality and variety of execution beyond its competitors, and a reputation for durability and reliability shown and appreciated by thousands, it is offered to the people for the most critical inspection and comparison, with confidence that its obvious merits cannot fail to convince the careful examiner, of its superiority.

Not one person in

who examines the WEED before purchasing can be induced to have any other, and agents of all other machines. Knowing this fact, employ street peddlers or canvassers to push their machines into the houses of the people and get them before they have any opportunity to see the WEED.

Challenges the World!

Yet it is supplied to agents for $1.00 above the actual cost. Thus, the universal complaint of agents that they do not receive their share in the profits of the business, is effectually cured for a series of years at least; and if agents now fail to earn a competency the fault is their own. We give out agencies for towns or counties or States as may be preferred, and each agency is secured by a sealed contract.
