The Best and Cheapest Horse Medicine IN THE WORLD.

SLOAN'S OINTMENT AND CONDITION POWDER.

Have arrived a great name.—For Pretty, Mildness, Safety, and Thoroughness, SLOAN'S OINTMENT *Rivals* And is rapidly superseding all other Ointments and Liniments now in use for the cure of the following diseases:

Fresh wounds, galls of all kinds, sprains, bruises cracked heels, ringbone, windbone, windgalls, poll evil, callos, spavins, sweeney, fistula, sitfast, strains lameness, sand crack, foundered feet, scratches or grease mange or horse distemper.

The Powder will remove all inflammation and fever pains the blood, loosen the skin, cleanse the water and strengthen every part of the body; and has proved a sovereign remedy for the following diseases:

Distemper, hide bound, loss of appetite, inward strain, yellow water, inflammation of the eyes, fatigue from hard exercise; also, rheumatism, (commonly called stiff complaint,) which proves so fatal to many valuable horses in this country. It is also a safe and certain remedy for coughs and colds which generate so many fatal diseases. W. B. SLOAN,

Grand Depot, 40 Lake st, Chicago, Illinois.

THE PROOF.

Extract from the "Galena North Western Gazette."

By the use of Sloan's Ointment and Condition Powder, I have entirely cured a fistula on my horse and otherwise improved his condition more than 500 per cent. on the cost of the medicine. And a cow which was so feeble as to be considered worthless by myself and neighbors, was restored to good health and strength by the use of less than half a package of the powder and is now doing better than any other cow I have.

Small Pox, May 13, 1848. WM. VINCENT.

THE SUFFERING CHILD.

Thereby certify that one of my children, when nine days old, fell into a large fire of live coals, and was burned severely from head to feet. The best of medical aid and attention was given to the child for four or five days without any relief—each day's sufferings increased till his groans could be heard at a great distance, at which critical period one of my neighbors recommended and presented to me a box of Sloan's Ointment and in less than fifteen minutes after the application of the ointment to the aggravated sores of the suffering child, the pain ceased entirely, and he speedily began to recover. My residence is a Helt township, Vermillion county, and State of Indiana.

THEODORE L. TAYLOR.

Chicago, August 24, 1848.

EXTRAORDINARY CURE.

April 13, 1848. Four miles north of Chicago (on the road to Milwaukie,) Cook county, Illinois.

Mr. Sloan—Dear Sir: One of my horses had a large bony tumor on his breast bone; immediately under the collar, which lamed him and rendered his services of very little value. I faithfully applied several bottles of Dr. Taylor's Nerve and Bone Liniment, without the least benefit. I then procured Wilder's Celebrated Horse Ointment, and used that until it became fully satisfied that it would never relieve the animal. Finally I obtained a box of your truly valuable Ointment, and in less than 60 days from the first application the tumor entirely disappeared, and the horse was well. Yours, EDWARD ARMSTRONG.

POPULAR OPINION.

If popular opinion is any criterion of the worth of an article, we invite the incredulous to read at least a few of the many voluntary certificates that appear in our columns respecting the great variety of remarkable cures effected by the use of Sloan's Celebrated Ointment and Condition Powders.

These remedies no longer remain among those of doubtful utility, they have passed from the ordeal of experiment, and now stand higher in reputation and becoming more extensively used than all other articles of the kind.—Mich. City News.

THE HALF HAS NOT BEEN TOLD.

Dear Sloan—Sir: Please send by the bearer a new supply of your Horse Medicines. They are the best articles of the kind that I have ever used, never have failed to give satisfaction, and I have never been disappointed in their effect, as I have been in the use of others, even the most celebrated Ointments, Liniments, &c., of the day. I like your manner of business in them, viz: that they do all that is promised, and upon a thorough trial one is contrained to add, that "half has not been told."

Respectfully, M. DUDLEY.

THE DIFFERENCE.

The ordinary ointments and liniments it is well known are severe, and partial in their operation. Sloan's Ointment is mild yet thoroughly reaches and removes the cause, hence it gives real and permanent relief. For purity, mildness, safety, certainty, and thoroughness, Sloan's Ointment and Condition Powder surpseeding all other Ointments and Liniments now in use.

