You may talk about its being a nostrum as much as you please, but this does not make it so, for we proclaim in the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain and suffering from disease, can for fifty cents, get relief from trifling expense, compared with other. Reader! it costs very little to make a trial. This Petroleum is no nostrum—no compound, put up for the purpose of imposing on the community, but is a remedy elaborated by the master hand of nature, and bubbles up from the bosom of our mother earth in its original purity, and offers to suffering humanity a ready remedy, a certain and cheap cure.
It has cured Piles after other medicines have failed to render any relief. It has cured Rheumatism of long standing, and of the worst and most painful character. It has cured Cholera Morbus by one or two doses; it has cured old cases of Diarrhoea, in which every other remedy has been of no avail. As a local remedy it burns out pain sooner than any medical compound or ointment that we know of. It will cure chilblains or frosted feet, in a few applications; undoubted testimony of the truth of the above statement is contained in the above statement by calling on Samuel M. Kier, Canal Basin, 7th street, or either of the agents.
Keyser & McDowell, corner of Wood street and Virgin Alley; R. E. Sellers, 57 Wood street, D. A. Elliot & D. M. Curry, Allegheny city, are the agents.
