The Post

Middleburg, March 30, 1882.

J. CROUSE Editor & Proprietor.

If Brigham Young is still alive he had better get up on his hind legs and answer to his name.

Ex President Hayes is an incorporator of a savings bank at Fremont, Ohio, and takes a lively interest in matters that benefit that little western town.

Eight of the Presidents of the United States have been members of the Masonic fraternity—Washington, Jackson, Pierce, Buchanan, Andrew Johnson, Garfield, and Arthur.

The recent floods in the South have devastated some of the richest portions of the Mississippi Valley and subjected thousands of people to destitution, suffering and death.

The outlook for the spring trade among most of the wholesome dealers of Philadelphia, is stated to be very flattering, more business being done now than the corresponding period of last year.

It cost the United States Government sixty cents on the Dollar to collect the revenue in the Sixth District of North Carolina last year. The moonshiners give the government almost as much trouble as the rebels did.

Senator Cameron has returned to Washington from his Florida trip greatly improved in health himself, and brings his invalid wife with him so much improved that she is considered almost cured of her disease that caused her friends so much anxiety.

Jay Gould owes his men on the Wabash railway over $700,000, for wages by the day at hard labor and low figures. He had better pay them up before buying new branch routes. Such neglect is not excusable upon the ground of enterprise.

It is a wise and practical suggestion of President Arthur, that the immigrants who land on these shores should be vaccinated at once, before mingling with the people. In his opinion they should be compelled to do so, and not permitted to leave their berths until the command is complied with.

A girl at Pekin Ill., was about to be married to a young sweetheart. A man in the neighborhood heard of it, and told her mother that, as his wife was going to die soon, he would marry her himself, if she would wait. As he was rich, the bargain was made, and in three months the wedding took place.

About $1,000,000,000 of the national debt have been paid since the war ended. France has now nearly treble the debt of the United States and Great Britain more than double. Even Spain has a bigger debt than that which remains of the United States.

It is announced that a herd of 11,000 sheep has just arrived at Lincoln, Nebraska, from Washington Territory. The journey has occupied two years. The trail from Washington Territory to the Missouri River is said to be the longest and hardest known to stock men. Three years is often consumed in a drive over this distance.

At a public meeting of tax-payers of Lebanon county, held in Lebanon on Saturday, William M. Derr, a prominent attorney, charged that the County Treasurer, Commissioners and Auditors had been appropriating to their own uses the funds of the county. Resolutions were passed referring the matter to a committee of twenty citizens for investigation.

The election of postmasters by the people, will soon be brought before Congress by a number of prominent republicans, who are confident that it will be a step in the right direction of civil service reform. Much of the time of the President, the Postmaster General, Senators and Representatives is now taken up in selecting postmasters, says a dispatch.

The recent small pox scare, and consequent large amount of vaccination has given rise to many curious whims. It is related of a Greensburg girl that she wanted to be inoculated with vaccine matter taken from the arm of her lover. The reason she gave for this was that she wanted the vaccine fresh from the calf.

...Henry Healy, the carpenter employed at the Homestead steel works, who was beaten by the strikers, will die.

Not long ago some economico Yankee calculated the thousands of dollars that were annually wasted by placing buttons upon men's coat-tails where there is nothing to button. The statistics of the Treasury Department show that last year 770,000 corsets, valued at $780,000, and 3,962,000 pairs of silk stockings, valued at $4,000,000, were imported into the United States from Europe.

The ways of the law are curious and past finding out to the average person. A Norristown attorney went to the Court the other day to enter a plea of guilty for his client, who was charged with larceny, when, to his surprise, he found that the Grand Jury had ignored the bill against him. It's unnecessary to add that the plea was not entered.

....Mrs. Harman, an old lady, was run over and instantly killed on the railroad, near Hockescherville, Tuesday afternoon.

....There are now one hundred cases of smallpox at South Bethlehem thirty cases having been reported since Monday.

....A small boy named George Young, accidentally shot and killed a playmate named Samuel Mayer, at York, on Tuesday.

....Mr. F. A. Asper, living near Bendersville, Adams county, has discovered bituminous coal near that place.

....Among the orders received by Pittsburg firms recently were several for bells for China and plows for Palestine.

...Hiram Hood, a deaf and dumb shoemaker, living on the Clearfield railroad beyond Tyrone, was seriously injured by a detached car knocking him down.

...The spring races of the Lackawanna agricultural association will occur at Scranton May 16, 17, 18 and 19. St Julien and Trinket will compete for a special purse of $5,000.

...Sparks from a passing locomotive on the Pennsylvania railroad Tuesday, set fire to a house on the Rutherford farm near Middletown, Dauphin county, and the building was destroyed.

....John Monaghan and Frank Manning were struck by a wagon descending the plane in Indian Ridge colliery, near Pottsville, Tuesday afternoon. Monaghan was instantly killed and Manning seriously injured. The accident was caused by the breaking of a bolt on the wagon when near the top of the plane.

