PROFESSOR BARRY'S TRICOPHEROUS OR MEDICATED COMPOUND.

INFALLIBLE for renewing, invigorating, and beautifying the Hair, removing Scurf, Dandruff, and all affections of the Scalp, and curing Eruptions on the Skin, Diseases of the Glands, Muscles and Integuments, and relieving Stings, Cuts, Bruises, Sprains, &c. &c. With this preparation, "there is no such word as fail." The first journals in America, and the first of the highest eminence, prominent citizens of all professions, and ladies who have used it for years in their dressing rooms and nurseries, admit with one accord its unsurpassing vigor, gloss, luxuriance and curl to the hair, eradicating scurf and dandruff, healing wounds, curing contusions, sprains, stings, &c., and relieving diseases of the skin, the glands, and the muscles; it has 50 equal among the multitude of compounds advertised in the public prints, or used in private practice. In cheapness as well as efficacy, Barry's Tricopherous is unrivalled.

The affinity between the membranes which constitute the skin, and the hair which draws its sustenance from this triple envelope is very close. All diseases of the hair originates in the skin of the head. If the pores of the scalp are clogged, or if the blood and other fluids do not circulate freely through the small vessels which feed the roots with moisture and impart life to the fibres, the result is scurf, dandruff, shedding of the hair, eruptions, dryness, and baldness of the integuments, and entire baldness is the case may be—Stimulate the skin to healthful action with the Tricopherous, and the torpid vessels, recovering their activity, will annihilate the disease.

In all affections of the skin, and of the substrata of the glands, muscles and integuments, the process and the cure are same.

It is upon the skin, the muscular fibres, and the glands, that all compounds have its specific action, and in all affections and injuries of these; organs, it is a sovereign remedy.

Sold in large bottles, price 25 cents, at the principal Office, 137 Broadway, N. Y.

PROCLAMATION.

KNOW all men who are sick and afflicted with disease of the bladder and kidneys, whose rheumatism pains in your limbs, stiff joints, old sores, running ulcers, &c., that they can be cured by taking the Fe-Cundum Pills, as I am daily doing a cure as much as you please, but this does not make it so, for we proclaim in the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain and suffering from disease, can for fifty cents, get relief from pain and the disease may be cured. Reader! it costs very little to make a trial. This Petroleum is no mixture—no compound, put up for the purpose of imposing on the unsuspecting public, but is a medicine selected by the master hand of nature, and bubbles up from the bosom of our mother earth in its original purity, and of course not adulterated with Spirits, Oil, or any other cheap article.

This Petroleum or Rock Oil has cured many cases of Diarrhea, in which every other remedy has been of no avail. As a local remedy in Diarrhea and scald, it is better than any medical compound or ointment that we know of. It will cure chilblains or frosted feet, in a few applications; undoubtedly to the world, and we will be furnished of the truth contained in the above statement by calling on Samuel M. Kier, Canal Basin, 7th street; or either of the agents.

CAUTION EXTRA

A man by the name of RUEL CLAPP has engaged with a young man by the name of B. F. Townsend of late his name put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominating it GENUINE ORIGINAL. Now we do not deny but our and never was, but was formerly a worker on railroads, canals, and the like. Yet he assumes the title of Dr. and has assumed the dispose of quinine, of which he is not. He is sending out cards headed "Tricks of the Trade," which he says, I have used the use of a name for 62 years, I will give B. F. Townsend $500 if he will produce one single solitary proof of this. This is a matter too public and too well known to be deceived, and purchase none but the GENUINE ORIGINAL OLD Dr. Jacob Townsend's Sarsaparilla, having on it the real Dr.'s likeness, his family coat of arms, and his signature as usual, on the coat of arms.

JACOB TOWNSEND.

Principal Office, 183 Nassau st, New York City.

OLD JACOB TOWNSEND DOCTOR DISCOVERED THE ORIGINAL OF THE GENUINE TOWNSEND SARSAPARILLA.

Dr. Townsend is now about 70 years of age, and has been known by name as the AUTHOR and DISCOVERER of the GENUINE ORIGINAL "TOWNSEND SARSAPARILLA." Being poor, he was compelled to sell his secret, which has been in his family, and has been kept out of market, and the sales circumscribed to those only who had proved its worth and known its value. Vast sums are now offered for Sarsaparilla manufactured on the largest scale, and is called for throughout the length and breadth of the land.

Hitherto, the Dr. has not allowed his name with age, and never changes, but for the better; because it is prepared on scientific principles by a scientific man. The Sarsaparilla, which is the discovery of the Dr., and the latest discovery of the Art, have all been brought into requisition in the preparation of the Old Dr.'s Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains medicinal properties, and some properties are left in the fibres, and other properties, which, if retained in preparing it for use, produce fermentation and acid, which is injurious to the system. Some manufacturers of Sarsaparilla are so volatile that they entirely evaporate and are lost in the preparation, if they are not preserved by a scientific process, known only to those experienced in its manufacture. Moreover these volatile principles, which fly off in vapor, or as an exhalation, under heat, are the very essential medical properties of the root, which gives to it all its value. The

GENUINE

OLD DR. JACOB TOWNSEND'S SARSAPARILLA is so prepared; that all the inert properties of the Sarsaparilla are left behind, and all the active principles of becoming acid or of fermentation, is extracted and rejected, then every particle of medical virtue is secured in a pure and concentrated form, and thus is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful and efficacious

CURE OF INNUMERABLE DISEASES.

Hence the reason why we hear commendations on every side of its wonderful effects in curing disease. We find it doing wonders in the cure of Consumption, Dyspepsia, and Liver Complaint, and in Rheumatism, Scrofula Fever Sores, Costiveness, Eruptions, Pimples, Blotches, and all affections arising from

IMPURITY OF THE BLOOD.

It possesses a marvellous efficacy in all complaints arising from Indigestion, from Acidity of the Stomach; unpleasant sensations after eating, Headache in the head, palpitation of the heart, cold feet and coldhands, cold chills and hot flashes over the body. It has not said its equal in all coughs and colds, yet protects easy expectoration, and gentle perspiration, relaxing strictures of the lungs, throat, and every other part.

But in a cooling fever and inflammatory complaint, it is an excellent substitute for adhesive plaster on all kinds, without any of its inconveniences, and is so medicated as to allay all pain immediately and most perfectly.

A very little applied any where on the surface of the skin, immediately forms a firm, smooth coating, very similar to the natural cuticle or outer skin, which remains for days, Sundays excepted.
