Manufacture of Woolen Goods.

CHAPTER 8.

In answer to numerous inquiries as to when we could make up wool into cloth if brought hereafter, we have to say:—There is all the wool taken in that can be done before next spring. As most persons want their goods for the coming winter, we thought best to notify them of this fact to prevent disappointment.

In the meantime we shall do this season's work as satisfactorily as possible, and make additions to our machinery and fixtures, so as to be able to do all that is offered another year. We shall as usual full, color, and finish cloth for customers during the fall.

IMPORTANT TO ALL INVALIDS!

IRON IN THE BLOOD.

IT is well known to the medical profession that IRON is the vital principle or life element of the blood.—This is derived principally from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease producing elements to all parts of the system; and every one will suffer in whatever organ may be predisposed to disease.

The great value of

Iron as a Medicine,

is well known, and acknowledged by all medical men.—The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hays, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.

The Peruvian Syrup

is a protected solution of the protoxide of Iron. A new discovery in Medicine that strikes at the Root of Disease by supplying the blood with its Vital Principle or Life Element—IRON.

The Peruvian Syrup

Cures Dyspepsia, Liver Complaint, Drowsy, Fever and Ague, Loss of Energy, Low Spirits.

The Peruvian Syrup

Infuses strength, vigor, and new life into the system, and builds up an Iron Constitution.

The Peruvian Syrup

Cures Chronic Diarrhœa, Scrofula, Boils, Scurvy, Loss of Constitutional Vigor.

The Peruvian Syrup

Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.

The Peruvian Syrup

Is a specific for all diseases originating in a bad state of the Blood, or accompanied by Debility or a low state of the System.

Pamphlets containing certificates of cures and recommendations from some of the most eminent Physicians, Clergymen, and others, will be sent free to any address.

HAWLEY'S SOLIDIFIED Dental ream, FOR CLEANSING, WHITENING & PRESERVING THE TEETH.

THIS article is prepared with the greatest care upon scientific principles, and warranted not to contain anything in the slightest degree deleterious to the Teeth or Gums. Some of our most eminent Dental Surgeons have given their sanction to, and cheerfully recommend it as a preparation of superior qualities for cleansing, whitening and preserving the Teeth. It cleans them readily, rendering them beautifully white and pearly, without the slightest injury to the enamel. It is healing to the gums where they are ulcerated and sore. It is also an excellent disinfector for old and decayed teeth, which are often exceedingly offensive. It gives a rich and creamy taste to the mouth, cleansing it thoroughly, and imparting a delightful fragrance to the breath.

PREPARED ONLY BY

A. HAWLEY & CO.,

N. W. cor. 10th & Lombard sts., PHILADELPHIA.

AND SOLD BY ALL DRUGGISTS.

PRICE 38 CENTS.

Testimonials.

The following opinion of Dr. White, as to the high esteem in which he holds the Dental Cream, must be sufficient evidence of its value; to quote other testimonials in detail is needless, contenting ourselves by simply giving the names and address of persons who speak of its excellency for the teeth.

PHILADELPHIA, April 15th, 1863.

Having carefully examined A. Hawley's "Solidified Dental Cream," I hereby cheerfully recommend it to the public generally. It is an excellent preparation for cleansing and preserving the teeth, and can be used by all persons with the utmost confidence, as its properties are perfectly harmless. Besides preserving the teeth, it promotes a healthy action to the gums, and imparts a pleasantness to the breath.
