## F. BROWN'S
## Essence of Jamaica Ginger.

This Essence is a preparation of unusual excellence. In ordinary diarrhœa, incipient cholera, in short, in all cases of prostration of the digestive functions, it is of inestimable value. During the prevalence of epidemic cholera and summer complaints of children, it is peculiarly efficacious; no family or individual or traveller should be without it. As it enables the system to resist the influence of insipient disease which lurk in a relaxing climate.

CAUTION.—Be sure to get the genuine essence which is prepared only by F. BROWN, at his *Drug and Chemical Store*, N. E. *Corner of Fifth and Chestnut Streets, Philadelphia*, and for sale by all the respectable Apothecaries in the United States, and at Montrose Pa by

(36 y1) ABEL TURRELL.

## New One Price Store!
## Low Prices---Large sales.

R. C. BACON, by a new method of doing business now offers to the citizens of Binghamton and vicinity an opportunity of saving from 10 to 15 per ct. in their purchases. The old saws *per cent* and *jockeying* must give way to the "*spirit of the age*"—uniform prices, small profits and large sales. Considering our persons money worth just as much as another's and the confidence of his customers worth more in the long run than any temporary advantage that can be gained by selling some *one article* extremely low as a "bait" to commence a trade in which *other* articles shall be sold at an exorbitant profit he has adopted and will adhere to the only fair and honorable system of doing business—that is selling at all times and to all persons the same article at the *same prices*—which price he pledges himself shall be as low or lower than the *lowest market price* thus planning for the future whilst constantly gaining an increase of business. Almost every day will present something new and attractive to visitors and the general admiration and liberal patronage resulting from his efforts certainly will not lessen them to make the ONE PRICE STORE more and more inviting.

*DRESS GOODS.*

This department embraces so great a variety that we can mention a few only of the leading articles trusting the ladies will call and examine for themselves. Bareges, English, French and American Lawns, and Ginghams, Tartatons, Granadines, Swiss, Jaconet, Book, Cambric and Twilled Muslins, Tissues, Bareges, Muslin, Gingham, Silk and Linen Robes, Alapaccas, Bombazines, Raw Silks, besides a very large assortment of rich lustred black, Mas-ri-d, Striped, Plaid, and changeable Silks, Turc Satins, Marcellas and Florence Silks to all of which he is constantly adding and which it would be well to see before purchasing elsewhere. Best quality of Merrimack and English Printsat 11 cts per yard, one yard wide ditto at 1s.

*SHAWLS*

Including the various qualities of Canton, Crape, Black, changeable and figured silk (from $3.50 upwards) Thibet Cashmere, Broche, &c.

*EMBROIDERIES.*

In this department there is nothing wanting. Among others may be found the latest and most approved styles of Handkerchief, Chemisettes, Undersleeves, Collars, Skirts, Edgings, Insertions, Flouncies, &c.

*MANTILLAS.*

A very large stock of different styles which were bought low and are sold accordingly. The amount of our sales in this department is proof positive that our selections have been judicious.

Parasols and Fans in endless variety extremely low.

*GLOVES AND HOSIERY.*

Every size shade and quality of Kid silk lile thread and Cotton Gloves from 6d to 6s., cotton hose of all colors from 6d. upwards

*Ladies and Misses Boots and Shoes.*

In this line we have every variety of style manufactured to order and will be sold much lower than ever before offered in Broome county. Our extraordinary facilities in buying them enable us to do this and those who doubt are requested to call and examine for themselves.

*Gentlemen's Furnishing Department,*

I do not mean shall lack anything. Cassimers and Vestings of all the newest styles and we are awed by no competition in these goods. Our Cloths have been bought low and as we are content with small profits we never show them in vain.

Bleached and Brown Cottons direct from the manufacturers and very low together with a general assortment of blue, plain and striped Denims, Ticks, Summer Stuffs, &c. We have also a room devoted to

*Crockery, Stone, Glass Ware, and Groceries.*

In which we have a full assortment of prices that utterly defy competition. Good Brown Sugar selling at 5 cts. per lb. A very good quality of Molasses at 2s. and a *first rate* article at 2s. 6d.

We keep constantly on hand an assortment of the above named goods and many others and are continually receiving large additions to our stock and at our store can always be found the choicest and most desirable goods our best markets afford. And I would keep it before the public that I do not buy my goods on six or eight months credit and pay in twelve. I do not ask my customers to pay me great prices to make good heavy losses from bad debts, on the contrary my stock is purchased for *cash* and nothing else—to a great extent in original packages direct from Importers and Manufacturers who know the comparative value of cash and credit and make a large difference in favor of the cash buyer by which I am enabled to supply my customers with goods at the smallest possible advances from the wholesale prices. And I pledge myself to sell goods for cash or ready pay at as low or lower rates than any other establishment in western New York.

Our entire stock is marked at the very lowest *Cash figure*, and at such prices that cannot fail to suit *all purchasers* who study economy in buying. We intend to adhere strictly to the One Price system, believing it to be the only impartial mode of doing business, and hope by conducting our business upon fair and honorable principles to merit a large share of public patronage. We would particularly invite those from a distance to examine our mammoth stock of Goods feeling confident that the prices and qualities will meet their entire approbation. All kinds of produce taken at its cash value. Quick sales and small profits is the motto.
