COUNTY AFFAIRS.

Thanksgiving.—To-day is Thanksgiving day; and we are requested to state that the Post Office and places of business will be closed in town.

New Adv.—Among our new advertisements may be found one from the enterprising and successful firm of Lathrop, Tyler & Riley. Read it, and give them a call.

Internal Revenue.—The attention of our readers is directed to an advertisement of the District Assessor, in relation to stamp duties, &c.

Sassy Cows.—Some may have forgotten that there is a law of the State which prohibits cattle, &c., from running in the roads in this county. Shut up your cow, lest costs be made.

Fatal Accident.—Charles M. Peck, a son of Freeman and Eunice Peck, of Harford, this county, residing in You Bet, Nevada county, California, a gold miner, was killed by a caving of earth, on the 3d of April last. He was a native of Connecticut, and aged 36 years.

Cut it out.—The readers of the Democrat would do well to preserve the following table, showing the stamp duty on Promissory Notes, Inland Bills of Exchange, Drafts, and Money Orders:

In Memoriam.—The following preamble and resolutions were adopted at a meeting of the Rough and Ready Engine Company, Nov. 21st, 1863:

Whereas, It hath pleased "Him who doeth all things well" to come again within our circle, and remove by death, our friend and brother fireman, MARK J. HUNTER—and, whereas, his death was more immediately caused by wounds and exposure in his country's service, therefore

Resolved, That the promptness with which he responded to the earnest call for men to defend our borders, deserves our high commendation, and is worthy the emulation of all who can consistently hasten to the rescue of imperiled homes and country.

Resolved, That tho' but a short time one of us, his friendly and manly bearing had won our esteem, and for his many commendable qualities he will be long and well remembered.

Resolved, That his name shall stand upon our record of the heroic brave, by the side of a Lyons and a Quick, and that if brothers must fall, we are proud of the memory of such as those, who suffered and fell in such a cause.

Resolved, That a copy of these resolutions be presented to the friends of the deceased, and that we therewith express our sincere sympathy for them in their affliction, assuring them that we too are mourners.

Resolved, That a copy of these resolutions be furnished for publication in the county papers.

NEW GOODS!

A general assortment of GOODS, arriving at TURRELL'S.

Ayer's SARSAPARILLA,
THE WORLD'S GREAT REMEDY.
FOR
SCROFULA AND SCROFULOUS DISEASES.

From Emery Eder, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as other people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well known and much esteemed lady of Dexterville, Cape Ann, Ess. Co., Mass.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray, & Co., manufacturers of enameled papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse, until it disfigured my features and became an intolerable affliction. I tried almost everything I may hold it both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time, but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as my body, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Sawin, Houston St. N. Y.

"DR. AYER: I seldom fail to remove Erysipelas and Scrofulous Humors by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Munro, M. P. P. of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Stickler, Esq., the able editor of the Tuskaloosa Intelligencer, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Stout, of St. Louis, Missouri.

"I find your SARSAPARILLA the most effectual remedy for the secondary symptoms of Syphilis, and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"DR. AYER—My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the *primary* and *secondary* type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what medicine I can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Vleet, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or *mercurial disease*, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness,

are generally produced by internal *Scrofulous Ulceration*, and are very often cured by the alterative effect of the SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Howitt, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by *Scrofula* in the system, are cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