WE CAN'T GET ALONG WITHOUT IT.

Bazaar's Grove, Ill., Oct. 21, 1848.

Mr. Sloan—Sir: I have found very virtues of your Ointment in the cure of rattlesnake bites, sweeny, barns, and many other injuries, and in every case it has surpassed our expectations. As a family Ointment, I have never seen its equal, and for beasts we can't get along without it. Yours, &c., MILES M. JOHNSON.

EXCELLENT OINTMENT.

Mr. Sloan—Dear Sir. For a considerable length of time I was seriously afflicted with the rheumatic complaint, and applied freely the various liniments, paint killers, &c., without obtaining any relief. After which your agent at this place influenced me to try your Ointment, and within two weeks from the time I commenced using it, the pain ceased, and I was effectually cured, and shall recommend all who are similarly afflicted with the distressing complaint, to procure an excellent ointment, without delay.

Resp'y yours, OSCAR F. MOTT. Princeville, Peoria co., May 1, 1848.

Mr. Sloan—Dear Sir: Recently my horses rat-gnawed and bitten by the rattlesnake, so that they were unable to work. I purchased a box of your agent in Galena some of your ointment, and you can judge of my surprise and gratitude better than I can express it, to find my swellings well before I had finished using the second box.

These facts I make known that others efficted may derive benefit and not delay using so valuable an ointment as yours has proved to be. Respy your grateful friend, Galena, Ill., Dec. 19, 1848. EVAN DAVIS.

ONLY 20 DAYS.

Before the following order, Messrs. Vaughn & Co. purchased a large supply of Sloan's preparations.

Lacons, Mich. Feb. 24, 1848.

S. E. Hibbard—Dear Sir: I am out of Sloan's Condition Powder and Horse Ointment. The sale far exceeds my expectation. If you can manage to send me 4 dozen Ointment, I will pay for them the first time that you are here, and presume I shall be able to sell a large quantity in the course of the year. I will be an object to you, as well as to myself, to keep me constantly supplied. Very respy yours,

S. S. VAUGHN & CO.

MISSISSIPPI RIVER

Ste. Louis, Feb. 22, 1849.

Dr. Sloan—Sir: About two years ago, while raiding on the Mississippi river, in passing over the rapids, I was plunged into the water, and by the raft dashing against a rock, crushing my left leg and otherwise seriously injuring me, so much that I lost all sensibility. When consciousness returned I found myself in St. Louis, surrounded by my weeping family. Good nursing and medical aid, enabled me in about two months to hobble around with the assistance of a crutch. The wounds only partially healed, leaving large running sores at the knee, which for many months discharged blood and matter of the most offensive character. My pains were inexpressible, at times my suffering was so great that death would have received a hearty welcome. Fortunately Mr. Wilson, (one of my neighbors) advised me to try your Ointment. I obtained a box applied it according to direction—the sores soon began to assume a healthy appearance, and in three months I was entirely cured, and enabled to do hard labor.

Your obedient servant, HIRAM W. THOMAS.

We, the undersigned, neighbors of H. W. Thomas, were acquainted with the case above stated, and knowing the circumstances, most cheerfully confirm said Thomas' statement. REV. J. DOUGLASS, JAMES WILSON, PETER LAMB.

GOOD NEWS.

Chicago, Jan. 8th, 1849.

W. B. Sloan—Sir: One of my horses was hoof bound and also wounded in the stifle, in which he took cold, and became so crippled that he could scarcely travel. By the free application of your valuable ointment, his hoofs were soon softened and the stifle permanently cured. I have also used the Ointment in the case of Poll-Evil and on severe galls with equal success.

On a mashed finger that was very painful, it operated like a charm. Yours, &c., A. VAN ORDEN.

TESTIMONY FROM LITTLE FORT.

Sloan's Ointment and Condition Powder are acknowledged by all who have used them to be the best remedy for horses and cattle that has been discovered. Fresh wounds, galls, spavins, bruises, ringbone, poll evil, and in short every outward disorder or injury can be cured by this wonderful remedy. The Powder is designed for inward strains, distemper, hide bound, fatigue from hard exercise, diseased eyes, &c.—Lake County Chronicle.

