Mothers, Read This.—The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnati, Ohio: It says volumes in favor of that world-renowned medicine—Mrs. Winslow's Soothing Syrup for Children Teething.

"We can add testimony in our columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of any patent medicine in our life, but we feel compelled to say to our readers that this is no humbug—we have proved it, AND KNOW IT TO BE ALL IT CLAIMS. It is positive even in the most severe cases of diarrhœa of the day, because it is none of the kind. Those who believe babies can do better than to lay in a supply. decl1 y.

Fever and Ague.—A case of eight months standing cured by BOERHAVE'S HOLLAND BITTERS. Michael Kelly, No. 117 Seventh, near Grant street, says:

"Last July, while running on the river, on a cotton boat plying between Natchez and New Orleans, I was taken with Fever and Ague. For eight long months I suffered with this dreadful disease. The greatest part of this time I was unable to work, and spent at least fifty dollars for different medicines, but found no permanent relief. Three weeks ago, one of my friends persuaded me to try Dr. Boerhave's HOLLAND Bitters, saying that it *cure was guaranteed*. After taking it one week, I must state, I was a sound man. I have been at work now two weeks, and have had no return of the Chills and Fevers whatever. I certify that the above statement is true.

THE NEW AMERICAN CYCLOPEDIA:—A popular Dictionary of General Knowledge, edited by Geo. Ripley and Charles A. Dana, aided by a numerous select corps of writers in all branches of Sciences, Art, and Literature. This work is being published in about fifteen large octavo volumes, each containing 750 two-column pages. The first 11 volumes are now ready, each containing near 2,500 original articles. An additional volume will be published once in about three months. Price in cloth, $3; sheep, $3.50; half morrocco, $4; half Russia, $4.50 each.

The New American Cyclopedia is popular without being superficial, learned but not pedantic, comprehensive but sufficiently detailed, free from personal pique and party prejudice, fresh yet accurate. It is a complete statement of all that is known upon every important topic within the scope of human intelligence. Every important article in it has been specially written for its pages by men who are authorities upon the topics of which they speak. They are required to bring the subject up to the present moment; to state just how it stands now. All the statistical information is from the *latest* reports; the geographical accounts keep pace with the latest explorations; historical matter include the freshest just views; the biographical notices not only speak of the dead, but also of the living. It is a library of itself.

ARRIGMENT OF THE DEBATES OF CONGRESS: Being a political History of the United States, from the organization of the first Federal Congress in 1789 to 1856. Edited and compiled by Hon. Thomas H. Benton from the Official Records of Congress. This work will be completed in 15 royal octavo volumes of 750 pages each, 11 of which are now ready. TO AGENTS.—No other works will so liberally reward the exertions of agent. *An Agent Wanted in this County.* Terms made known on application to the Publisher.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.
And for the speedy cure of the painfulest variety of Disease.
Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.
OAKLAND, Ind., 8th June, 1859.
MESS. AYER & CO.—Dear Sir: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it broke out in ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head, and covered my face and eyes with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length, I was induced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from recommendations that any thing you made must be good. I set to work (as usual) and got it, and used it till it cured me. I took it, say one dose, in small doses of a teaspoonful, once a month, and used almost three bottles.
