DALLEY'S MAGICAL PAIN EXTRACTOR!

THE following from George E. Pomeroy, Esq., the well known proprietor of the Express, speaks for itself, of the importance of the Pain Extractor to every parent:

EXPRESS OFFICE, Albany, Sept 1.

MR. DALLEY My Dear Sir—With feelings of no ordinary pleasure I address you in relation to the benefit I have received from your invaluable Pain Extractor. Lately, my little daughter, 6 years old, had a pitcher of boiling water turned into her bosom; her screams were dreadful, so that a crowd instantly gathered before the house to learn the cause of the terrible screams. I tore her clothes asunder, and soon spread on your salve, and she was carried and laid upon a bed. She was soon relieved from her pains, and says "Ma, I feel as if I could laugh," and was soon in sweet sleep. She was scalded to a blister from the top of her shoulder over more than half her chest, and round under the arm. On the shoulder and breast it was very deep, yet from the first hour, she complained only when it was dressed. The sore healed rapidly, and there is no contraction of the muscles.

With many wishes, my dear sir, for your success in the sale of this mighty article,

I am yours, with respect,
GEO. E. POMEROY.

THE TEST and NO MISTAKE

The genuine Dalley, will ever produce the same instantaneous relief, and soothing, cooling effect, in the severest cases of Burns, Scalds, Piles, &c.

The Counterfeits—no matter under what names they may appear—always irritate, and increase the pain.

TO THE PUBLIC

I, Edward P. Holmes, of Chatham, Melvin Bridge, Columbia county, N. Y., have been afflicted with rheumatism in my breast, feet, and all over my body, for many years, so that I could not stand, and was cured by the applications of Dalley's Magical Pain Extractor.

EDWARD P. HOLMES.

Dalley, Sir—I cut my finger with a copper nail, the poisonous nature of which caused my arm to swell excessively, with constant shooting pains up to the shoulder. A large swelling taking place at the armpit, with increasing pain, I became fearful of the Lockjaw. In this extremity your Pain Extractor was recommended to me, and which I was prevailed upon to try. The consequence was that it afforded me almost instant relief, and in three days I was completely cured.

JOSEPH HARRISON, New York,
corner Broome and Sullivan sts. Sept 8, 1848.

NOTICE! H DALLEY is the inventor of this invaluable remedy, and never has and never will communicate to any living man the secret of its combination!

All Extractors, therefore, not made and put up by him, are base counterfeits.

M'ALLISTER'S OINTMENT

CONTAINING NO MERCURY, or other Mineral—It has power to cause all EXTERNAL SORES, SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS to discharge their putrid matters, and then heals them.

It is rightly termed A L L-HEALING, for there is scarcely a disease external or internal, that it will not benefit. I have used it for the last sixteen years for all diseases of the chest, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one case has it failed to benefit when the patient was within the reach of mortal means.

I have had physicians learned in the profession, I have ministers of the gospel, judges of the bench, aldermen, lawyers, gentlemen of the highest condition, and multitudes of the poor use it in every variety of way, and there has been but one voice—one universal voice—saying "M'ALLISTER, YOUR OINTMENT IS GOOD."

RHEUMATISM—It removes almost immediately the inflammation and swelling, when the pain ceases. Read the directions around the box.

HEAD-ACHE—The salve has cured persons of the head-ache of twelve years standing, and who had it regular every week so that vomiting took place. EAR-ACHE, TOOTH-ACHE, and AGUE IN THE FACE, are helped with the success.

SCALD HEAD—We have cured cases that actually defied every thing known, as well as the ability of fifteen to twenty doctors. One man told us he had spent $200 on his children without any benefit, when a few boxes of Ointment cured them.

TETTER—There is nothing better for the cure of Tetter.

BURNS—It is one of the best things in the world for Burns.

PILES—Thousands are yearly cured by the Ointment. It never fails in giving relief for the Piles.

☞ Around the box are directions for using *M'Allister's Ointment for Scrofula, Liver Complaints, Erysipelas, Tetter, Chilblains, Scald Head, Sore Eyes, Quinsy, Sore Throat, Bronchitis, Nervous Affections, Pains, Diseases of the Spine, Head ache, asthma, Deafness, Ear ache, Dry Cough, Coughs, Colds, Consumption, Rheumatism, Diseases of the Skin, Sore Lips, Pimples, &c., Swelling of the Limbs, Sores, Rheumatism, Piles, cold Feet, Croup, Swelled or Broken Breast, Tooth ache, Algue in the Face, &c &c.*

COLD FEET—Liver Complaint, pain in the Chest and Side, falling off of the hair, or the other accompaniments of cold feet, (this Ointment is the true remedy.) It is a sure sign of disease to have cold feet.

