Mothers, Read This.—The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnatti, Ohio. It says volumes in favor of that world-renowned medicine—Mrs. Wirslow's Soothing Syrup for Children Teething: "We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of any patent medicine in our life, but we feel compelled to say to your readers that this is no humbug—we have tried it, and know it to be all it claims. Dana, aided by a numerous select corps of writers in all branches of Sciences, Art, and Literature. This work is being published in about fifteen large octavo volumes, each containing 750 two-column pages. The first eight volumes are now ready, each containing near 2,500 original articles. An additional volume will be published once in about three months. Price in cloth, $3; sheep, $3.50; half morrocco, $4; half Russia, $4.50 each.

The New American Cyclopædia is popular without being superficial, learned but not pedantic, comprehensive but sufficiently detailed, free from personal pique and party prejudice, fresh, yet accurate. It is a complete statement of all that is known upon every important topic within the scope of human intelligence. Every important article in it has been specially written for its pages by men who are authorities upon the topics of which they speak. They are required to bring the subject up to the present moment; to state just how it stands *now.* All the statistical information is from the *latest* reports; the geographical accounts keep pace with the latest explorations; historical matter include the freshest just views; the biographical notices not only speak of the dead, but also of the living. It is a library of itself.

ABRIDGMENT OF THE DEBATES OF CONGRESS: Being a political History of the United States, from the organization of the first Federal Congress in 1789 to 1856. Edited and compiled by Hon. Thomas H. Benton from the Official Records of Congress. The work will be completed in 15 royal octavo volumes of 750 pages each, 11 of which are now ready.