....On Saturday William F. Robins, aged twelve years, and his sister, Jennie, aged eight, ran away from the home of their father, W. S. Robins, of Wyoming. The boy ran off once before, when he was nine years old, and remained away two years. There mother ran away from home several years ago and never returned.

It is very discouraging to the industrious farmer's wife as well as foolish, to have her poultry die from cholera or other disease, when she can buy of her druggist, Roberts' Poultry Powde for 25 cents a package. Guaranteed to cure.

A Smooth Complexion.

Can be had by every lady who will use Parker's Ginger Tonic. Regulating the internal organs and purifying the blood it quickly removes pimples and gives a healthy bloom to the cheek. Read about it in other column.

March.

It is useless to deny that the brightest and fairest fall easy victims to consumption, and equally fruitless to ignore the fact that decline has its origin in many cases in neglected catarrh. Sanford's Radical Cure is a pure, sweet balsamic specific. March.

CLOSING OUT.

GREAT BARGAINS ARE OFFERED.

I inform my friends and customers that *I* will remove on or about the first of *April* to another place of business, Eby's Store, in order to start with an entirely new stock at the New Store. I will for the next two months sell over 1000 pair of *Boots* and shoes, at great reduction in prices, for much less money, than they could be bought before. Everybody should call and be convinced that we do what we say. Parties already aquainted with us know our way of dealing and others will please call and examine my stock and learn my prices. We will be pleased to see you whether you buy or not. Thanking you for past patronage, I remain

Miss Jones declares she "will not again accompany Mr. Wilson from church on a rainy day, with her new hat on, unless he first procures one of Sol. Oppenheimer's Celebrated Gossimer Umbrellas which are the best, cheapest, handiest umbrellas now manufactured".

SAMARITAN NERVINE

SAMARITAN NERVINE

Cures Epileptic Fits, Spasms, Convulsions, St. Vitus Dance, Vertigo, Hysterics, Insanity, Apoplexy, Paralysis, Rheumatism, Neuralgia, and all Nervous Diseases. This latest and ablest remedy will positively eradicate every species of Nervous Derangement and drive them away from whence they came, never to return again. It utterly destroys the germs of disease by neutralizing the hereditary taint or poison in the system, and thoroughly eradicates the disease, and utterly destroys the cause.

SAMARITAN NERVINE

Cures Female Weakness, General Debility, Leucorrhœa or Whites, Painful Menstruation Ulceration of the Uterus, Internal Heat, Gravel, Inflammation of the Bladder, Irritability of the Bladder. For Wakefulness at Night, there is no better remedy. During the change of life no Female should be without it. It quiets the Nervous System and gives rest, comfort and nature's sweet sleep.

SAMARITAN NERVINE

Cures Alcoholism, Drunkenness and the habit of Opium Eating. These degrading habits are by far the worst evils that have ever befallen suffering humanity. Thousands die annually from these noxious drugs. The drunkard drinks liquor not because he likes it, but for the pleasure of drinking and treating his friends, little thinking that he is on his road to ruin. Like the Opium Eater, he first uses the drug in small quantities as a harmless antidote. The soothing influence of the drug takes strong hold upon its victim, leading him on to his own destruction. The habits of Opium Eating and Liquor Drinking are precisely what eating is to alimentiveness, as over-eating first inflames the stomach, which reduces its cravings until it paralyzes both the stomach and appetite. So every drink of liquor or dose of opium, instead of satisfying only adds to its hero-fires, until it consumes the vital force and then itself. Like the gluttonous tape-worm, it cries "Give, give, give!" but never enough until its own rapacity devours itself. Samaritan Nervine gives instant relief in all such cases. It produces sleep, quiets the nerves, builds up the nervous system, and restores body and mind to a healthy condition.

SAMARITAN NERVINE

Cures Nervous Dyspepsia, Palpitation of the Heart, Asthma, Bronchitis, Scrofula, Syphilis, all cases of the Kidneys and all diseases of the urinary organs. Nervous debility, caused by the indiscretions of youth, permanently cured by the use of this invaluable remedy. To you, young, middle-aged and old men, who are covering your sufferings as with a mantle by silence I call up, you can be saved by timely efforts, and make ornaments to society, and jewels in the crown of your Maker if you will. Do not keep this a secret longer, until it sapps your vitals, and destroys both body and soul. If you are thus afflicted, take Dr. Richmond's Samaritan Nervine. It will restore your shattered nerves arrest premature decay, impart tone and energy to the whole System.

SAMARITAN NERVINE

Is for sale by druggists everywhere, or may be had direct from us. Those who wish to obtain further evidence of the curative properties of Samaritan Nervine will please enclose a 3-cent postage stamp for a copy of our Illustrated Journal of Health, giving hundreds of testimonials of cure from persons who have used the medicine, and also their pictures photographed after their restoration to perfect health.