'RATHER DOUBTINGLY, BUT I THOUGHT WOULD TRY IT.

Wickliffe, Cook Co, Feb. 12, 1849.

Mr. Sloan—Sir: I have a fine-young horse that was taken with the scratches last fall. I paid out about three dollars for medicine to cure him, but he grew worse. I then bought a box of your ointment at your office when in Chicago last, rather doubtingly, but I thought I would try it. Judge of my surprise and my opinion of its beneficial qualities, when I found my horse's legs smooth and well in four days from the time I commenced applying it. Your obedient,

E. P. COLBY.

FACTS FOR THE PEOPLE.

More than fifteen years of unrivalled success in the cure of every variety of external diseases and injuries such as sprains, bruises, cuts, burns, cutaneous eruptions, sore lips, sore breasts, chapped hands, chilblains, bites, ulcers, corns, pains in the back, sides, or other parts of the system, rattlesnake bites, &c., bears for the hour. Certificates without number have been received by the Proprietor from disinterested individuals, giving details of remarkable cures by its use.

A WISCONSIN WITNESS.

Granville, Milwaukie co. Wis., Oct. 15, 1848.

Mr. Sloan—Dear Sir: Recently my horses rat-gnawed and bitten by the rattlesnake, which cut and otherwise injured them seriously, so much so that I considered my team ruined for business. Fortunately a friend recommended the use of your Ointment. I went to Milwaukie and purchased a box. It soon removed the inflammation, and in a few days the wounds healed. The great benefit derived from the use of your Ointment, on my horses, induced me to acquaint you with the fact, believing its publicity would benefit you and the public. Respectfully yours,

GEORGE COMSTOCK.

IT IS A POSITIVE FACT,

And has become a common saying, that Sloan's Ointment and Condition Powder are rapidly superseding all other remedies for all diseases of horses and cattle. The beauty of the medicines consists in their purity and safety, to wit: they may be used ever so freely without any danger of taking cold, or any other injury resulting from their frequent use, and never fail to cure if the directions are followed. mr14-1y13

SELLERS' LIVER PILLS WAS MY DOCTOR—

R. E. SELLERS—Dear Sir: I feel it is a duty I owe to the public, as well as to the credit of your Liver Pills, to state the good effect they produced in my own case. During the month of June, 1845, I took cold, my appetite failed, and my strength was entirely prostrated, with severe pains in my back and shoulders. I was told by medical men that my disease was a complicated one, and that my complaint took several boxes of M'Lane's Liver Pills, and some syrup, which I was told was good for that disease, but after taking two boxes I was as much worse as ever, so I determined to see a physician for better advice, which I did, but I grew worse; but, fortunately, just at this time, I was told by Mr. A. Nibbs of Philadelphia, that I had sent him a box of Sellers' Liver Pills from Pittsburgh, which had benefited him very much. I forthwith sent for a box of your Liver Pills, by the time I was done using them, I was satisfied that it was just the medicine that suited my case. I sent for more, and took five or six boxes, when I found myself almost entirely cured; but in March last I caught a severe cold, which brought back the disease, and in a short time I was as much worse as ever. I then wrote to your Liver Pills, and took them every other night for six weeks, taking no other medicine, and I can now say, that I can now say, that I feel little if any effects of the Liver Complaint, and my general health is as good as it ever was before for last 10 years.

My neighbors ask me who was my doctor. I tell them that Sellers' Liver Pills was my doctor, and by the blessing of divine Providence the means of my recovery. I am confident that when the public become acquainted with the value of your Liver Pills, the demand for them will be great. Many of my friends, to whom I have recommended the pills, can testify to their value, and will do so to the facts above stated.

Respectfully yours, GEORGE MILLER.

TO THE PUBLIC—The Original, only true and genuine Liver Pills are prepared by R E Sellers, and have his name stamped in black wax upon the lid of each box, and his signature on the outside wrapper—All others are counterfeits, or base imitations.

Sayers' Expectorant.

