Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

TO PHYSICIANS.

NEW YORK, August 15th, 1868.

Allow me to call your attention to my Preparation of

COMPOUND EXTRACT of BUCHU.

The component parts are Buchu, Long Leaf, Cubebs, Juniper Berries.

MODE OF PREPARATION.—Buchu, in vacuo Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever or inflammation exist. In this you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor us with a trial, and that, upon inspection it will meet with your approbation,

With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist of 16 years experience.

(From the largest Manufacturing Chemists in the World.)

NOVEMBER 4, 1854.

"I am acquainted with Mr H. T Helmbold; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."

WILLIAM WEIGHTMAN,
Firm of Powers & Weighman, Manufacturing Chemists, Ninth and Brown Streets, Philadelphia.

for weakness arising from indiscretion. The exhausted powers of Nature, which are accompanied by so many alarming symptoms, among which will be found indisposition to Exertion, Loss of Memory, Wakefulness, Horror of Disease, or Forebodings of Evil—in fact Universal Lassitude, Prostration, and inability to enter into the enjoyments of society.

The Constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the, which

HELMBOLD'S EXTRACT BUCHU

invariably does. If no treatment is submitted to, Consumption or Insanity ensues.

HELMBOLD'S FLUID EXTRACT OF BUCHU in affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Palpitation, or Suppression of customary evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Extract Buchu and Improved Rose Wash

will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superseding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

Use Helmbold's Fluid Extract of Buchu in all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any preparations of Bark or Iron.

Those suffering from broken down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic.

Is the Great Diuretic.

A GREAT MEDICAL DISCOVERY

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

They are a Gentle Purgative as well as a Tonic, possessing the combined virtues of a mild cathartic and an agreeable bitter. Physicians in their practice prescribe largely for the sick, and their testimony is that they do more good than any other medicine. Clergymen, Lawyers, Merchants, Mechanics, Housekeepers, and persons in all the various callings of life, recommend them as the best of all bitters or medicines. Ladies and children like them on account of their pleasant taste, they are so mild and yet so effectual. Congestion or inflammation of the liver, and all the internal organs, are cured by them. They purify the blood, which pervades every part of the human frame, carrying health or disease with it, according as it is healthy or diseased. Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other **WORMS,** lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

DENTISTRY.

All those in want of false Teeth or other dental work should call at the office of the subscribers, who are prepared to do all kinds of work in their line on short notice.

Particular attention paid to making full and partial sets of teeth on gold, silver, or aluminum plate; also on Weston's cast composition; the two latter preferable to any of the cheaper substances now used for dental plates.

Teeth of young persons regulated, and made to grow in natural shape.

The advantage of having work done by permanently located and responsible parties, must be apparent to all.

All work warranted. Please call and examine specimens of plate work at our office, over Boyd & Co's hardware store.