CORNS—Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they use it frequently.

☞ This Ointment is good for any part of the body or limbs when inflamed. In some cases it should be applied often.

CAUTION—No Ointment will be genuine unless the name of JAMES McALLISTER is written with a pen on every label.

For sale by my Agents in all the principal cities and towns in the United States.

WATER CURE ESTABLISHMENT, PHILIPSBURG, PA.

THE rapid strides which Hydropathy has made since its introduction into this country—the brilliant and astonishing curative effects of cold water in chronic and acute diseases, when employed after the method of the celebrated Priessnitz, have removed from the mind of an intelligent and discerning public every particle of doubt as to its efficacy, and gained it universal favor. Considering the unanimous testimony of remedies heretofore used in the treatment of chronic complaints, complaints, too, which are increasing every year; it must be a natural wish to see the success of a method by which so many unfortunate sufferers will be freed from their pains and infirmities.

The subscriber having practiced successfully this method for eight years at his Hydropathic establishment, which has been considerably enlarged and improved, in all its parts, and in every respect, is now ready to receive and accommodate patients who may choose to place themselves under his care, skill and experience.

Philipsburg, situated upon the left bank of the Ohio, opposite the mouth of the Big Beaver, is well known for its refreshing and salubrious atmosphere, its delightful quietness and charming natural scenery, combining every requisite to render the sojourn of the invalid serene and contributing not a little to reestablish impaired health and physical strength.

The establishment, the first started in the United States, contains every thing, both for pleasure and comfort, calculated to insure a speedy and happy termination of the ailments of the Patient.

Persons wishing to avail themselves of the advantages here offered, will please address the subscriber by letter, (post-paid,) stating as near as possible the nature of their complaints, in order to decide and advise as to the propriety and suitability by the Hydropathic treatment, and also what will be necessary for them to take along, for their especial and personal use.

SPECIAL SYMPTOMS OF CONSUMPTION.—Quick pulse, hacking cough, general weakness, restless sleep, variable appetite, irregular bowels, pain between the shoulder blades behind.

INSTANT RELIEF AND CONVALESCENCE.—Coughing night and day, flabby muscles, general debility, great shortness of breath on going up stairs, ascending a hill, or walking briskly, pulse never always above one hundred, for weeks together; dreadful cold sweats towards morning.

Catarrhal Consumption comes on like a common catarrh or cold, but about the period when the first case usually is expected to subside, some of the symptoms are aggravated. The cough is more troublesome, especially when lying down; there is a tight pain in the chest, but difficult breathing, which is worse when lying on the right side. The appearance of the expectoration is copious, at first white, then a thick yellow mucus, to a thinner substance. It is very tenacious in the sputum, and emits an unpleasant smell when burned like a piece of horn, or resembling, most probably a mixture of pus and mucus, as on mixing with water part sinks and part swims. This disease may occur in any climate, at any age, and is characterized by the peculiarity of the cough.

The balsam of Liverwort effects the cure of this insidious disease, by expectoration, sooths and heals the affected lungs. It never fails.

The subscribers have been appointed Sole Agent for the sale of CARHARTS CELEBRATED PROWLER PILLS, as manufactured and prepared by Messrs Morton & Wilson, of Cincinnati. The usual compass and extent being but from one to three months, in accordance with the general desire and demand, have extended the scale of these instruments to 4½ and even 5 octaves, thus enabling a performer to perform upon them any music written for the 7 octave pianos. The balsam of Liverwort effects the cure of this insidious disease, by expectoration, sooths and heals the affected lungs. It never fails.

Where their unequalled recommendation and the approbation of the public, and has established on its own merits a reputation for value and efficacy far superior to the various compounds bearing the name of Sarsaparilla. Diseases have been cured, such as are not furnished in the records of time past; and what it has already done for the thousands who have used it, it is capable of doing for the millions still suffering and struggling with disease. It purifies, cleanses, and strengthens the fountain springs of life, and infuses new vigor throughout the whole animal frame.

ANOTHER CURE OF SCROFULA.

The following striking and, as will be seen, permanent cure of an inveterate case of Scrofula, commends itself to all similarly afflicted:

SOUTHBURY, Conn., Jan. 1, 1848.

MESSRS SANDS: Gentlemen—Sympathy for the afflicted induces me to inform you of the remarkable cure effected by your Sarsaparilla in the case of my wife. She was severely afflicted with the scrofula on different parts of the body; the glands of the neck were greatly enlarged and her limbs much swollen. After suffering over a year and finding no relief from the remedies used, the disease attacked one leg, and below the knee suppurated. Her physician advised it should be laid open, which was done, but without any permanent benefit. In this situation we heard of, and were induced to use Sands' Sarsaparilla. The first bottle produced a decided and favorable effect, relieving her more than any prescription she had ever taken, and before she had used six bottles, to the astonishment and delight of her friends, she found her health quite restored. It is now over a year since the cure was effected, and her health remains good, showing the disease was thoroughly eradicated from the system. Our neighbors are all knowing to these facts, and think very highly of Sands' Sarsaparilla.

