MEDICAL.

A CARD TO LADIES AND PHYSICIANS.—No recommendation is so completely satisfactory, as to the excellence and complete success of any invention, as the united testimony of those who have experienced its benefits. During the last fifteen years, in all parts of the United States, our most talented and eminent physicians, have daily born testimony to the superiority, ease, and comfort of Mrs. HETT'S invention for Ladies' suffering. They do not compress by steel pressure, which is now proved to be attended by bad effects, causing more difficulty than before existed. Her long standing in Philadelphia, and large and increasing business both Wholesale and Retail, is a guarantee of the correctness of the above.

To procure her Genuine Supporter, apply only to WM. THORN, Druggist, 23 Market st, Pittsburgh—all others are counterfeits.
