Health of the Drafted Men.

The Harrisburg Telegraph reports that the health of the drafted men is very bad. Cause—Bad weather, poor clothing and tents. It is hoped matters will improve. Hang a few of the Lincoln contractors, and poor supplies will cease.

☞ The New York Times, which was the loudest advocates of the administration and its pet candidate Wadsworth, before the election, now says:

"The heaviest load which the friends of the Government have been compelled to carry through this administration has been the inefficiency of the administration. What is the use of trying to sustain an administration that seems so indifferent and incompetent to the dreadful task committed to its hands?"

No severer criticism on the administration than this could well be conceived.

Tom Ford Disgraced.

The Military Commission apointed to inquire into the conduct of officers connected with the surrender of Harper's Ferry to the Confederates, have made final report, and the commission has been discharged. The report speaks disparagingly of the conduct of General Miles, who made the surrender, and who died on the field, but the burden of disgrace falls upon Col. Thomas H. Ford, of Ohio, who had charge of the Heights, and who, according to the testimony, showed utter incompetency and arrant cowardice.—He has been dismissed from the service. The reader will, probably, have some recollection of his absolute character.

Major Baird of N. Y., comes in for full share of blame, and is also dismissed, and his regiment, the 126th, N. Y., is highly censured for bad conduct.

SINGER & CO.'S
LETTER "A" FAMILY SEWING MACHINE,
WITH ALL THE RECENT IMPROVEMENTS,

Is the best and cheapest and most beautiful of all Sewing Machines. This machine will sew anything, from the running of a tuck in Tarletan to the making of an Overcoat—anything from Pilot or Beaver Cloth down to the softest Gauze or Gossamer Tissue, and is ever ready to do its work to perfection. It can fell, hem, bind, gather, tuck, quilt, and has a capacity for a great variety of ornamental work. This is not the only machine that can fell, hem, bind, and so forth, but it will do so better than any other machine. The Letter "A" Family Sewing Machine may be had in a great variety of beautiful cases. The Folding Case, which is now becoming so popular, is as its name implies; one that can be folded into a box or case, which when opened, makes a beautiful, substantial, and spacious table for the work to rest upon. The cases are of every imaginable design—plain as the wood grew in its native forest, or as elaborately finished as art can make them.

The branch offices are all well supplied with silk, twist, thread, needles, oil, etc., of the very best quality.

Send for a copy of "SINGER & CO.'S GAZETTE."

J. CULVERWELL, M. D. author of the Green Book, &c.

The world-renowned author, in this admirable lecture clearly proves from his own experience that the awful consequences of self-abuse may be effectually removed without medicine, and without dangerous surgical operations, bougies, instruments, rings, or cordials, pointing out a mode of cure at once certain and effectual, by which every sufferer, no matter what his condition may be, can cure himself cheaply, privately, and radically. This lecture will prove a boon to thousands and thousands.

Importer and manufacturer of, and dealer in, all kinds of **FANCY FURS,** for Ladies' and Children's wear.

I desire to say to my friends of Susquehanna and the surrounding counties that I have now in store, one of the largest and most beautiful assortments of all kinds and qualities of Fancy Furs for Ladies' and children's wear, that will be worn during this Fall and winter.

My Furs were purchased in Europe, previous to the rise in Sterling Exchange, and the New Duty imposed on all Furs, imported since the first of August.

I would also state that as long as my stock lasts, I will offer it at prices proportionate to what the goods cost me; but, it will be impossible for me to import and manufacture any more Furs, and sell them at the same price, owing to the unsettled state of the country.