Yours with respect, JULIUS PIKE.

Extract from a letter received from Mr. N. W. Harris, a gentleman well known in Louisa county, Va.

"Gentlemen—I have cured a negro boy of mine with your Sarsaparilla, who was attacked with Scrofula, and of a scrofulous family.

"Yours truly, N. W. HARRIS.

"Fredericks Hall, Va., July 17, 1848."

SANDS' SARSAPARILLA.—It seems almost unnecessary to direct attention to an article so well known, and so deservedly popular, as this preparation, but patients often who wish to use the extract of Sarsaparilla, are induced to try worthless compounds bearing the name, but containing little or none of the virtue of this valuable root; and we think we cannot confer a greater benefit on our readers than in directing their attention to the advertisement of the Messrs. Sands in another column. The bottle has recently been enlarged to hold a quart, and those who wish a really good article will find concentrated in this all the medicinal value of the root. The experience of thousands has proved its efficacy in curing the various diseases for which it is recommended, and at the present time more than any other, perhaps, is this medicine useful, in preparing the system for a change of season.—Home Journal, Sept. 1848.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton street, corner of William, New York. Sold also by Druggists generally throughout the United States and Canadas. Price $1 per Bottle; six Bottles for $5.

SALTER'S GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS—The unprecedented success which has attended the use of the

GINSENG PANACEA

in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this

WONDERFUL PREPARATION.

The changeable weather which marks our fall and winter months, is always a fruitful source of

COLDS AND COUGHS.

These, if neglected, are but the precursors of that fell destroyer,

CONSUMPTION.

The question, then, how shall we nip the destroyer in the bud! how shall we get clear of our coughs and colds! is of vital importance to the public.

THE GREAT AND ONLY REMEDY

will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens who have experienced its curative powers. These, with a mass of testimony from all parts of the country.—from

MEDICAL MEN OF THE FIRST STANDING, Ministers of the Gospel, &c., together with copious notices from the

JOURNALS OF THE DAY,

we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.

HUNDREDS OF BOTTLES

have been used in this city,

THOUSANDS AND TENS OF THOUSANDS

throughout the United States and Canada, and we challenge any man to point out a

SINGLE INSTANCE

in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to

EFFECT A PERFECT CURE.

Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals or let the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of

UNPARALLELED EFFICACY

is to be had, whose vouchers are at home,—our neighbors,—many of whom it has

SNATCHED FROM THE GRAVE.

In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at

ONLY FIFTY CENTS,

just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it. T. SALTER, Proprietor,

HYDROPATHIC ESTABLISHMENT,
Cold Water Cure,
BEAVER, PA.

DR. EDWARD ACKER, takes this means of returning his thanks to his friends and the public for the extensive patronage he has received, and of informing them that he has lately erected a large and well constructed building, for the exclusive purposes of his WATER CURE ESTABLISHMENT, at his old location, at Philipsburgh, Pa., on the Ohio river, opposite the steamboat landing at Beaver, where he will receive patients as boarders, and treat them on Hydropathic principles. In addition to his long experience, and the great success which has heretofore attended his treatment of patients committed to his care, he has now the additional facilities afforded by an extensive building erected expressly for the purpose, containing commodious and airy rooms, and fitted up with every necessary apparatus for bathing, and administering the treatment to the utmost benefit and comfort of the patient. Philipsburgh is a most delightful and healthy village, easy of access by steamboats, and affords fine and wholesome water. Dr. Acker invites those afflicted persons who may place themselves under his care, that every attention shall be paid to their comfort; and as an assurance of the substantial benefits to be derived, he points with confidence to the hundreds who have been permanently cured at his establishment. The Water Cure leaves no injurious effects behind, as is too often the case with those who have been treated on the old system. It removes the disease, invigorates the system, protects from the dangers incident to changes of the weather, creates a healthy and active appetite, and imparts vigor to the digestive powers. Terms of treatment and boarding reasonable. For further particulars inquire at the establishment, or address the proprietor at Philipsburgh.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by **Dr. Jayne's Alterative**, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulceration and confolation of various bones, during which time many pieces have been taken from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left external bone, and from the right knee, besides painful gleets on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time she was confined to a bed, in a situation the most distressing and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—(Sat. Eve. Post.