Saint Salemtown co. Pa., Sept. 21, 1841.

DR. D. JAYNES: Dear Sir:—I feel bound to you in justice to myself, to avail myself of this opportunity of giving publicity to the astonishing effects of your Expectorant on myself. Having been afflicted for several years with a severe cough, hectic fever and its concomitant diseases, and seemed only doomed to linger out a short but miserable existence, until the fall of 1839, when, being more severely attacked, and having resorted to all my former remedies, and the opinion of one of the most eminent physicians in the neighborhood without deriving any benefit, or the consolation of surviving but a few days or weeks at furthest, I was left to the care of my friends to die, of my neighbors to try a bottle of your Vermifuge—and I am happy to inform you of it having the desired effect of relieving my cough. He passed, in the short space of 24 hours, 161 worms, some of them measuring as much as 12 and 14 inches long. I feel bound in justice to give you the above statement, that others may make any use of my name that you think proper.

MR. ELIJAH EATON'S CERTIFICATE TO DR. M'LANE'S VERMIFUGE, that immediately after having attended my brother, who died of consumption in March, 1842, I was taken sick with the Consumption by Liver Complaint, and was reduced so low with the disease, that for four years I was unable to attend to my business, either at home or abroad, being for the most time confined to my bed. During this length of time, I had expended for medical attendance on regular Physicians and medicines, to the amount of $300, without receiving any permanent relief. In July, 1845, I commenced taking Dr. Jayne's Medicines, and have taken them more or less ever since, and believe that I owe my preserving a short life, yet, that I can now truly say that I have completely recovered my health. I believe that Jayne's Sanative Pills and Expectorant are the best family medicines now in use.

I reside in Springfield, Otsego county, N. Y., and carry on a furnace and machine shop in that place, and am not interested in any manner in the sale of the above medicines, and make this certificate for the benefit of those afflicted.

Springfield, N. Y., Sept. 16 1845. ELIJAH EATON.

A VERY WONDERFUL CURE—SELLERS' VERMIFUGE!

MERCER, Mercer co., Pa., Sept. 28, 1849.

R E Sellers: Dear Sir, I bought one bottle of your Vermifuge at the Iron City Furnace store, at this place, and it has performed what we consider out here a wonderful cure. on one of my boys eight years old; he had been unwell for some years, so much so that I had given up all hopes of his recovery. I was advised by one of my neighbors to try a bottle of your Vermifuge—and I am happy to inform you of it having the desired effect of relieving my son. He passed, in the short space of 24 hours, 161 worms, some of them measuring as much as 12 and 14 inches long. I feel bound in justice to give you the above statement, that others may make any use of my name that you think proper.

Yours, very respectfully, JONATHAN S. LYTLE.

HEAD! HEAD!—SELLERS' COUGH SYRUP—From W. K. Boden, Esq., Clerk of the Court of Quarter Sessions of Beaver County:

Mr. R. E. Sellers: Sir, Some time in the winter my wife was afflicted with a severe and distressing cough, and hearing of your invaluable Cough Syrup, I purchased a bottle from S. T. Trimble, of Bridgewater, and after taking a portion of it two or three evenings on going to bed, she found immediate relief, as also several friends have been relieved in severe cases. I am therefore satisfied that it is a safe and valuable medicine, and would recommend it to those who may be afflicted with severe coughs and colds.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by **Dr. Jayne's Alterative,** which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femora, bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat. Eve. Post.

TRANSPORTATION LINES.

HARPER & CO's

Passenger and Remittance Office.

HANRDEN & CO. continue to bring persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants and comfort of emigrants. We do not allow our passengers to be robbed by the swindling scamps, that infest the seaport themselves, and see to their well being, and despatch them without any detention, by the first ships. We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, while thousands of others are detained months, until they could be sent in some sad craft, at a cheap rate, which too frequently prove their coffins.

We intend to perform our contracts honestly, cost what it may, and not act as was the case last season, with other officers,—who either performed not all, or when it suited their convenience.

Drafts drawn at Pittsburgh for any sum from £1 to £100, payable at any of the principal Banks in Ireland, England, Scotland and Wales.
